

Anderson Humane Society

Meeting: First Tuesday of each month at 6:30 at the public library

Calling all members!

It's our election time and we need lots of willing folk to throw their hat in the ring. Board members and officers do a lot of grunt work at the Rummage Sale, organize for the garden party, help staff Humane Society events and meetings while attending monthly (mostly) meetings for a couple of hours. Though it may not sound like much, it is extremely helpful to those who benefit the most from our efforts, the animals. Please, take that next step and place your name on the slate. We do have a lot of fun while we do a lot of good! Please fill out the form below and mail it back to us if you'd like to nominate someone. Please mail to: Cheryl Steenerson, 1058 Palmer Road, Mt. Eden KY 40046.

SPOTLIGHT ON:

#233 Bruce-Sponsored (Shepherd *Mixed*)

'Hi. I'm Bruce and this is my sister Zena. Our owner had to turn us in here because he couldn't keep us anymore. But that's good for you because you don't have to wait the stray hold...you can adopt us right away! We're both housebroken, good with kids, and know all of our basic commands. That's what our owner said anyway! Would you like to adopt one of us?' [Thank you to an anonymous donor, who sponsored a portion of Bruce's adoption fee.](#) Now he can go home at a reduced rate!

#241 Jenna-Sponsored (Tabby - Brown)

"Hi. My name is Jenna and I came to the shelter a few days ago, along with my four kids. The five of us were living over on Bell Street, but nobody there really knew us. I guess we were just strays that didn't really have a home. I wanted better for them than I've had so we came here and the Humane Society is going to try really hard to find homes for all of us." [Thank you to Fred and Victoria Parker, who sponsored a portion of Jenna's adoption fee.](#) Now she can go home at a reduced rate!

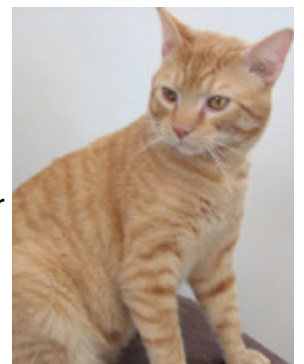

#247 Paige-Sponsored (Labrador Retriever *Mixed*)

'Hi. My name is Paige and I'm a lab mix of some sort that was picked up down on Lick Skillet Road. That was back on March 27th and my owner still hasn't come to get me. I had hoped they'd show up and take me back home. If they don't come for me by April 3rd, I'll be up for adoption.' [Thank you to an anonymous donor, who sponsored a portion of Paige's adoption fee.](#) Now she can go home at a reduced rate!

#3219 Cheddar-Sponsored (Domestic Short Hair-orange)

'Hi. I'm Cheddar and I'm a kitty who came to the humane society a couple of months ago. I was in foster care with a nice lady but they thought I should come here so more people would be able to see me. So now I'm at the shelter and I'm hoping I'll get plenty of visitors out here. Why don't you come on out and visit with me for a while?' [Thank you to Debbie Ritter who has sponsored a portion of my fee I can go home at a reduced rate.](#)

SPOTLIGHT ON:

#271 Minnie-Sponsored (Black Labrador Retriever *Mixed*)

'Hi. My name is Minnie and I'm a black lab mix of some sort. I have one blue eye, so I might have some husky or Australian Shepherd in me. Who really knows? All that really matters is that I'm a really good dog who needs a really good family to come adopt me and take me home. So I hope you'll come see me and maybe decide to adopt me.' [Thank you to an anonymous donor, who sponsored a portion of Minnie's adoption fee. Now she can go home at a reduced rate!](#)

#116 Gracie-Sponsored (Tabby - Brown)

'Hi. My name is Gracie and, unlike most of the other kitties, I was an owner turn-in. They brought me here and told them they couldn't keep me anymore and they wanted the humane society to find me a good home. So that's what they're trying to do! I'm a good kitty and I just want to get out of this cage and find a good family to adopt me.' [Thank you to Debbie Ritter who has sponsored a portion of my fee I can go home at a reduced rate.](#)

#1491 Willow Eva-Sponsored (Beagle *Mixed*)

'Hello there! My name is Willow Eva and I'm one of the newest dogs at the shelter. Unlike most of the others, I came here as an owner turn-in. I was adopted here several months ago, but my owner was unable to keep me, so they had to bring me back. I'm a really sweet girl and I just want somebody new to love me like other dogs have.' [Thank you to an anonymous donor, who sponsored a portion of Eva's adoption fee. Now she can go home at a reduced rate!](#)

#93 Rena-Sponsored (Domestic Long Hair-black)

'Hello. My name is Rena and I was a stray from over on Lynn Drive when I came here. Nobody there really claimed me as their own. I was just one of the neighborhood kitties. But the Humane Society is going to try really hard to find me a good home of my own with somebody who will love me.' [Thank you to Debbie Ritter who has sponsored a portion of my fee I can go home at a reduced rate.](#)

The American Society for the Prevention of Cruelty to Animals (ASPCA) has designated April as Prevention of Animals Cruelty Month to raise awareness of animal cruelty and to educate the public on how to recognize and report it.

Is animal cruelty on the rise, or are more people stepping up and speaking out for animals? What constitutes animal cruelty or abuse? Unintentional abuse usually occurs when someone is ignorant of the proper way to care for a pet. Neglect, inappropriate food, or no or inadequate shelter are common when animals are owned by people who either don't know enough about the pet's requirements or simply don't care enough to learn. But unintentional abuse through neglect is still abuse.

Intentional abuse—deliberate acts of cruelty toward an animal—are far easier to identify: torturing, maiming or killing an animal. These acts are often the result of rage, either toward the animal or toward a person. Call your local animal control agency, to report a suspected case of animal neglect or cruelty, at their 502-839-6410. They suggest that if you are calling with an extreme emergency after hours, to contact your local police for assistance. Calls regarding loose or stray dogs should be reported to animal control too. If possible, photograph or videotape the neglect or abuse. A picture is worth a thousand words, and photographic evidence may save an animal's life.

Animals depend on us for companionship and for food and shelter. They also depend on us to protect them, to care for them and to speak up for them. The Anderson Humane Society is a non-profit charitable organization dedicated to the care and humane treatment of homeless dogs and cats. Our office hours are Monday-Friday from 9:00 to 4:00 and Saturday from 10:00-12:00 for adoption, volunteer opportunities, and fundraising help. We are a limited admission facility on an available space basis. Visitors to the adoption center are most welcome, since the dogs and cats love company.
