

Introduction

The object of this communication is to glorify GOD by revealing the absolute truth. English is the language that will be used. "Merriam-Webster's Collegiate Dictionary" will be used to define all words.

The dictionary defines GOD as follows: "**god** \ 'gäd also 'gòd\ n [ME, fr. OE; akin to OHG *got* god] (bef. 12c) **1** *cap*: the supreme or ultimate reality: as **a** : the Being perfect in power, wisdom, and goodness who is worshipped as creator and ruler of the universe **b** *Christian Science* : the incorporeal divine Principle ruling over all as eternal Spirit : infinite Mind **2** : a being or object believed to have more than natural attributes and powers and to require human worship; *specif* : one controlling a particular aspect or part of reality **3** : a person or thing of supreme value **4** : a powerful ruler"¹.

Thus, GOD is defined as "...the supreme or ultimate reality..."². We shall begin by proving that GOD exists. We shall then continue to prove many other facts about GOD. This communication is intended to be a complete revelation of the absolute truth. We shall conclude by declaring that GOD has been officially glorified upon planet Earth!

Chapter One

The Proof-Stairway To Heaven

Step #1 - We theorize the following: It is impossible for absolute nothingness to exist.

Step #2 - We use the dictionary to determine if this theory is true or false. The dictionary confirms the fact that this is a true statement. Absolute is defined as "...free from imperfection : PERFECT..."³. Nothingness is defined as "...the quality or state of being nothing: as **a** : NONEXISTENCE..."⁴. Thus, the dictionary reveals this statement to be equal to the following: It is not possible for perfect nonexistence to exist. Nonexistence is defined as "...absence of existence..."⁵. Thus, nonexistence is excluded from existence by definition. Therefore, we have proven that it is impossible for absolute nothingness to exist. Since we have proven that it is impossible for absolute nothingness to exist, we assert that this has now become law.

Absolute Law #1 - **IT IS IMPOSSIBLE FOR ABSOLUTE NOTHINGNESS TO EXIST!**

Step #3 - Realize that ABSOLUTE EVERYTHING has no choice but to exist. There is no alternative. How do we know that there is no alternative? Conceptually, we recognize that the whole can be divided into three parts. These three parts are the negative, the positive, and the neutral. The negative and the positive are considered to be opposites. The neutral, which is neither negative nor positive, has no opposite. The neutral represents the balance point between the negative and the positive. This relationship is often represented as an equilateral triangle (See Figure 1).

³ Ibid., p. 4.

⁴ Ibid., p. 795.

⁵ Ibid., p. 790.

We have eliminated the negative possibility for existence from consideration by proving that it is impossible for absolute nothingness to exist (See Figure 2). We have also eliminated the neutral possibility for existence from consideration by proving that it is impossible for absolute nothingness to exist. You cannot have a balance point between something that does not exist and something that does exist. In order to have a balance point between two opposites, both of them must exist. Therefore, two of the three possibilities for existence have been eliminated from consideration.

Thus, the positive possibility for existence, ABSOLUTE EVERYTHING, remains as the only alternative. Since there is no alternative, ABSOLUTE EVERYTHING has no choice but to exist. Therefore, we have proven that ABSOLUTE EVERYTHING has no choice but to exist. Since we have proven that ABSOLUTE EVERYTHING has no choice but to exist, we assert that this has now become law.

Absolute Law #2 - ABSOLUTE EVERYTHING HAS NO CHOICE BUT TO EXIST!

Step #4 - Realize that ABSOLUTE EVERYTHING is the only reality that exists. When we proved that the positive possibility for existence, ABSOLUTE EVERYTHING, remains as the only alternative, we proved that ABSOLUTE EVERYTHING is the only reality that exists. Since we have proven that ABSOLUTE EVERYTHING is the only reality that exists, we assert that this has now become law.

Absolute Law #3 - ABSOLUTE EVERYTHING IS THE ONLY REALITY THAT EXISTS!

Step #5 - Realize that ABSOLUTE EVERYTHING is GOD. We have already proven that ABSOLUTE EVERYTHING is the only reality that exists. GOD is defined as "...the supreme or ultimate reality..."⁶. The only reality that exists is the supreme or ultimate reality. Therefore, we have proven that ABSOLUTE EVERYTHING is GOD. Since

⁶ Ibid., p. 500.

we have proven that ABSOLUTE EVERYTHING is GOD, we assert that this has now become law.

Absolute Law #4 - ABSOLUTE EVERYTHING IS GOD!

Step #6 - Realize that GOD has no choice but to exist. We have already proven that ABSOLUTE EVERYTHING has no choice but to exist. We have already proven that ABSOLUTE EVERYTHING is GOD. Thus, we have proven that GOD has no choice but to exist. Since we have proven that GOD has no choice but to exist, we assert that this has now become law.

Absolute Law #5 - GOD HAS NO CHOICE BUT TO EXIST!

Step #7 - Realize that GOD is the only reality that exists. We have already proven that ABSOLUTE EVERYTHING is the only reality that exists. We have already proven that ABSOLUTE EVERYTHING is GOD. Therefore, we have proven that GOD is the only reality that exists. Since we have proven that GOD is the only reality that exists, we assert that this has now become law.

Absolute Law #6 - GOD IS THE ONLY REALITY THAT EXISTS!

Step #8 - Realize that GOD is the entire kingdom of existence. We have already proven that GOD is the only reality that exists. The only reality that exists is the entire kingdom of existence. Therefore, we have proven that GOD is the entire kingdom of existence. Since we have proven that GOD is the entire kingdom of existence, we assert that this has now become law.

Absolute Law #7 - GOD IS THE ENTIRE KINGDOM OF EXISTENCE!

Step #9 - Realize that all things that exist are integrated into one thing, and that one thing is GOD. We have already proven that GOD is the only reality that exists. We have already proven that GOD is the entire kingdom of existence. Therefore, we have proven that all things that exist are integrated into one thing, and that one thing is GOD. Since we have proven that all things that exist are integrated into one thing, and that one thing is GOD, we assert that this has now become law.

Absolute Law #8 - ALL THINGS THAT EXIST ARE INTEGRATED INTO ONE THING, AND THAT ONE THING IS GOD!

Step #10 - Realize that GOD is everything. We have already proven that GOD is the only reality that exists. Thus, anything that exists is GOD. This means that GOD is everything. Therefore, we have proven that GOD is everything. Since we have proven that GOD is everything, we assert that this has now become law.

Absolute Law #9 - GOD IS EVERYTHING!

Step #11 - Realize that GOD is everywhere. We have already proven that it is impossible for absolute nothingness to exist. Thus, no space can be absolutely empty, regardless of its size. We have already proven that GOD has no choice but to exist. We have already proven that GOD is the entire kingdom of existence. Therefore, we have proven that GOD is everywhere. Since we have proven that GOD is everywhere, we assert that this has now become law.

Absolute Law #10 - GOD IS EVERYWHERE!

Step #12 - Realize that there is absolutely nothing outside of GOD. We have already proven that GOD is the entire kingdom of existence. Therefore, we have proven that there is absolutely nothing outside of GOD. Since we have proven that there is absolutely nothing outside of GOD, we assert that this has now become law.

Absolute Law #11 - THERE IS ABSOLUTELY NOTHING OUTSIDE OF GOD!

Step #13 - Realize that outer space does not exist. We have already proven that it is impossible for absolute nothingness to exist. Thus, no space can be absolutely empty, regardless of its size. Therefore, there is no space outside of GOD. We have already proven that there is absolutely nothing outside of GOD. Therefore, we have proven that outer space does not exist. Since we have proven that outer space does not exist, we assert that this has now become law.

Absolute Law #12 - OUTER SPACE DOES NOT EXIST!

Step #14 - Realize that GOD occupies inner space. We have already proven that outer space does not exist. Therefore, inner space is the only space that exists. We have already proven that GOD is the entire kingdom of existence. Therefore, we have proven that GOD occupies inner space. Since we have proven that GOD occupies inner space, we assert that this has now become law.

Absolute Law #13 - GOD OCCUPIES INNER SPACE!

Step #15 - Realize that GOD did not have a beginning. Absolute nonexistence must precede any absolute beginning. We have already proven that it is impossible for absolute nothingness to exist. Therefore, we have proven that GOD could not have been preceded by absolute nothingness. Thus, GOD did not have a beginning. Therefore, we have proven that GOD did not have a beginning. Since we have proven that GOD did not have a beginning, we assert that this has now become law.

Absolute Law #14 - GOD DID NOT HAVE A BEGINNING!

Step #16 - Realize that GOD shall never have an end. Absolute nonexistence must follow any absolute end. We have already proven that it is impossible for absolute nothingness to exist. Therefore, we have proven that absolute nothingness cannot follow GOD. Thus, GOD shall never have an end. Therefore, we have proven that GOD shall never have an end. Since we have proven that GOD shall never have an end, we assert that this has now become law.

Absolute Law #15 - GOD SHALL NEVER HAVE AN END!

Step #17 - Realize that GOD could neither be created nor destroyed. We have already proven that GOD did not have a beginning. We have already proven that GOD shall never have an end. Therefore, we have proven that GOD could neither be created nor destroyed. Since we have proven that GOD could neither be created nor destroyed, we assert that this has now become law.

Absolute Law #16 - GOD COULD NEITHER BE CREATED NOR DESTROYED!

Step #18 - Realize that GOD is eternal. We have already proven that GOD did not have a beginning. We have already proven that GOD shall never have an end. Therefore, we have proven that GOD is eternal. Since we have proven that GOD is eternal, we assert that this has now become law.

Absolute law #17 - GOD IS ETERNAL!

Step #19 - Realize that GOD is continuous. We have already proven that GOD is eternal. Continuous is a synonym for eternal. Therefore, we have proven that GOD is continuous. Since we have proven that GOD is continuous, we assert that this has now become law.

Absolute Law #18 - GOD IS CONTINUOUS!

Step #20 - Realize that GOD is constant. We have already proven that GOD could neither be created nor destroyed. Constant is defined as "...something invariable or unchanging..."⁷. GOD, who exists, and could neither be created nor destroyed, cannot change. Therefore, we have proven that GOD is constant. Since we have proven that GOD is constant, we assert that this has now become law.

Absolute Law #19 - GOD IS CONSTANT!

Step #21 - Realize that GOD is neutral. The logical opposite of GOD is absolute nothingness. We have already proven that it is impossible for absolute nothingness to exist. Thus, we have proven that GOD does not have a real opposite. We know that the neutral does not have an opposite. Therefore, we have proven that GOD is neutral. Since we have proven that GOD is neutral, we assert that this has now become law.

Absolute Law #20 - GOD IS NEUTRAL!

Step #22 - Realize that GOD is finite. We have already proven that GOD is the entire kingdom of existence. Finite is defined as "...having definite or definable limits..."⁸. The entire kingdom of existence has definite or definable limits. Therefore, we have proven that GOD is finite. Since we have proven that GOD is finite, we assert that this has now become law.

Absolute Law #21 - GOD IS FINITE!

Step #23 - Realize that GOD is perfect. We have already proven that GOD is eternal. This means that GOD is required to exist forever. Only a perfect being can exist forever. Therefore, we have proven that GOD is perfect. Since we have proven that GOD is perfect, we assert that this has now become law.

Absolute Law #22 - GOD IS PERFECT!

Step #24 - Realize that GOD is spherical in shape. Anything that actually exists has shape. GOD actually exists. Therefore, GOD has shape. We have already proven that GOD is perfect. This

⁷ Merriam-Webster's Collegiate Dictionary, 10th ed. (Merriam-Webster, Inc., 1996), p. 247.

⁸ Ibid., p. 437.

means that GOD is perfect in shape. A sphere represents perfect shape. Thus, GOD is spherical in shape. Therefore, we have proven that GOD is spherical in shape. Since we have proven that GOD is spherical in shape, we assert that this has now become law.

Absolute Law #23 - GOD IS SPHERICAL IN SHAPE!

Step #25 - Realize that GOD is absolutely symmetrical. We have already proven that GOD is perfect. We have already proven that GOD is spherical in shape. A perfect sphere is absolutely symmetrical. Therefore, we have proven that GOD is absolutely symmetrical. Since we have proven that GOD is absolutely symmetrical, we assert that this has now become law.

Absolute Law #24 - GOD IS ABSOLUTELY SYMMETRICAL!

Step #26 - Realize that every action that occurs within GOD is accompanied by an equal, but opposite, reaction. We have already proven that GOD is neutral. The neutral represents the balance point between the negative and the positive. Therefore, we have proven that every action that occurs within GOD is accompanied by an equal, but opposite, reaction. Since we have proven that every action that occurs within GOD is accompanied by an equal, but opposite, reaction, we assert that this has now become law.

Absolute Law #25 - EVERY ACTION THAT OCCURS WITHIN GOD IS ACCOMPANIED BY AN EQUAL, BUT OPPOSITE, REACTION!

Step #27 - Realize that GOD is predetermined. GOD, who is eternal, must self-perpetuate forever. A perfect plan is required for GOD to self-perpetuate forever. There is no other possibility. Thus, we have proven that GOD is predetermined. Since we have proven that GOD is predetermined, we assert that this has now become law.

Absolute Law #26 - GOD IS PREDETERMINED!

Step #28 - Realize that GOD ordains everything that actually does occur. We have already proven that GOD is predetermined. Thus, GOD determines all things before they occur. Since GOD determines all things before they occur, GOD ordains everything that actually does occur. Therefore, we have proven that GOD ordains everything that actually does occur. Since we have proven that GOD ordains everything that actually does occur, we assert that this has now become law.

Absolute Law #27 - GOD ORDAINS EVERYTHING THAT ACTUALLY DOES OCCUR!

Step #29 - Realize that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is the entire kingdom of existence. We know that mankind exists. Therefore, we have proven that mankind is GOD. We observe that mankind is alive, conscious, intelligent, and thoughtful. Therefore, we have proven that GOD is alive, conscious, intelligent, and thoughtful. Since we have proven that GOD is alive, conscious, intelligent, and thoughtful, we assert that this has now become law.

Absolute Law #28 - GOD IS ALIVE, CONSCIOUS, INTELLIGENT, AND THOUGHTFUL!

Step #30 - Realize that GOD is in perpetual motion. We have already proven that GOD is eternal. Eternal is defined as "...continued without intermission : PERPETUAL..."⁹. Thus, we have proven that GOD is perpetual. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. Death is stillness. Life is movement. GOD, who is eternal, must live forever. Therefore, GOD must move forever. Anything that moves forever is in perpetual motion. Therefore, we have proven that GOD is in perpetual motion. Since we have proven that GOD is in perpetual motion, we assert that this has now become law.

Absolute Law #29 - GOD IS IN PERPETUAL MOTION!

Step #31 - Realize that GOD is in absolute control of everything, everywhere, forever. We have already proven that GOD has no choice but to exist. We have already proven that GOD is the only reality that exists. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD is everything. We have already proven that GOD is everywhere. We have already proven that GOD did not have a beginning. We have already proven that GOD shall never have an end. We have already proven that GOD could neither be created nor destroyed. We have already proven that GOD is eternal. We have already proven that GOD is continuous. We have already proven that GOD is perfect. We have already proven that GOD is predetermined. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is in perpetual motion. This most definitely amounts to GOD being in absolute control of everything, everywhere, forever. Therefore, we have

⁹ Ibid., p. 398.

proven that GOD is in absolute control of everything, everywhere, forever. Since we have proven that GOD is in absolute control of everything, everywhere, forever, we assert that this has now become law.

Absolute Law #30 - GOD IS IN ABSOLUTE CONTROL OF EVERYTHING, EVERYWHERE, FOREVER!

Step #32 - Realize that life, consciousness, intelligence, and thought are continuous. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is continuous. Therefore, we have proven that life, consciousness, intelligence, and thought are continuous. Since we have proven that life, consciousness, intelligence, and thought are continuous, we assert that this has now become law.

Absolute Law #31 - LIFE, CONSCIOUSNESS, INTELLIGENCE, AND THOUGHT ARE CONTINUOUS!

Step #33 - Realize that GOD travels a circular path. We have already proven that GOD is in perpetual motion. We have already proven that GOD is spherical in shape. We know that a sphere is a solid circle. We have already proven that GOD is continuous. A circle is continuous. Therefore, we have proven that GOD travels a circular path. Since we have proven that GOD travels a circular path, we assert that this has now become law.

Absolute Law #32 - GOD TRAVELS A CIRCULAR PATH!

Step #34 - Realize that GOD rotates on an axis. We have already proven that GOD is in perpetual motion. We have already proven that GOD is spherical in shape. We have already proven that GOD is continuous. We have already proven that GOD travels a circular path. When GOD travels a circular path, rotation on an axis is one result. Therefore, we have proven that GOD rotates on an axis. Since we have proven that GOD rotates on an axis, we assert that this has now become law.

Absolute Law #33 - GOD ROTATES ON AN AXIS!

Step #35 - Realize that gravity is actually centripetal force, which is generated as the result of GOD rotating on an axis. We have already proven that GOD rotates on an axis. We have already proven that GOD is spherical in shape. We know that a spinning sphere generates centrifugal force. Centrifugal force is defined as "...the force that tends to impel a thing or parts

of a thing outward from a center of rotation..."¹⁰. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD occupies inner space. We have already proven that there is absolutely nothing outside of GOD. Thus, there is only the inside of GOD. We know that GOD, rotating on an axis, generates a force. We know that a force cannot move in a direction that does not exist. Therefore, this force that is generated moves in the only direction that exists. It moves inward towards the center. Centripetal force is defined as "...the force that is necessary to keep an object moving in a circular path and that is directed inward toward the center of rotation..."¹¹. Therefore, we have proven that GOD generates centripetal force by rotating on an axis. Thus, gravity is actually centripetal force. Therefore, we have proven that gravity is actually centripetal force, which is generated as the result of GOD rotating on an axis. Since we have proven that gravity is actually centripetal force, which is generated as the result of GOD rotating on an axis, we assert that this has now become law.

Absolute Law #34 - GRAVITY IS ACTUALLY CENTRIPETAL FORCE, WHICH IS GENERATED AS THE RESULT OF GOD ROTATING ON AN AXIS!

Step #36 - Realize that GOD experiences absolutely no friction during rotation. We have already proven that GOD is the only reality that exists. We have already proven that GOD is the entire kingdom of existence. We have already proven that there is absolutely nothing outside of GOD. We have already proven that GOD rotates on an axis. Thus, we have proven that GOD rotates on an axis without making contact with anything. Friction is defined as "...the rubbing of one body against another..."¹². Thus, since only one body exists, there is absolutely no friction experienced by GOD during rotation. Therefore, we have proven that GOD experiences absolutely no friction during rotation. Since we have proven that GOD experiences absolutely no friction during rotation, we assert that this has now become law.

Absolute Law #35 - GOD EXPERIENCES ABSOLUTELY NO FRICTION DURING ROTATION!

Step #37 - Realize that birth and death are not absolute. Absolute nonexistence must precede any absolute birth. Absolute nonexistence must also follow any absolute death. We have

¹⁰ Ibid., p. 186.

¹¹ Ibid., p. 186.

¹² Ibid., p. 467.

already proven that it is impossible for absolute nothingness to exist. We have already proven that GOD is the only reality that exists. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD could neither be created nor destroyed. We have already proven that GOD is eternal. Thus, we have proven that it is GOD, rather than absolute nothingness, that precedes all births and follows all deaths. Therefore, we have proven that birth and death are not absolute. Since we have proven that birth and death are not absolute, we assert that this has now become law.

Absolute Law #36 - BIRTH AND DEATH ARE NOT ABSOLUTE!

Step #38 - Realize that birth and death relate to a change of form. We have already proven that birth and death are not absolute. Any birth and death that is not absolute can only result in a change of form. There is no other possibility. Birth and death must occur simultaneously. Death from one form requires simultaneous birth into another form. Likewise, birth into one form requires simultaneous death from another form. Therefore, we have proven that birth and death relate to a change of form. Since we have proven that birth and death relate to a change of form, we assert that this has now become law.

Absolute Law #37 - BIRTH AND DEATH RELATE TO A CHANGE OF FORM!

Step #39 - Realize that everything that actually exists is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is everything. Therefore, we have proven that everything that actually exists is alive, conscious, intelligent, and thoughtful. Since we have proven that everything that actually exists is alive, conscious, intelligent, and thoughtful, we assert that this has now become law.

Absolute Law #38 - EVERYTHING THAT ACTUALLY EXISTS IS ALIVE, CONSCIOUS, INTELLIGENT, AND THOUGHTFUL!

Step #40 - Realize that life, consciousness, intelligence, and thought exist on every celestial body in inner space. We have already proven that everything that actually exists is alive, conscious, intelligent, and thoughtful. We know that the celestial bodies in inner space actually exist. Therefore, we have proven that life, consciousness, intelligence, and thought exist on every celestial body in inner space. Since we have proven that life, consciousness, intelligence, and thought exist

on every celestial body in inner space, we assert that this has now become law.

Absolute Law #39 - LIFE, CONSCIOUSNESS, INTELLIGENCE, AND THOUGHT EXIST ON EVERY CELESTIAL BODY IN INNER SPACE!

Step #41 - Realize that there are no alien beings from outer space. We have already proven that outer space does not exist. Thus, alien beings cannot come from a place that does not exist. If alien beings do exist, they would have to come from inner space, and GOD would have to create them. Therefore, we have proven that there are no alien beings from outer space. Since we have proven that there are no alien beings from outer space, we assert that this has now become law.

Absolute Law #40 - THERE ARE NO ALIEN BEINGS FROM OUTER SPACE!

Step #42 - Realize that in absolute terms, there is no devil. The devil opposes GOD. This means that the devil is the opposite of GOD. We have already proven that GOD does not have an opposite. The logical opposite of GOD is absolute nothingness. We have already proven that it is impossible for absolute nothingness to exist. Therefore, we have proven that in absolute terms, there is no devil. Since we have proven that in absolute terms, there is no devil, we assert that this has now become law.

Absolute Law #41 - IN ABSOLUTE TERMS, THERE IS NO DEVIL!

Step #43 - Realize that GOD performs miracles at will. We have already proven that GOD is in absolute control of everything, everywhere, forever. This includes miracles. History confirms the fact that miracles have occurred upon the Earth. Therefore, we have proven that GOD performs miracles at will. Since we have proven that GOD performs miracles at will, we assert that this has now become law.

Absolute Law #42 - GOD PERFORMS MIRACLES AT WILL!

Step #44 - Realize that GOD creates by thinking. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. Thus, we have already proven that GOD thinks. Thinking is defined as "...the action of using one's mind to produce thoughts..."¹³. To produce a thought is to create a thought. Thus, to think is to create. Therefore, we have proven

¹³ Ibid., p. 1226.

that GOD creates by thinking. Since we have proven that GOD creates by thinking, we assert that this has now become law.

Absolute Law #43 - GOD CREATES BY THINKING!

Step #45 - Realize that GOD creates by synthesizing the negative and the positive into the neutral. Human observation confirms this to be true. A female represents the negative. A male represents the positive. The male has sex with the female. The female becomes pregnant. The female gives birth to a child. The child represents the neutral, which is the synthesis of the male and the female. This is an example of how GOD creates. Therefore, we have proven that GOD creates by synthesizing the negative and the positive into the neutral. Since we have proven that GOD creates by synthesizing the negative and the positive into the neutral, we assert that this has now become law.

Absolute Law #44 - GOD CREATES BY SYNTHESIZING THE NEGATIVE AND THE POSITIVE INTO THE NEUTRAL!

Step #46 - Realize that GOD thinks by synthesizing the negative and the positive into the neutral. We have already proven that GOD creates by thinking. We have already proven that GOD creates by synthesizing the negative and the positive into the neutral. Therefore, we have proven that GOD thinks by synthesizing the negative and the positive into the neutral. Since we have proven that GOD thinks by synthesizing the negative and the positive into the neutral, we assert that this has now become law.

Absolute Law #45 - GOD THINKS BY SYNTHESIZING THE NEGATIVE AND THE POSITIVE INTO THE NEUTRAL!

Step #47 - Realize that GOD has sex by thinking. We have already proven that GOD creates by thinking. We also know from human observation that GOD creates via sex. Thus, we have proven that thinking is sex. Therefore, we have proven that GOD has sex by thinking. Since we have proven that GOD has sex by thinking, we assert that this has now become law.

Absolute Law #46 - GOD HAS SEX BY THINKING!

Step #48 - Realize that GOD destroys by dividing the neutral into the negative and the positive. Human observation confirms this to be true. A nuclear explosion is a great destructive force. When a neutral atom is divided into negative electrons and positive protons, a nuclear explosion occurs as

the result of this division. This is an example of how GOD destroys. Therefore, we have proven that GOD destroys by dividing the neutral into the negative and the positive. Since we have proven that GOD destroys by dividing the neutral into the negative and the positive, we assert that this has now become law.

Absolute Law #47 - GOD DESTROYS BY DIVIDING THE NEUTRAL INTO THE NEGATIVE AND THE POSITIVE!

Step #49 - Realize that GOD destroys by ceasing to concentrate on a thought. We have already proven that GOD creates by thinking. Therefore, we are talking about the destruction of GOD'S own thoughts. We know that creation and destruction are opposites. We also know that the opposite of thinking is not thinking. Thus, we know that to destroy is to not think. Therefore, we have proven that GOD destroys by ceasing to concentrate on a thought. Since we have proven that GOD destroys by ceasing to concentrate on a thought, we assert that this has now become law.

Absolute Law #48 - GOD DESTROYS BY CEASING TO CONCENTRATE ON A THOUGHT!

Step #50 - Realize that when GOD ceases to concentrate on a thought, that neutral thought divides into the negative and the positive. We have already proven that GOD destroys by dividing the neutral into the negative and the positive. We have already proven that GOD destroys by ceasing to concentrate on a thought. Therefore, we have proven that when GOD ceases to concentrate on a thought, that neutral thought divides into the negative and the positive. Since we have proven that when GOD ceases to concentrate on a thought, that neutral thought divides into the negative and the positive, we assert that this has now become law.

Absolute Law #49 - WHEN GOD CEASES TO CONCENTRATE ON A THOUGHT, THAT NEUTRAL THOUGHT DIVIDES INTO THE NEGATIVE AND THE POSITIVE!

Step #51 - Realize that GOD is energy. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is in perpetual motion. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD is eternal. Thus, living, moving, and existing throughout the entire kingdom of existence requires that an unlimited supply of energy be constantly available everywhere. This has to mean that GOD is

energy. There is no other possibility. Therefore, we have proven that GOD is energy. Since we have proven that GOD is energy, we assert that this has now become law.

Absolute Law #50 - GOD IS ENERGY!

Step #52 - Realize that energy is everywhere. We have already proven that GOD is everywhere. We have already proven that GOD is energy. Therefore, we have proven that energy is everywhere. Since we have proven that energy is everywhere, we assert that this has now become law.

Absolute Law #51 - ENERGY IS EVERYWHERE!

Step #53 - Realize that energy could neither be created nor destroyed. We have already proven that GOD is energy. We have already proven that GOD could neither be created nor destroyed. Therefore, we have proven that energy could neither be created nor destroyed. Since we have proven that energy could neither be created nor destroyed, we assert that this has now become law.

Absolute Law #52 - ENERGY COULD NEITHER BE CREATED NOR DESTROYED!

Step #54 - Realize that all energy is sex energy. We know that there is a very strong connection between sex and energy. As one becomes sexually excited, a corresponding increase in energy occurs. We have already proven that GOD is energy. We have already proven that GOD is everything. We know that sex is included in everything because it actually exists. Thus, we have proven that GOD is sex. Therefore, we have proven that sex is energy. Thus, we have proven that sex and energy are one. Therefore, we have proven that all energy is sex energy. Since we have proven that all energy is sex energy, we assert that this has now become law.

Absolute Law #53 - ALL ENERGY IS SEX ENERGY!

Step #55 - Realize that GOD is a perpetual, sexual climax. Eternal is defined as "...continued without intermission : PERPETUAL..."¹⁴. We have already proven that GOD is eternal. Therefore, we have proven that GOD is perpetual. We have already proven that GOD is everything. We know that a sexual climax is included in everything because it actually exists. Thus, we have proven that GOD is a sexual climax. Therefore, we have proven

¹⁴ Ibid., p. 398.

that GOD is a perpetual, sexual climax. Since we have proven that GOD is a perpetual, sexual climax, we assert that this has now become law.

Absolute Law #54 - GOD IS A PERPETUAL, SEXUAL CLIMAX!

Step #56 - Realize that currently, energy is invisible. We have already proven that energy is everywhere. We know that we do not see something everywhere. There appears to be voids in space. We know that these apparent voids are actually energy. Energy is not absolutely invisible because it does exist. In the future, visual aides, such as microscopes and telescopes, might make it possible for man to see energy. Therefore, we have proven that currently, energy is invisible. Since we have proven that currently, energy is invisible, we assert that this has now become law.

Absolute Law #55 - CURRENTLY, ENERGY IS INVISIBLE!

Step #57 - Realize that energy is neutral. We have already proven that GOD is neutral. We have already proven that GOD is energy. Therefore, we have proven that energy is neutral. Since we have proven that energy is neutral, we assert that this has now become law.

Absolute Law #56 - ENERGY IS NEUTRAL!

Chapter Two

Dimensions Revealed

Step #58 - Realize that energy is the one super dimension of existence within GOD. We have already proven that energy is everywhere. We have already proven that GOD is the only reality that exists. We have already proven that GOD is energy. Thus, we have proven that energy is the only reality that exists. Therefore, we have proven that energy is the one super dimension of existence within GOD. Since we have proven that energy is the one super dimension of existence within GOD, we assert that this has now become law.

Absolute Law #57 - ENERGY IS THE ONE SUPER DIMENSION OF EXISTENCE WITHIN GOD!

Step #59 - Realize that the frequency of a vibration doubles from one octave to the next octave. Mankind has already discovered, through observation and measurement, that this is true. Therefore, mankind has already proven that the frequency of a vibration doubles from one octave to the next octave. Since mankind has already proven that the frequency of a vibration doubles from one octave to the next octave, we assert that this has now become law.

Absolute Law #58 - THE FREQUENCY OF A VIBRATION DOUBLES FROM ONE OCTAVE TO THE NEXT OCTAVE!

Step #60 - Realize that matter, light, and energy are three different forms of energy. We have already proven that energy is everywhere. We know that matter and light exist. Thus, we know that matter and light are energy. Therefore, we have proven that matter, light, and energy are three different forms of energy. Since we have proven that matter, light, and energy are three different forms of energy, we assert that this has now become law.

Absolute Law #59 - MATTER, LIGHT, AND ENERGY ARE THREE DIFFERENT FORMS OF ENERGY!

Step #61 - Realize that matter, light, and energy are the three major dimensions of existence within GOD. Human observation confirms the existence of the first two major dimensions. Everything that is visible appears as either matter or light. Since we see both matter and light, we know that they exist. We have already proven that energy is everywhere. We have

already proven that currently, energy is invisible. Thus, all known things, which are both visible and invisible, are matter, light, or energy. Therefore, we have proven that matter, light, and energy are the three major dimensions of existence within GOD. Since we have proven that matter, light, and energy are the three major dimensions of existence within GOD, we assert that this has now become law.

Absolute Law #60 - MATTER, LIGHT, AND ENERGY ARE THE THREE MAJOR DIMENSIONS OF EXISTENCE WITHIN GOD!

Step #62 - Realize that GOD is in absolute control of the velocity of all matter, light, and energy. We have already proven that GOD is in absolute control of everything, everywhere, forever. Velocity is a part of everything. Matter, light, and energy are also a part of everything. Therefore, we have proven that GOD is in absolute control of the velocity of all matter, light, and energy. Since we have proven that GOD is in absolute control of the velocity of all matter, light, and energy, we assert that this has now become law.

Absolute Law #61 - GOD IS IN ABSOLUTE CONTROL OF THE VELOCITY OF ALL MATTER, LIGHT, AND ENERGY!

Step #63 - Realize that velocity is the difference between matter, light, and energy. We have already proven that energy is everywhere. Therefore, all existing space is already occupied by energy. We know that no two things can occupy the same space at the same time. We know that light and matter exist because we can see them. Therefore, all things that exist within GOD must be composed of energy. Since they are all composed of energy, why do matter, light, and energy appear to be so different? Matter, light, and energy appear to be so different because they are moving at such vastly different velocities. We know that the velocity of light is much greater than the velocity of matter. We also know that the velocity of energy is much greater than the velocity of light. Since we have proven that matter, light, and energy have the same composition, we know that composition is not the difference between them. Because we know that matter, light, and energy differ so greatly in velocity while being so equal in composition, we know that velocity is the difference between matter, light, and energy. Therefore, we have proven that velocity is the difference between matter, light, and energy. Since we have proven that velocity is the difference between matter, light, and energy, we assert that this has now become law.

Absolute Law #62 - VELOCITY IS THE DIFFERENCE BETWEEN MATTER, LIGHT, AND ENERGY!

Step #64 - Realize that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD is in absolute control of the velocity of all matter, light, and energy. Therefore, we have proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. Since we have proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy, we assert that this has now become law.

Absolute Law #63 - GOD CAN CONVERT MATTER INTO LIGHT, LIGHT INTO ENERGY, ENERGY INTO MATTER, ENERGY INTO LIGHT, LIGHT INTO MATTER, AND MATTER INTO ENERGY!

Step #65 - Realize that creation, which is continuous, occurs as the result of the acceleration of matter, light, or energy. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. We have already proven that GOD is in absolute control of the velocity of all matter, light, and energy. We already know that matter is slower than light. We already know that light is slower than energy. Therefore, it follows that matter, sufficiently accelerated, will convert into light. In this instance, light is created from matter. It also follows that light, sufficiently accelerated, will convert into energy. In this instance, energy is created from light. (Note: This is a change of form, which is not an example of absolute creation. Thus, no paradox exists.) Likewise, it follows that energy, sufficiently accelerated, will convert into matter. In this instance, matter is created from energy. We have already proven that GOD is continuous. We have already proven that GOD is everything. We know that everything includes creation. Therefore, we have proven that GOD is creation. Thus, we have proven that creation is continuous. Therefore, we have proven that creation, which is continuous, occurs as the result of the acceleration of matter, light, or energy. Since we have proven that creation, which is continuous, occurs as the result of the acceleration of matter, light, or energy, we assert that this has now become law.

Absolute Law #64 - CREATION, WHICH IS CONTINUOUS, OCCURS AS THE RESULT OF THE ACCELERATION OF MATTER, LIGHT, OR ENERGY!

Step #66 - Realize that destruction, which is continuous, occurs as the result of the deceleration of matter, light, or energy. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. We have already proven that GOD is in absolute control of the velocity of all matter, light, and energy. We already know that light is faster than matter. We already know that energy is faster than light. Therefore, it follows that energy, sufficiently decelerated, will convert into light. In this instance, energy is destroyed to produce light. (Note: This is a change of form, which is not an example of absolute destruction. Thus, no paradox exists.) It also follows that light, sufficiently decelerated, will convert into matter. In this instance, light is destroyed to produce matter. Likewise, it follows that matter, sufficiently decelerated, will convert into energy. In this instance, matter is destroyed to produce energy. We have already proven that GOD is continuous. We have already proven that GOD is everything. We know that everything includes destruction. Therefore, we have proven that GOD is destruction. Thus, we have proven that destruction is continuous. Therefore, we have proven that destruction, which is continuous, occurs as the result of the deceleration of matter, light, or energy. Since we have proven that destruction, which is continuous, occurs as the result of the deceleration of matter, light, or energy, we assert that this has now become law.

Absolute Law #65 - DESTRUCTION, WHICH IS CONTINUOUS, OCCURS AS THE RESULT OF THE DECELERATION OF MATTER, LIGHT, OR ENERGY!

Step #67 - Realize that creation consumes energy. We have already proven that creation, which is continuous, occurs as the result of the acceleration of matter, light, or energy. Acceleration requires a substantial amount of energy. Thus, energy is consumed. Therefore, we have proven that creation consumes energy. Since we have proven that creation consumes energy, we assert that this has now become law. (Note: This is not an example of the absolute consumption of energy since this energy is recovered upon destruction. Thus, no paradox exists.)

Absolute Law #66 - CREATION CONSUMES ENERGY!

Step #68 - Realize that destruction releases energy. We have already proven that destruction, which is continuous, occurs as the result of the deceleration of matter, light, or energy. A nuclear explosion is a great destructive force. A nuclear explosion is a massive release of energy. Thus, observation confirms the fact that destruction releases energy. Therefore, we have proven that destruction releases energy. Since we have proven that destruction releases energy, we assert that this has now become law.

Absolute Law #67 - DESTRUCTION RELEASES ENERGY!

Step #69 - Realize that in creation, matter, light, and energy are integrated to form life. This process is called birth. We know that birth is the result of sex. Sex is integration. We know that a man is an example of creation. We know that a man contains matter, light, and energy. We know that a man functions as a single entity. We know that a man is alive. Thus, we have proven that a man is the integration of matter, light, and energy. Therefore, we have proven that in creation, matter, light, and energy are integrated to form life. Since we have proven that in creation, matter, light, and energy are integrated to form life, we assert that this has now become law.

Absolute Law #68 - IN CREATION, MATTER, LIGHT, AND ENERGY ARE INTEGRATED TO FORM LIFE!

Step #70 - Realize that in destruction, life divides into matter, light, and energy to form death. We know that creation is the opposite of destruction. We know that death is the opposite of life. We know that division is the opposite of integration. Therefore, we have proven that in destruction, life divides into matter, light, and energy to form death. Since we have proven that in destruction, life divides into matter, light, and energy to form death, we assert that this has now become law.

Absolute Law #69 - IN DESTRUCTION, LIFE IS DIVIDED INTO MATTER, LIGHT, AND ENERGY TO FORM DEATH!

Step #71 - Realize that charge is a function of direction of travel. This is a well-established fact. Convention holds that travel in the positive direction is to the right, and travel in the negative direction is to the left. This assignment of direction of travel presumes that all travel occurs along a straight path. However, GOD is not a straight line. GOD is a sphere. A sphere is a solid circle. We have already proven that

GOD travels a circular path. Convention holds that circular travel in the positive direction is clockwise, and circular travel in the negative direction is counterclockwise. Therefore, mankind has already proven that charge is a function of direction of travel. Since mankind has already proven that charge is a function of direction of travel, we assert that this has now become law.

Absolute Law #70 - CHARGE IS A FUNCTION OF DIRECTION OF TRAVEL!

Step #72 - Realize that matter is divided into negatively charged matter, neutrally charged matter, and positively charged matter. We have observed that each of these three forms of matter exist. We know that a bar magnet is negatively charged on one end, and positively charged on the other end. We also know that both ends of a bar magnet will attract some objects, repel some objects, and neither attract nor repel some objects. Therefore, we have proven that matter is divided into negatively charged matter, neutrally charged matter, and positively charged matter. Since we have proven that matter is divided into negatively charged matter, neutrally charged matter, and positively charged matter, we assert that this has now become law.

Absolute Law #71 - MATTER IS DIVIDED INTO NEGATIVELY CHARGED MATTER, NEUTRALLY CHARGED MATTER, AND POSITIVELY CHARGED MATTER!

Step #73 - Realize that light is divided into negatively charged light, neutrally charged light, and positively charged light. We have observed that each of these three forms of light exist. We know that a bar magnet is negatively charged on one end, and positively charged on the other end. We also know that both ends of a bar magnet will cause some light to bend towards the magnet, some light to bend away from the magnet, and some light to not bend at all. Therefore, we have proven that light is divided into negatively charged light, neutrally charged light, and positively charged light. Since we have proven that light is divided into negatively charged light, neutrally charged light, and positively charged light, we assert that this has now become law.

Absolute Law #72 - LIGHT IS DIVIDED INTO NEGATIVELY CHARGED LIGHT, NEUTRALLY CHARGED LIGHT, AND POSITIVELY CHARGED LIGHT!

Step #74 - Realize that energy is divided into negatively charged energy, neutrally charged energy, and positively charged energy. We have observed that each of these three forms of

energy exist. Electricity is an example of negatively charged energy. Nuclear energy is an example of neutrally charged energy. Magnetism is an example of positively charged energy. Therefore, we have proven that energy is divided into negatively charged energy, neutrally charged energy, and positively charged energy. Since we have proven that energy is divided into negatively charged energy, neutrally charged energy, and positively charged energy, we assert that this has now become law.

Absolute Law #73 - ENERGY IS DIVIDED INTO NEGATIVELY CHARGED ENERGY, NEUTRALLY CHARGED ENERGY, AND POSITIVELY CHARGED ENERGY!

Step #75 - Realize that antimatter is negatively charged matter, antilight¹⁵ is negatively charged light, and antienergy¹⁶ is negatively charged energy. This is consistent with both convention and definition. Therefore, we accept the fact that this assignment of meaning is appropriate. Since we accept the fact that this assignment of meaning is appropriate, we assert that this has now become law.

Absolute Law #74 - ANTIMATTER IS NEGATIVELY CHARGED MATTER, ANTILIGHT IS NEGATIVELY CHARGED LIGHT, AND ANTIENERGY IS NEGATIVELY CHARGED ENERGY!

Step #76 - Realize that objects with like charge repel each other, objects with opposite charge attract each other, and objects with neutral charge neither repel nor attract each other. We know that a bar magnet is negatively charged on one end, and positively charged on the other end. We observe that like ends of two bar magnets repel each other. We also observe that opposite ends of two bar magnets attract each other. We further observe that two neutrally charged balls neither repel nor attract each other. Therefore, we have proven that objects with like charge repel each other, objects with opposite charge attract each other, and objects with neutral charge neither repel nor attract each other. Since we have proven that objects with like charge repel each other, objects with opposite charge attract each other, and objects with neutral charge neither repel nor attract each other, we assert that this has now become law.

Absolute Law #75 - OBJECTS WITH LIKE CHARGE REPEL EACH OTHER, OBJECTS WITH OPPOSITE CHARGE ATTRACT EACH OTHER, AND OBJECTS WITH NEUTRAL CHARGE NEITHER REPEL NOR ATTRACT EACH OTHER!

¹⁵ This is a coined word. Antilight is defined as negatively charged light.

¹⁶ This is a coined word. Antienenergy is defined as negatively charged energy.

Step #77 - Realize that the total amount of positively charged matter that exists within GOD is always equal to the total amount of negatively charged antimatter that exists within GOD. We have already proven that GOD is neutral. The neutral represents the balance point between the negative and the positive. Therefore, we have proven that the total amount of positively charged matter that exists within GOD is always equal to the total amount of negatively charged antimatter that exists within GOD. Since we have proven that the total amount of positively charged matter that exists within GOD is always equal to the total amount of negatively charged antimatter that exists within GOD, we assert that this has now become law.

Absolute Law #76 - THE TOTAL AMOUNT OF POSITIVELY CHARGED MATTER THAT EXISTS WITHIN GOD IS ALWAYS EQUAL TO THE TOTAL AMOUNT OF NEGATIVELY CHARGED ANTIMATTER THAT EXISTS WITHIN GOD!

Step #78 - Realize that the total amount of positively charged light that exists within GOD is always equal to the total amount of negatively charged antilight that exists within GOD. We have already proven that GOD is neutral. The neutral represents the balance point between the negative and the positive. Therefore, we have proven that the total amount of positively charged light that exists within GOD is always equal to the total amount of negatively charged antilight that exists within GOD. Since we have proven that the total amount of positively charged light that exists within GOD is always equal to the total amount of negatively charged antilight that exists within GOD, we assert that this has now become law.

Absolute Law #77 - THE TOTAL AMOUNT OF POSITIVELY CHARGED LIGHT THAT EXISTS WITHIN GOD IS ALWAYS EQUAL TO THE TOTAL AMOUNT OF NEGATIVELY CHARGED ANTILIGHT THAT EXISTS WITHIN GOD!

Step #79 - Realize that the total amount of positively charged energy that exists within GOD is always equal to the total amount of negatively charged antienergy that exists within GOD. We have already proven that GOD is neutral. The neutral represents the balance point between the negative and the positive. Therefore, we have proven that the total amount of positively charged energy that exists within GOD is always equal to the total amount of negatively charged antienergy that exists within GOD. Since we have proven that the total amount of positively charged energy that exists within GOD is always equal to the total amount of negatively charged antienergy that exists within GOD, we assert that this has now become law.

Absolute Law #78 - THE TOTAL AMOUNT OF POSITIVELY CHARGED ENERGY THAT EXISTS WITHIN GOD IS ALWAYS EQUAL TO THE TOTAL AMOUNT OF NEGATIVELY CHARGED ANTIENERGY THAT EXISTS WITHIN GOD!

Step #80 - Realize that the black holes in space are composed of energy, which is created by the conversion of light into energy. We have already proven that energy is everywhere. We have already proven that currently, energy is invisible. When we focus our most powerful telescope on a black hole in space, we see massive amounts of accelerating light being sucked into the black hole. Once the light enters the hole, it is no longer visible. This is precisely what we would expect to see when we observe light being converted into energy. Initially, the light would accelerate. Then, when the velocity of the light becomes fast enough for the conversion into energy to occur, the light would become invisible. The black hole itself would appear as a void in space since the energy that it contains would be invisible. Thus, observation matches expectation. Therefore, we have proven that the black holes in space are composed of energy, which is created by the conversion of light into energy. Since we have proven that the black holes in space are composed of energy, which is created by the conversion of light into energy, we assert that this has now become law.

Absolute Law #79 - THE BLACK HOLES IN SPACE ARE COMPOSED OF ENERGY, WHICH IS CREATED BY THE CONVERSION OF LIGHT INTO ENERGY!

Step #81 - Realize that conversion is the seventh dimension of existence within GOD. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. We have already proven that velocity is the difference between matter, light, and energy. We know that matter is slower than light. Thus, we have proven that when matter is sufficiently accelerated, it will convert into light. Therefore, we have proven that conversion is the phenomenon that follows acceleration. Acceleration is the sixth dimension. Thus, conversion is the seventh dimension. Therefore, we have proven that conversion is the seventh dimension of existence within GOD. Since we have proven that conversion is the seventh dimension of existence within GOD, we assert that this has now become law.

Absolute Law #80 - CONVERSION IS THE SEVENTH DIMENSION OF EXISTENCE WITHIN GOD!

Step #82 - Realize that there are twenty-one minor dimensions of existence within GOD. We have already proven that there are seven dimensions of existence within GOD. We have already proven that matter, light, and energy are the three major dimensions of existence within GOD. We know that the seven dimensions of existence within GOD all relate to matter. The seven dimensions of existence within GOD begin with the birth of matter, and end with the death of matter. Thus, we have explained the cycle of matter. However, we have not explained either the cycle of light or the cycle of energy. The first three dimensions relate to space. The fourth dimension is time. The fifth dimension is velocity. The sixth dimension is acceleration. The seventh dimension is conversion. The concepts of space, time, velocity, acceleration, and conversion also apply to both light and energy. Therefore, there are also seven dimensions of existence within GOD that relate to light, and seven dimensions of existence within GOD that relate to energy. The second set of seven dimensions of existence within GOD begins with the birth of light, and ends with the death of light. The third set of seven dimensions of existence within GOD begins with the birth of energy, and ends with the death of energy. Therefore, there are seven dimensions of existence within GOD that relate to matter, seven dimensions of existence within GOD that relate to light, and seven dimensions of existence within GOD that relate to energy. Thus, we have the seven dimensions of existence within GOD applied to each of the three major dimensions of existence within GOD. Therefore, there are a total of twenty-one dimensions of existence within GOD. Since the seven dimensions of existence within GOD relate to the three major dimensions of existence within GOD, it is appropriate to label the twenty-one dimensions of existence within GOD as minor dimensions. Therefore, we have proven that there are twenty-one minor dimensions of existence within GOD. Since we have proven that there are twenty-one minor dimensions of existence within GOD, we assert that this has now become law.

Absolute Law #81 - **THERE ARE TWENTY-ONE MINOR DIMENSIONS OF EXISTENCE WITHIN GOD!**

Step #83 - Realize that the twenty-one minor dimensions of existence within GOD are as follows:

1. Matter = Length
2. Matter² = Length x Width = Area
3. Matter³ = Length x Width x Height = Volume
4. Time
5. Velocity
6. Acceleration

7. Conversion
8. Light
9. Light²
10. Light³
11. Time²
12. Velocity²
13. Acceleration²
14. Conversion²
15. Energy
16. Energy²
17. Energy³
18. Time⁴
19. Velocity⁴
20. Acceleration⁴
21. Conversion⁴

We have already proven that there are twenty-one minor dimensions of existence within GOD. We have already proven that matter, light, and energy are the three major dimensions of existence within GOD. We have already proven that each major dimension of existence within GOD is divided into seven minor dimensions of existence. We have already proven that the concepts of space, time, velocity, acceleration, and conversion apply to matter, light, and energy. Thus, we have proven that the twenty-one minor dimensions of existence within GOD equal the integration of space, time, velocity, acceleration, conversion, matter, light, and energy. We have already proven that the frequency of a vibration doubles from one octave to the next octave. We can see that the laws that apply to octaves also apply to the twenty-one minor dimensions. Minor dimensions (1,8,15), (2,9,16), (3,10,17), (4,11,18), (5,12,19), (6,13,20), and (7,14,21) function as octaves. This means that light is an octave above matter, and energy is an octave above light. Therefore, we have proven that these are the twenty-one minor dimensions of existence within GOD. Since we have proven that these are the twenty-one minor dimensions of existence within GOD, we assert that this has now become law.

Absolute Law #82 - THE TWENTY-ONE MINOR DIMENSIONS OF EXISTENCE WITHIN GOD ARE AS FOLLOWS:

1. MATTER = LENGTH
2. MATTER² = LENGTH x WIDTH = AREA
3. MATTER³ = LENGTH x WIDTH x HEIGHT = VOLUME
4. TIME
5. VELOCITY
6. ACCELERATION
7. CONVERSION
8. LIGHT

9. LIGHT²
10. LIGHT³
11. TIME²
12. VELOCITY²
13. ACCELERATION²
14. CONVERSION²
15. ENERGY
16. ENERGY²
17. ENERGY³
18. TIME⁴
19. VELOCITY⁴
20. ACCELERATION⁴
21. CONVERSION⁴

Step #84 - Realize that light is an octave above matter, and energy is an octave above light. We have observed that the laws that apply to octaves also apply to the twenty-one minor dimensions. Minor dimensions (1,8,15), (2,9,16), (3,10,17), (4,11,18), (5,12,19), (6,13,20), and (7,14,21) function as octaves. This means that light is an octave above matter, and energy is an octave above light. Therefore, we have proven that light is an octave above matter, and energy is an octave above light. Since we have proven that light is an octave above matter, and energy is an octave above light, we assert that this has now become law.

Absolute Law #83 - LIGHT IS AN OCTAVE ABOVE MATTER, AND ENERGY IS AN OCTAVE ABOVE LIGHT!

Step #85 - Realize that the matter barrier¹⁷ is the velocity at which matter will convert into light and light will convert into matter. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. Thus, we have proven that conversion is a function of velocity. This means that at some specific velocity matter will convert into light and light will convert into matter. We will label this specific velocity the matter barrier. Therefore, we have proven that the matter barrier is the velocity at which matter will convert into light and light will convert into matter. Since we have proven that the matter barrier is the velocity at which matter will convert into light and light will convert into matter, we assert that this has now become law.

¹⁷ This is a coined phrase. Matter barrier is defined as the velocity at which matter will convert into light and light will convert into matter.

Absolute Law #84 - THE MATTER BARRIER IS THE VELOCITY AT WHICH MATTER WILL CONVERT INTO LIGHT AND LIGHT WILL CONVERT INTO MATTER!

Step #86 - Realize that the light barrier¹⁸ is the velocity at which light will convert into energy and energy will convert into light. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. Thus, we have proven that conversion is a function of velocity. This means that at some specific velocity light will convert into energy and energy will convert into light. We will label this specific velocity the light barrier. Therefore, we have proven that the light barrier is the velocity at which light will convert into energy and energy will convert into light. Since we have proven that the light barrier is the velocity at which light will convert into energy and energy will convert into light, we assert that this has now become law.

Absolute Law #85 - THE LIGHT BARRIER IS THE VELOCITY AT WHICH LIGHT WILL CONVERT INTO ENERGY AND ENERGY WILL CONVERT INTO LIGHT!

Step #87 - Realize that the energy barrier¹⁹ is the velocity at which energy will convert into matter and matter will convert into energy. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that GOD can convert matter into light, light into energy, energy into matter, energy into light, light into matter, and matter into energy. Thus, we have proven that conversion is a function of velocity. This means that at some specific velocity energy will convert into matter and matter will convert into energy. We will label this specific velocity the energy barrier. Therefore, we have proven that the energy barrier is the velocity at which energy will convert into matter and matter will convert into energy. Since we have proven that the energy barrier is the velocity at which energy will convert into matter and matter will convert into energy, we assert that this has now become law.

¹⁸ This is a coined phrase. Light barrier is defined as the velocity at which light will convert into energy and energy will convert into light.

¹⁹ This is a coined phrase. Energy barrier is defined as the velocity at which energy will convert into matter and matter will convert into energy.

Absolute Law #86 - THE ENERGY BARRIER IS THE VELOCITY AT WHICH ENERGY WILL CONVERT INTO MATTER AND MATTER WILL CONVERT INTO ENERGY!

Step #88 - Realize that the energy barrier is the ultimate velocity. We have already proven that velocity is the difference between matter, light, and energy. We have already proven that the energy barrier is the velocity at which energy will convert into matter and matter will convert into energy. Thus, energy accelerates until its velocity reaches the energy barrier. When the energy barrier is reached, energy converts into matter. We know that matter is moving much slower than energy. Therefore, we know that energy was accelerating until it converted into matter. When energy converted into matter, it abruptly decelerated. Therefore, we have proven that the energy barrier is the ultimate velocity. Since we have proven that the energy barrier is the ultimate velocity, we assert that this has now become law.

Absolute Law #87 - THE ENERGY BARRIER IS THE ULTIMATE VELOCITY!

Step #89 - Realize that the energy barrier is the point where GOD becomes continuous. We have already proven that the energy barrier is the velocity at which energy will convert into matter and matter will convert into energy. We have already proven that the energy barrier is the ultimate velocity. This is the point where GOD is moving so fast that he actually collides with himself. This actually amounts to a cosmic collision. Energy that is moving at an incredible velocity completes a circle by catching and penetrating the much slower moving matter. Life is the result of the energy penetrating the matter. The matter becomes energized. Thus, matter functions as a cosmic brake, providing resistance to the flow of energy. The events that occur at the energy barrier serve to define sex within GOD. Energy continuously rapes matter to create life. Mathematically, this is the point where the largest whole number that exists joins the smallest whole number that exists to form a circle. We have already proven that GOD is continuous. Therefore, we have proven that the energy barrier is the point where GOD becomes continuous. Since we have proven that the energy barrier is the point where GOD becomes continuous, we assert that this has now become law.

Absolute Law #88 - THE ENERGY BARRIER IS THE POINT WHERE GOD BECOMES CONTINUOUS!

Step #90 - Realize that the mathematical progression for the twenty-one minor dimensions of existence within GOD is as follows:

1. $X^{0.1428571\dots} = X^{1/7} = X^1 = (m_1)^1$
2. $X^{0.2857142\dots} = X^{2/7} = X^2 = (m_2)^2$
3. $X^{0.4285714\dots} = X^{3/7} = X^3 = (m_3)^3$
4. $X^{0.5714285\dots} = X^{4/7} = X^4 = (m_4)^4$
5. $X^{0.7142857\dots} = X^{5/7} = X^5 = (m_5)^5$
6. $X^{0.8571428\dots} = X^{6/7} = X^6 = (m_6)^6$
7. $X^{1.0000000\dots} = X^1 = X^7 = (m_7)^7$
8. $X^{1.1428571\dots} = X^{8/7} = X^8 = (c_8)^8$
9. $X^{1.2857142\dots} = X^{9/7} = X^9 = (c_9)^9$
10. $X^{1.4285714\dots} = X^{10/7} = X^{10} = (c_{10})^{10}$
11. $X^{1.5714285\dots} = X^{11/7} = X^{11} = (c_{11})^{11}$
12. $X^{1.7142857\dots} = X^{12/7} = X^{12} = (c_{12})^{12}$
13. $X^{1.8571428\dots} = X^{13/7} = X^{13} = (c_{13})^{13}$
14. $X^{2.0000000\dots} = X^2 = X^{14} = (c_{14})^{14}$
15. $X^{2.2857142\dots} = X^{16/7} = X^{16} = (e_{15})^{16}$
16. $X^{2.5714285\dots} = X^{18/7} = X^{18} = (e_{16})^{18}$
17. $X^{2.8571428\dots} = X^{20/7} = X^{20} = (e_{17})^{20}$
18. $X^{3.1428571\dots} = X^{22/7} = X^{22} = (e_{18})^{22}$
19. $X^{3.4285714\dots} = X^{24/7} = X^{24} = (e_{19})^{24}$
20. $X^{3.7142857\dots} = X^{26/7} = X^{26} = (e_{20})^{26}$
21. $X^{4.0000000\dots} = X^4 = X^{28} = (e_{21})^{28}$

We have already proven that the frequency of a vibration doubles from one octave to the next octave. We have already proven that light is an octave above matter, and energy is an octave above light. We have observed that the laws that apply to octaves also apply to the twenty-one minor dimensions. Minor dimensions (1,8,15), (2,9,16), (3,10,17), (4,11,18), (5,12,19), (6,13,20), and (7,14,21) function as octaves. Therefore, we have proven that this is the mathematical progression for the twenty-one minor dimensions of existence within GOD. Since we have proven that this is the mathematical progression for the twenty-one minor dimensions of existence within GOD, we assert that this has now become law.

Absolute Law #89 - THE MATHEMATICAL PROGRESSION FOR THE TWENTY-ONE MINOR DIMENSIONS OF EXISTENCE WITHIN GOD IS AS FOLLOWS:

1. $(m_1)^1$
2. $(m_2)^2$
3. $(m_3)^3$
4. $(m_4)^4$
5. $(m_5)^5$
6. $(m_6)^6$
7. $(m_7)^7$
8. $(c_8)^8$

9. $(c_9)^9$
10. $(c_{10})^{10}$
11. $(c_{11})^{11}$
12. $(c_{12})^{12}$
13. $(c_{13})^{13}$
14. $(c_{14})^{14}$
15. $(e_{15})^{16}$
16. $(e_{16})^{18}$
17. $(e_{17})^{20}$
18. $(e_{18})^{22}$
19. $(e_{19})^{24}$
20. $(e_{20})^{26}$
21. $(e_{21})^{28}$

Step #91 - Realize that matter is measured in mass, light is measured in velocity, and energy is measured in joules. When we measure matter, we want to determine the amount of matter that is present in a given space. Mass is defined as "...a quantity or aggregate of matter usu. of considerable size..."²⁰. Therefore, mass is the appropriate unit of measurement to be used when we want to determine the amount of matter that is present in any given space. When we measure light, we are not concerned with the amount of light that there might be in a given space. We want to determine the speed of the light. Velocity is defined as "...quickness of motion : SPEED..."²¹. Therefore, velocity is the appropriate unit of measurement to be used when we want to determine the speed of any given light. When we measure energy, we are not concerned with the amount of energy that there might be in a given space. Also, when we measure energy, we are not concerned with the velocity of the energy. When we measure energy, we want to determine the capacity of the energy to do work. Energy is defined as "...the capacity of acting or being active..."²². A joule is defined as "...a unit of work or energy equal to the work done by a force of one newton acting through a distance of one meter"²³. Thus, the joule is the appropriate unit to be used when we want to determine the capacity of energy to do work. Therefore, we have proven that matter is measured in mass, light is measured in velocity, and energy is measured in joules. Since we have proven that matter is measured in mass, light is measured in velocity, and energy is measured in joules, we assert that this has now become law.

Absolute Law #90 - MATTER IS MEASURED IN MASS, LIGHT IS MEASURED IN VELOCITY, AND ENERGY IS MEASURED IN JOULES!

Step #92 - Realize that the mathematical formula for creation and destruction, which expresses the relationship between matter, light, and energy, is $E = M^4C^2$, where E = energy (measured in joules), M = matter (measured in mass), and C = light (measured in velocity). We have already proven that light is an octave above matter, and energy is an octave above light. We have already proven that the frequency of a vibration doubles from one octave to the next octave. To rise an octave, from matter to light, or from light to energy, is the mathematical equivalent of raising the power of an exponent. Therefore, if the frequency of a vibration of matter were equal to one, then the frequency of a vibration of light would be equal to two, which is double the frequency of a vibration of matter. The frequency of a vibration of energy would be equal to four, which is double the frequency of a vibration of light. Thus, we now have the information to determine the mathematical relationship that exists between matter, light, and energy. If the frequency of a vibration of energy is equal to four, and the frequency of a vibration of matter is equal to one, then matter must be multiplied by four to make it equal to energy. Therefore, the mathematical exponent of matter is four. If the frequency of a vibration of energy is equal to four, and the frequency of a vibration of light is equal to two, then light must be multiplied by two to make it equal to energy. Therefore, the mathematical exponent of light is two, and the mathematical exponent of energy is one. We have already proven that GOD creates by synthesizing the negative and the positive into the neutral. In this example, matter represents the negative, light represents the positive, and energy represents the neutral. Thus, energy represents the synthesis of matter and light. Mathematically, the synthesis of matter and light is equal to the product of matter multiplied by light. We have already proven that matter is measured in mass, light is measured in velocity, and energy is measured in joules. Therefore, we have proven that the mathematical formula for creation and destruction, which expresses the relationship between matter, light, and energy, is $E = M^4C^2$, where E = energy (measured in joules), M = matter (measured in mass), and C = light (measured in velocity). Since we have proven that the mathematical formula for creation and destruction, which expresses the relationship between matter, light, and energy, is $E = M^4C^2$, where E = energy (measured in joules), M = matter (measured in mass), and C = light (measured in velocity), we assert that this has now become law.

Absolute Law #91 - THE MATHEMATICAL FORMULA FOR CREATION AND DESTRUCTION, WHICH EXPRESSES THE RELATIONSHIP BETWEEN MATTER, LIGHT, AND ENERGY, IS $E = M^4C^2$, WHERE E = ENERGY (MEASURED IN JOULES), M = MATTER (MEASURED IN MASS), AND C = LIGHT (MEASURED IN VELOCITY)!

Step #93 - Realize that the ratio of the amount of energy that exists within GOD, to the amount of light that exists within GOD, to the amount of matter that exists within GOD, is four, to two, to one. We have already proven that light is an octave above matter, and energy is an octave above light. We have already proven that the frequency of a vibration doubles from one octave to the next octave. To rise an octave, from matter to light, or from light to energy, is the mathematical equivalent of raising the power of an exponent. Therefore, if the frequency of a vibration of matter were equal to one, then the frequency of a vibration of light would be equal to two, which is double the frequency of a vibration of matter. The frequency of a vibration of energy would be equal to four, which is double the frequency of a vibration of light. Thus, we now have the information to determine the mathematical relationship that exists between matter, light, and energy. If the frequency of a vibration of energy is equal to four, and the frequency of a vibration of matter is equal to one, then matter must be multiplied by four to make it equal to energy. This means that there is four times as much energy as matter. If the frequency of a vibration of energy is equal to four, and the frequency of a vibration of light is equal to two, then light must be multiplied by two to make it equal to energy. This means that there is twice as much energy as light. Therefore, we have proven that the ratio of the amount of energy that exists within GOD, to the amount of light that exists within GOD, to the amount of matter that exists within GOD, is four, to two, to one. Since we have proven that the ratio of the amount of energy that exists within GOD, to the amount of light that exists within GOD, to the amount of matter that exists within GOD, is four, to two, to one, we assert that this has now become law.

Absolute Law #92 - THE RATIO OF THE AMOUNT OF ENERGY THAT EXISTS WITHIN GOD, TO THE AMOUNT OF LIGHT THAT EXISTS WITHIN GOD, TO THE AMOUNT OF MATTER THAT EXISTS WITHIN GOD, IS FOUR, TO TWO, TO ONE!

Step #94 - Realize that GOD is divided into seven equal parts. We have already proven that the ratio of the amount of energy that exists within GOD, to the amount of light that exists within GOD, to the amount of matter that exists within

GOD, is four, to two, to one. We have already proven that matter, light, and energy are the three major dimensions of existence within GOD. This means that all known things are either matter, light, or energy. Thus, if GOD is composed of four parts energy, two parts light, and one part matter, then four parts, plus two parts, plus one part, equals seven parts. Therefore, we have proven that GOD is divided into seven equal parts. Since we have proven that GOD is divided into seven equal parts, we assert that this has now become law.

Absolute Law #93 - GOD IS DIVIDED INTO SEVEN EQUAL PARTS!

Step #95 - Realize that the mathematical formula for the coordinates of GOD in the twenty-first minor dimension is $[(m_1)^{28} + (m_2)^{28} + (m_3)^{28} + (m_4)^{28} + (m_5)^{28} + (m_6)^{28} + (m_7)^{28}] + [(c_8)^{28} + (c_9)^{28} + (c_{10})^{28} + (c_{11})^{28} + (c_{12})^{28} + (c_{13})^{28} + (c_{14})^{28}] + [(e_{15})^{28} + (e_{16})^{28} + (e_{17})^{28} + (e_{18})^{28} + (e_{19})^{28} + (e_{20})^{28} + (e_{21})^{28}] = 1$, where x_n = Minor Dimension #n. We already know the mathematical progression for the minor dimensional coordinates. It is as follows:

1. $A = 1$
2. $A^2 + B^2 = 1$
3. $A^3 + B^3 + C^3 = 1$
4. $A^4 + B^4 + C^4 + D^4 = 1$
5. $A^5 + B^5 + C^5 + D^5 + E^5 = 1$
6. $A^6 + B^6 + C^6 + D^6 + E^6 + F^6 = 1$
7. $A^7 + B^7 + C^7 + D^7 + E^7 + F^7 + G^7 = 1$
8. $A^8 + B^8 + C^8 + D^8 + E^8 + F^8 + G^8 + H^8 = 1$
9. $A^9 + B^9 + C^9 + D^9 + E^9 + F^9 + G^9 + H^9 + I^9 = 1$
10. $A^{10} + B^{10} + C^{10} + D^{10} + E^{10} + F^{10} + G^{10} + H^{10} + I^{10} + J^{10} = 1$
11. $A^{11} + B^{11} + C^{11} + D^{11} + E^{11} + F^{11} + G^{11} + H^{11} + I^{11} + J^{11} + K^{11} = 1$
12. $A^{12} + B^{12} + C^{12} + D^{12} + E^{12} + F^{12} + G^{12} + H^{12} + I^{12} + J^{12} + K^{12} + L^{12} = 1$
13. $A^{13} + B^{13} + C^{13} + D^{13} + E^{13} + F^{13} + G^{13} + H^{13} + I^{13} + J^{13} + K^{13} + L^{13} + M^{13} = 1$
14. $A^{14} + B^{14} + C^{14} + D^{14} + E^{14} + F^{14} + G^{14} + H^{14} + I^{14} + J^{14} + K^{14} + L^{14} + M^{14} + N^{14} = 1$
15. $A^{16} + B^{16} + C^{16} + D^{16} + E^{16} + F^{16} + G^{16} + H^{16} + I^{16} + J^{16} + K^{16} + L^{16} + M^{16} + N^{16} + O^{16} = 1$
16. $A^{18} + B^{18} + C^{18} + D^{18} + E^{18} + F^{18} + G^{18} + H^{18} + I^{18} + J^{18} + K^{18} + L^{18} + M^{18} + N^{18} + O^{18} + P^{18} = 1$
17. $A^{20} + B^{20} + C^{20} + D^{20} + E^{20} + F^{20} + G^{20} + H^{20} + I^{20} + J^{20} + K^{20} + L^{20} + M^{20} + N^{20} + O^{20} + P^{20} + Q^{20} = 1$
18. $A^{22} + B^{22} + C^{22} + D^{22} + E^{22} + F^{22} + G^{22} + H^{22} + I^{22} + J^{22} + K^{22} + L^{22} + M^{22} + N^{22} + O^{22} + P^{22} + Q^{22} + R^{22} = 1$
19. $A^{24} + B^{24} + C^{24} + D^{24} + E^{24} + F^{24} + G^{24} + H^{24} + I^{24} + J^{24} + K^{24} = 1$

$$\begin{aligned}
& + L^{24} + M^{24} + N^{24} + O^{24} + P^{24} + Q^{24} + R^{24} + S^{24} = 1 \\
20. & A^{26} + B^{26} + C^{26} + D^{26} + E^{26} + F^{26} + G^{26} + H^{26} + I^{26} + J^{26} + K^{26} \\
& + L^{26} + M^{26} + N^{26} + O^{26} + P^{26} + Q^{26} + R^{26} + S^{26} + T^{26} = 1 \\
21. & A^{28} + B^{28} + C^{28} + D^{28} + E^{28} + F^{28} + G^{28} + H^{28} + I^{28} + J^{28} + K^{28} \\
& + L^{28} + M^{28} + N^{28} + O^{28} + P^{28} + Q^{28} + R^{28} + S^{28} + T^{28} + U^{28} = \\
& 1
\end{aligned}$$

Therefore, we have proven that this is the mathematical formula for the coordinates of GOD in the twenty-first minor dimension. Since we have proven that this is the mathematical formula for the coordinates of GOD in the twenty-first minor dimension, we assert that this has now become law.

Absolute Law #94 - THE MATHEMATICAL FORMULA FOR THE COORDINATES OF GOD IN THE TWENTY-FIRST MINOR DIMENSION IS $[(m_1)^{28} + (m_2)^{28} + (m_3)^{28} + (m_4)^{28} + (m_5)^{28} + (m_6)^{28} + (m_7)^{28}] + [(c_8)^{28} + (c_9)^{28} + (c_{10})^{28} + (c_{11})^{28} + (c_{12})^{28} + (c_{13})^{28} + (c_{14})^{28}] + [(e_{15})^{28} + (e_{16})^{28} + (e_{17})^{28} + (e_{18})^{28} + (e_{19})^{28} + (e_{20})^{28} + (e_{21})^{28}] = 1$, WHERE x_n = MINOR DIMENSION #n!

Step #96 - Realize that the mathematical formula for the size of GOD in the twenty-first minor dimension is $[(m_1)(m_2)(m_3)(m_4)(m_5)(m_6)(m_7)][(c_8)(c_9)(c_{10})(c_{11})(c_{12})(c_{13})(c_{14})][(e_{15})(e_{16})(e_{17})(e_{18})(e_{19})(e_{20})(e_{21})] =$ the size of GOD, where x_n = minor dimension #n. We already know the mathematical progression for size in the minor dimensions. It is as follows:

1. A
2. A x B
3. A x B x C
4. A x B x C x D
5. A x B x C x D x E
6. A x B x C x D x E x F
7. A x B x C x D x E x F x G
8. A x B x C x D x E x F x G x H
9. A x B x C x D x E x F x G x H x I
10. A x B x C x D x E x F x G x H x I x J
11. A x B x C x D x E x F x G x H x I x J x K
12. A x B x C x D x E x F x G x H x I x J x K x L
13. A x B x C x D x E x F x G x H x I x J x K x L x M
14. A x B x C x D x E x F x G x H x I x J x K x L x M x N
15. A x B x C x D x E x F x G x H x I x J x K x L x M x N x O
16. A x B x C x D x E x F x G x H x I x J x K x L x M x N x O x P
17. A x B x C x D x E x F x G x H x I x J x K x L x M x N x O x P x Q
18. A x B x C x D x E x F x G x H x I x J x K x L x M x N x O x P x Q x R

19. A x B x C x D x E x F x G x H x I x J x K x L x M x N x
O x P x Q x R x S
20. A x B x C x D x E x F x G x H x I x J x K x L x M x N x
O x P x Q x R x S x T
21. A x B x C x D x E x F x G x H x I x J x K x L x M x N x
O x P x Q x R x S x T x U

Therefore, we have proven that this is the mathematical formula for the size of GOD in the twenty-first minor dimension. Since we have proven that this is the mathematical formula for the size of GOD in the twenty-first minor dimension, we assert that this has now become law.

Absolute Law #95 - THE MATHEMATICAL FORMULA FOR THE SIZE OF GOD IN THE TWENTY-FIRST MINOR DIMENSION IS [(m₁)(m₂)(m₃)(m₄)(m₅)(m₆)(m₇)][(c₈)(c₉)(c₁₀)(c₁₁)(c₁₂)(c₁₃)(c₁₄)][(e₁₅)(e₁₆)(e₁₇)(e₁₈)(e₁₉)(e₂₀)(e₂₁)] = THE SIZE OF GOD, WHERE x_n = MINOR DIMENSION #n!

Step #97 - Realize that GOD is the integration of matter, light, energy, space, time, velocity, acceleration, and conversion. We have already proven that GOD is the entire kingdom of existence. We know that matter, light, energy, space, time, velocity, acceleration, and conversion exist. Therefore, we have proven that matter, light, energy, space, time, velocity, acceleration, and conversion are contained within GOD. We have already proven that GOD is the only reality that exists. We have already proven that all things that exist are integrated into one thing, and that one thing is GOD. Therefore, we have proven that GOD is the integration of matter, light, energy, space, time, velocity, acceleration, and conversion. Since we have proven that GOD is the integration of matter, light, energy, space, time, velocity, acceleration, and conversion, we assert that this has now become law.

Absolute Law #96 - GOD IS THE INTEGRATION OF MATTER, LIGHT, ENERGY, SPACE, TIME, VELOCITY, ACCELERATION, AND CONVERSION!

Step #98 - Realize that the mathematical progression that illustrates how GOD divides into twenty-one minor dimensions of existence is as follows:

21. 1 reality moving in one direction
20. 3 realities moving in two directions
19. 21 realities moving in three directions
18. 63 realities moving in four directions
17. 441 realities moving in five directions
16. 1,323 realities moving in six directions
15. 9,261 realities moving in seven directions
14. 27,783 realities moving in eight directions

13. 194,481 realities moving in nine directions
12. 583,443 realities moving in ten directions
11. 4,084,101 realities moving in eleven directions
10. 12,252,303 realities moving in twelve directions
9. 85,766,121 realities moving in thirteen directions
8. 257,298,363 realities moving in fourteen directions
7. 1,801,088,541 realities moving in fifteen directions
6. 5,403,265,623 realities moving in sixteen directions
5. 37,822,859,361 realities moving in seventeen directions
4. 113,468,578,083 realities moving in eighteen directions
3. 794,280,046,581 realities moving in nineteen directions
2. 2,382,840,139,743 realities moving in twenty directions
1. 16,679,880,978,201 realities moving in twenty-one directions

(Note: The twenty-one minor dimensions of existence within GOD reveal how GOD integrates through twenty-one levels into a single reality. This mathematical progression reveals how GOD divides through twenty-one levels. Division and integration are opposites. Thus, this mathematical progression is the inverse of the mathematical progression for the twenty-one minor dimensions of existence within GOD. Since we begin with minor dimension number one when we integrate, we must begin with minor dimension number twenty-one when we divide. This explains why the order is reversed in these two progressions.) All things that exist are integrated into a single entity in the twenty-first minor dimension. We have already proven that GOD is the only reality that exists. We have already proven that GOD rotates on an axis. Thus, we have verified the fact that the twenty-first minor dimension contains one reality that is moving in one direction. We have already proven that energy is the one super dimension of existence within GOD. We have already proven that energy is neutral. Thus, the twenty-first minor dimension is composed of neutral energy. Therefore, we have verified the twenty-first minor dimension. We have already proven that matter, light, and energy are the three major dimensions of existence within GOD. Thus, we have verified the fact that matter, light, and energy are the three realities that are contained in the twentieth minor dimension. We have already proven that the total amount of positively charged matter that exists within GOD is always equal to the total amount of negatively charged antimatter that exists within GOD. We have already proven that the total amount of positively charged light that exists within GOD is always equal to the total amount of negatively charged antilight that exists within GOD. We have already proven that the total amount of positively charged energy that exists within GOD is always equal to the total amount of negatively charged antienergy that exists within GOD. Thus, we know that positively charged matter and

negatively charged antimatter are created simultaneously. We also know that positively charged light and negatively charged antilight are created simultaneously. Likewise, we know that positively charged energy and negatively charged antienergy are created simultaneously. Thus, we know that the positive direction of travel and the negative direction of travel are the two directions of travel that are contained in the twentieth minor dimension. Therefore, we have verified the fact that the twentieth minor dimension contains three realities that are moving in two directions. Thus, the twentieth minor dimension is composed of positively charged matter, negatively charged antimatter, positively charged light, negatively charged antilight, positively charged energy, and negatively charged antienergy. Therefore, we have verified the twentieth minor dimension. Notice that the twentieth minor dimension is in a state of absolute neutrality. We have already proven that matter is divided into seven minor dimensions, light is divided into seven minor dimensions, and energy is divided into seven minor dimensions. The third direction of movement that is added at this level is the neutral direction of movement, which is at a right angle to the negative and positive directions of movement that were described in the twentieth minor dimension. Thus, we have verified the fact that the nineteenth minor dimension contains twenty-one realities that are moving in three directions. Therefore, the nineteenth minor dimension is composed of the following:

1. Seven divisions of positively charged matter,
2. Seven divisions of neutrally charged matter,
3. Seven divisions of negatively charged antimatter,
4. Seven divisions of positively charged light,
5. Seven divisions of neutrally charged light,
6. Seven divisions of negatively charged antilight,
7. Seven divisions of positively charged energy,
8. Seven divisions of neutrally charged energy,
9. Seven divisions of negatively charged antienergy.

Thus, we have verified the nineteenth minor dimension. Notice that the nineteenth minor dimension is in a state of absolute neutrality. A state of absolute neutrality exists in each of the twenty-one minor dimensions. At this point, we have verified the top three levels of existence within GOD. The top three levels of existence within GOD reveal the whole story. As GOD continues to divide through the eighteen remaining levels, GOD simply repeats, and continues repeating, the pattern that has already been established. One divides into three. Each one of the three divides into seven. At this point, one has divided into twenty-one. A circle has been completed. Each one of the twenty-one divides into three. Each one of the three divides into seven.

This pattern keeps repeating through the first minor dimension. When we descend from one minor dimension to the next, we add a direction of movement. This pattern also continues through the first minor dimension. Therefore, we have proven that this is the mathematical progression that illustrates how GOD divides into twenty-one minor dimensions of existence. Since we have proven that this is the mathematical progression that illustrates how GOD divides into twenty-one minor dimensions of existence, we assert that this has now become law.

Absolute Law #97 - THE MATHEMATICAL PROGRESSION THAT ILLUSTRATES HOW GOD DIVIDES INTO TWENTY-ONE MINOR DIMENSIONS OF EXISTENCE IS AS FOLLOWS:

21. 1 REALITY MOVING IN ONE DIRECTION
20. 3 REALITIES MOVING IN TWO DIRECTIONS
19. 21 REALITIES MOVING IN THREE DIRECTIONS
18. 63 REALITIES MOVING IN FOUR DIRECTIONS
17. 441 REALITIES MOVING IN FIVE DIRECTIONS
16. 1,323 REALITIES MOVING IN SIX DIRECTIONS
15. 9,261 REALITIES MOVING IN SEVEN DIRECTIONS
14. 27,783 REALITIES MOVING IN EIGHT DIRECTIONS
13. 194,481 REALITIES MOVING IN NINE DIRECTIONS
12. 583,443 REALITIES MOVING IN TEN DIRECTIONS
11. 4,084,101 REALITIES MOVING IN ELEVEN DIRECTIONS
10. 12,252,303 REALITIES MOVING IN TWELVE DIRECTIONS
9. 85,766,121 REALITIES MOVING IN THIRTEEN DIRECTIONS
8. 257,298,363 REALITIES MOVING IN FOURTEEN DIRECTIONS
7. 1,801,088,541 REALITIES MOVING IN FIFTEEN DIRECTIONS
6. 5,403,265,623 REALITIES MOVING IN SIXTEEN DIRECTIONS
5. 37,822,859,361 REALITIES MOVING IN SEVENTEEN DIRECTIONS
4. 113,468,578,083 REALITIES MOVING IN EIGHTEEN DIRECTIONS
3. 794,280,046,581 REALITIES MOVING IN NINETEEN DIRECTIONS
2. 2,382,840,139,743 REALITIES MOVING IN TWENTY DIRECTIONS
1. 16,679,880,978,201 REALITIES MOVING IN TWENTY-ONE DIRECTIONS

Step #99 - Realize that the mathematical formula that illustrates how GOD integrates and divides is $[(m^-_1)(m^-_2)(m^-_3)(m^-_4)(m^-_5)(m^-_6)(m^-_7)][(m^n_1)(m^n_2)(m^n_3)(m^n_4)(m^n_5)(m^n_6)(m^n_7)][(m^+_1)(m^+_2)(m^+_3)(m^+_4)(m^+_5)(m^+_6)(m^+_7)][(c^-_1)(c^-_2)(c^-_3)(c^-_4)(c^-_5)(c^-_6)(c^-_7)][(c^n_1)(c^n_2)(c^n_3)(c^n_4)(c^n_5)(c^n_6)(c^n_7)][(c^+_1)(c^+_2)(c^+_3)(c^+_4)(c^+_5)(c^+_6)(c^+_7)][(e^-_1)(e^-_2)(e^-_3)(e^-_4)(e^-_5)(e^-_6)(e^-_7)][(e^n_1)(e^n_2)(e^n_3)(e^n_4)(e^n_5)(e^n_6)(e^n_7)][(e^+_1)(e^+_2)(e^+_3)(e^+_4)(e^+_5)(e^+_6)(e^+_7)] = [(m^-)(m^+)(c^-)(c^+)(e^-)(e^+)] = E^n$, where m = matter, c = light, e = energy, superscripts = charge, subscripts = partition #, and E = unified energy. These three mathematical expressions represent the nineteenth, twentieth, and twenty-first minor dimensions of existence within GOD, respectively. We

have already proven that this is the way that GOD divides into twenty-one minor dimensions of existence. (Note: We will not list the mathematical formulas for the remaining eighteen minor dimensions of existence. We know what these formulas are, but they are too large and cumbersome to list. Also, we have already shown that the mathematical progression, which is revealed in this formula, repeats itself, over and over, as GOD continues to divide through the first minor dimension of existence.) Therefore, we have proven that this is the mathematical formula that illustrates how GOD integrates and divides. Since we have proven that this is the mathematical formula that illustrates how GOD integrates and divides, we assert that this has now become law.

Absolute Law #98 - THE MATHEMATICAL FORMULA THAT ILLUSTRATES HOW GOD INTEGRATES AND DIVIDES IS $[(m^-_1)(m^-_2)(m^-_3)(m^-_4)(m^-_5)(m^-_6)(m^-_7)] [(m^n_1)(m^n_2)(m^n_3)(m^n_4)(m^n_5)(m^n_6)(m^n_7)] [(m^+_1)(m^+_2)(m^+_3)(m^+_4)(m^+_5)(m^+_6)(m^+_7)] [(c^-_1)(c^-_2)(c^-_3)(c^-_4)(c^-_5)(c^-_6)(c^-_7)] [(c^n_1)(c^n_2)(c^n_3)(c^n_4)(c^n_5)(c^n_6)(c^n_7)] [(c^+_1)(c^+_2)(c^+_3)(c^+_4)(c^+_5)(c^+_6)(c^+_7)] [(e^-_1)(e^-_2)(e^-_3)(e^-_4)(e^-_5)(e^-_6)(e^-_7)] [(e^n_1)(e^n_2)(e^n_3)(e^n_4)(e^n_5)(e^n_6)(e^n_7)] [(e^+_1)(e^+_2)(e^+_3)(e^+_4)(e^+_5)(e^+_6)(e^+_7)] = [(m^-)(m^+)(c^-)(c^+)(e^-)(e^+)] = E^n$, WHERE m = MATTER, c = LIGHT, e = ENERGY, SUPERSCRIPTS = CHARGE, SUBSCRIPTS = PARTITION #, and E = UNIFIED ENERGY!

Step #100 - Realize that the mathematical formula for nuclear fusion is $[(m^-)(m^+)(c^-)(c^+)(e^-)(e^+)] = E^n$, where m = matter, c = light, e = energy, superscripts = charge, and E = unified energy. The object of nuclear fusion is to produce energy. We know that integration and division are opposites. We have already proven how unified energy divides. Thus, we have proven how to integrate unified energy. Therefore, we have proven that this is the mathematical formula for nuclear fusion. Since we have proven that this is the mathematical formula for nuclear fusion, we assert that this has now become law.

Absolute Law #99 - THE MATHEMATICAL FORMULA FOR NUCLEAR FUSION IS $[(m^-)(m^+)(c^-)(c^+)(e^-)(e^+)] = E^n$, WHERE m = MATTER, c = LIGHT, e = ENERGY, SUPERSCRIPTS = CHARGE, AND E = UNIFIED ENERGY!

Step #101 - Realize that the mathematical formula for the total number of divisions that are contained in a minor dimension is (total number of realities that are contained in minor dimension #n)(total number of directions of travel that are contained in minor dimension #n) = total number of divisions that are contained in minor dimension #n. We have already proven how GOD divides through the twenty-one minor dimensions of existence. We have already proven the mathematical expressions

for the twenty-first minor dimension, the twentieth minor dimension, and the nineteenth minor dimension. We observe that this mathematical formula is valid for the twenty-first minor dimension, the twentieth minor dimension, and the nineteenth minor dimension. When we substitute values from absolute law #97 into the mathematical formula for the total number of divisions that are contained in a minor dimension, we find the following:

- 21. $(1)(1) = 1$
- 20. $(3)(2) = 6$
- 19. $(21)(3) = 63$

When we list the mathematical expressions contained in absolute law #98, we find the following:

- 21. E^n
- 20. $[(m^-)(m^+)(c^-)(c^+)(e^-)(e^+)]$
- 19. $[(m^-_1)(m^-_2)(m^-_3)(m^-_4)(m_5)(m_6)(m_7)][(m^{n_1})(m^{n_2})(m^{n_3})(m^{n_4})(m^{n_5})(m^{n_6})(m^{n_7})][(m^+_1)(m^+_2)(m^+_3)(m^+_4)(m^+_5)(m^+_6)(m^+_7)][(c^-_1)(c^-_2)(c^-_3)(c^-_4)(c^-_5)(c^-_6)(c^-_7)][(c^{n_1})(c^{n_2})(c^{n_3})(c^{n_4})(c^{n_5})(c^{n_6})(c^{n_7})][(c^+_1)(c^+_2)(c^+_3)(c^+_4)(c^+_5)(c^+_6)(c^+_7)][(e^-_1)(e^-_2)(e^-_3)(e^-_4)(e^-_5)(e^-_6)(e^-_7)][(e^{n_1})(e^{n_2})(e^{n_3})(e^{n_4})(e^{n_5})(e^{n_6})(e^{n_7})][(e^+_1)(e^+_2)(e^+_3)(e^+_4)(e^+_5)(e^+_6)(e^+_7)]$

When we count the number of variables contained in each of these three mathematical expressions, we find that the mathematical formula for the total number of divisions that are contained in a minor dimension is valid. (Note: This mathematical formula is valid for all twenty-one minor dimensions, but we will not attempt to verify the remaining eighteen minor dimensions of existence. The only reason that we will not verify these eighteen remaining minor dimensions is that the mathematical formulas are too long and cumbersome to list.) Therefore, we have proven that this is the mathematical formula for the total number of divisions that are contained in a minor dimension. Since we have proven that this is the mathematical formula for the total number of divisions that are contained in a minor dimension, we assert that this has now become law.

Absolute Law #100 - THE MATHEMATICAL FORMULA FOR THE TOTAL NUMBER OF DIVISIONS THAT ARE CONTAINED IN A MINOR DIMENSION IS (TOTAL NUMBER OF REALITIES THAT ARE CONTAINED IN MINOR DIMENSION #n)(TOTAL NUMBER OF DIRECTIONS OF TRAVEL THAT ARE CONTAINED IN MINOR DIMENSION #n) = TOTAL NUMBER OF DIVISIONS THAT ARE CONTAINED IN MINOR DIMENSION #n!

Step #102 - Realize that the total number of divisions that exists in each of the twenty-one minor dimensions of existence within GOD is as follows:

- 21. $(1)(1) = 1$
- 20. $(3)(2) = 6$

19. $(21)(3) = 63$
18. $(63)(4) = 252$
17. $(441)(5) = 2,205$
16. $(1,323)(6) = 7,938$
15. $(9,261)(7) = 64,827$
14. $(27,783)(8) = 222,264$
13. $(194,481)(9) = 1,750,329$
12. $(583,443)(10) = 5,834,430$
11. $(4,084,101)(11) = 44,925,111$
10. $(12,252,303)(12) = 147,027,636$
9. $(85,766,121)(13) = 1,114,959,573$
8. $(257,298,363)(14) = 3,602,177,082$
7. $(1,801,088,541)(15) = 27,016,328,115$
6. $(5,403,265,623)(16) = 86,452,249,968$
5. $(37,822,859,361)(17) = 642,988,609,137$
4. $(113,468,578,083)(18) = 2,142,434,405,494$
3. $(794,280,046,581)(19) = 15,091,320,886,039$
2. $(2,382,840,139,743)(20) = 47,656,802,794,860$
1. $(16,679,880,978,201)(21) = 350,277,500,542,221$

We have already proven in absolute law #100 that these are the total number of divisions that are contained in each of the twenty-one minor dimensions of existence within GOD. Therefore, we have proven that these are the total number of divisions that are contained in each of the twenty-one minor dimensions of existence within GOD. Since we have proven that these are the total number of divisions that are contained in each of the twenty-one minor dimensions of existence within GOD, we assert that this has now become law.

Absolute Law #101 - THE TOTAL NUMBER OF DIVISIONS THAT EXISTS IN EACH OF THE TWENTY-ONE MINOR DIMENSIONS OF EXISTENCE WITHIN GOD IS AS FOLLOWS:

21. $(1)(1) = 1$
20. $(3)(2) = 6$
19. $(21)(3) = 63$
18. $(63)(4) = 252$
17. $(441)(5) = 2,205$
16. $(1,323)(6) = 7,938$
15. $(9,261)(7) = 64,827$
14. $(27,783)(8) = 222,264$
13. $(194,481)(9) = 1,750,329$
12. $(583,443)(10) = 5,834,430$
11. $(4,084,101)(11) = 44,925,111$
10. $(12,252,303)(12) = 147,027,636$
9. $(85,766,121)(13) = 1,114,959,573$
8. $(257,298,363)(14) = 3,602,177,082$
7. $(1,801,088,541)(15) = 27,016,328,115$

6. (5,403,265,623)(16) = 86,452,249,968
5. (37,822,859,361)(17) = 642,988,609,137
4. (113,468,578,083)(18) = 2,142,434,405,494
3. (794,280,046,581)(19) = 15,091,320,886,039
2. (2,382,840,139,743)(20) = 47,656,802,794,860
1. (16,679,880,978,201)(21) = 350,277,500,542,221

Step #103 - Realize that the mathematical formula for the largest whole number that exists within GOD is $[(m_1)^{28} + (m_2)^{28} + (m_3)^{28} + (m_4)^{28} + (m_5)^{28} + (m_6)^{28} + (m_7)^{28}] + [(c_8)^{28} + (c_9)^{28} + (c_{10})^{28} + (c_{11})^{28} + (c_{12})^{28} + (c_{13})^{28} + (c_{14})^{28}] + [(e_{15})^{28} + (e_{16})^{28} + (e_{17})^{28} + (e_{18})^{28} + (e_{19})^{28} + (e_{20})^{28} + (e_{21})^{28}] =$ the largest whole number that exists within GOD, where $x_n =$ minor dimension #n. This mathematical formula is derived from the mathematical formula that is revealed in absolute law #94. We have already proven that GOD is finite. We have already proven that GOD is continuous. Mathematics is an absolute science. This means that mathematics must be consistent with the laws of GOD. We have already proven that GOD travels a circular path. We have already proven that GOD is everything. We know that mathematics is a part of everything. Therefore, we know that mathematics must travel a circular path. Thus, mathematics must be based upon a circular model. This means that our number system must be circular. Thus, a circle is formed causing the largest whole number that exists to be followed by the smallest whole number that exists. The smallest whole number that exists is the number one. Mathematics describes absolute reality. This mathematical calculation, which is based upon absolute reality, yields a larger result than any other real mathematical calculation. Thus, this is the ultimate mathematical calculation. The mathematical formula that is contained in absolute law #94 reveals the absolute total number of divisions that exists within GOD. This means that the number one can be divided into the number of equal sections revealed by the left side of this equation. Generally, this formula states that division equals unity. When we substitute an unknown for the number one on the right side of this equation, we change its meaning. This derived formula generally states that the absolute total number of divisions that exist within GOD is equal to X. Thus, X equals the largest whole number that exists within GOD. Therefore, we have proven that this is the mathematical formula for the largest whole number that exists within GOD. Since we have proven that this is the mathematical formula for the largest whole number that exists within GOD, we assert that this has now become law.

Absolute Law #102 - THE MATHEMATICAL FORMULA FOR THE LARGEST WHOLE NUMBER THAT EXISTS WITHIN GOD IS $[(m_1)^{28} + (m_2)^{28} + (m_3)^{28} + (m_4)^{28} + (m_5)^{28} + (m_6)^{28} + (m_7)^{28}] + [(c_8)^{28} + (c_9)^{28} + (c_{10})^{28} + (c_{11})^{28} + (c_{12})^{28} + (c_{13})^{28} + (c_{14})^{28}] + [(e_{15})^{28} + (e_{16})^{28} + (e_{17})^{28} + (e_{18})^{28} + (e_{19})^{28} + (e_{20})^{28} + (e_{21})^{28}] = \text{THE LARGEST WHOLE NUMBER THAT EXISTS WITHIN GOD, WHERE } x_n = \text{MINOR DIMENSION \#n!}$

Step #104 - Realize that the mathematical expression for the largest whole number that exists within GOD is $[(350,277,500,542,221)^{28} + (47,656,802,794,860)^{28} + (15,091,320,886,039)^{28} + (2,142,434,405,494)^{28} + (642,988,609,137)^{28} + (86,452,249,968)^{28} + (27,016,328,115)^{28}] + [(3,602,177,082)^{28} + (1,114,959,573)^{28} + (147,027,636)^{28} + (44,925,111)^{28} + (5,834,430)^{28} + (1,750,329)^{28} + (222,264)^{28}] + [(64,827)^{28} + (7,938)^{28} + (2,205)^{28} + (252)^{28} + (63)^{28} + (6)^{28} + (1)^{28}] = \text{the largest whole number that exists within GOD. We have already proven that this is the mathematical formula for the largest whole number that exists within GOD. We obtain this mathematical expression when we substitute values from Absolute Law #101 into this mathematical formula. Therefore, we have proven that this is the mathematical expression for the largest whole number that exists within GOD. Since we have proven that this is the mathematical expression for the largest whole number that exists within GOD, we assert that this has now become law.}$

Absolute Law #103 - THE MATHEMATICAL EXPRESSION FOR THE LARGEST WHOLE NUMBER THAT EXISTS WITHIN GOD IS $[(350,277,500,542,221)^{28} + (47,656,802,794,860)^{28} + (15,091,320,886,039)^{28} + (2,142,434,405,494)^{28} + (642,988,609,137)^{28} + (86,452,249,968)^{28} + (27,016,328,115)^{28}] + [(3,602,177,082)^{28} + (1,114,959,573)^{28} + (147,027,636)^{28} + (44,925,111)^{28} + (5,834,430)^{28} + (1,750,329)^{28} + (222,264)^{28}] + [(64,827)^{28} + (7,938)^{28} + (2,205)^{28} + (252)^{28} + (63)^{28} + (6)^{28} + (1)^{28}] = \text{THE LARGEST WHOLE NUMBER THAT EXISTS WITHIN GOD!}$

Step #105 - Realize that the mathematical derivative of minor dimension #n is equal to minor dimension #n-1. The second derivative of minor dimension #n is equal to minor dimension #n-2. This progression continues so that the twentieth derivative of the twenty-first minor dimension is equal to minor dimension number one. Mankind is already aware of this relationship that exists between the dimensions and the mathematical derivative. Therefore, because this has already been proven to be true, we do not have to prove that this is true. Since this has already been proven to be true, we assert that this has now become law.

Absolute Law #104 - THE MATHEMATICAL DERIVATIVE OF MINOR DIMENSION #n IS EQUAL TO MINOR DIMENSION #n-1! THE SECOND DERIVATIVE OF MINOR DIMENSION #n IS EQUAL TO MINOR DIMENSION #n-2! THIS PROGRESSION CONTINUES SO THAT THE TWENTIETH DERIVATIVE OF THE TWENTY-FIRST MINOR DIMENSION IS EQUAL TO MINOR DIMENSION NUMBER ONE!

Step #106 - Realize that the mathematical integral of minor dimension #n is equal to minor dimension #n+1. The second integral of minor dimension #n is equal to minor dimension #n+2. This progression continues so that the twentieth integral of the first minor dimension is equal to minor dimension number twenty-one. Mankind is already aware of this relationship that exists between the dimensions and the mathematical integral. Therefore, because this has already been proven to be true, we do not have to prove that this is true. Since this has already been proven to be true, we assert that this has now become law.

Absolute Law #105 - THE MATHEMATICAL INTEGRAL OF MINOR DIMENSION #n IS EQUAL TO MINOR DIMENSION #n+1! THE SECOND INTEGRAL OF MINOR DIMENSION #n IS EQUAL TO MINOR DIMENSION #n+2! THIS PROGRESSION CONTINUES SO THAT THE TWENTIETH INTEGRAL OF THE FIRST MINOR DIMENSION IS EQUAL TO MINOR DIMENSION NUMBER TWENTY-ONE!

Step #107 - Realize that time is a function of velocity. We know that the faster a thing is moving, the quicker it will arrive at any given destination. Therefore, we already know that time is a function of velocity. We have actually been able to verify this fact through human observation and measurement. We have proven that an astronaut who is orbiting the Earth in a spacecraft is slightly younger than he would have been if he had remained upon the Earth. This difference in time occurs because the astronaut was moving at a greater velocity in the spacecraft. Therefore, we have proven that time is a function of velocity. Since we have proven that time is a function of velocity, we assert that this has now become law.

Absolute Law #106 - TIME IS A FUNCTION OF VELOCITY!

Step #108 - Realize that time travel is not only possible, it is unavoidable. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD is in perpetual motion. Thus, we have proven that the entire kingdom of existence is in perpetual motion. We know that time is a part of the entire kingdom of existence. Thus, we have proven that time is in perpetual motion. Therefore, we have proven that time

travel is not only possible, it is unavoidable. Since we have proven that time travel is not only possible, it is unavoidable, we assert that this has now become law.

Absolute Law #107 - TIME TRAVEL IS NOT ONLY POSSIBLE, IT IS UNAVOIDABLE!

Step #109 - Realize that time is in perpetual motion. We have already proven that GOD is the entire kingdom of existence. We have already proven that GOD is in perpetual motion. Thus, we have proven that the entire kingdom of existence is in perpetual motion. We know that time is a part of the entire kingdom of existence. Therefore, we have proven that time is in perpetual motion. Since we have proven that time is in perpetual motion, we assert that this has now become law.

Absolute Law #108 - TIME IS IN PERPETUAL MOTION!

Step #110 - Realize that time travel into the future occurs when the velocity of an object is decreased. We have already proven that time is a function of velocity. The mathematical formula for determining constant velocity is $V_c = d/t$, where V_c = constant velocity, d = distance traveled, and t = elapsed time. Thus, we observe that as the velocity of an object is decreased, the distance traveled decreases, and the elapsed time increases. An increase in elapsed time equals travel into the future. Therefore, we have proven that time travel into the future occurs when the velocity of an object is decreased. Since we have proven that time travel into the future occurs when the velocity of an object is decreased, we assert that this has now become law.

Absolute Law #109 - TIME TRAVEL INTO THE FUTURE OCCURS WHEN THE VELOCITY OF AN OBJECT IS DECREASED!

Step #111 - Realize that time travel into the past occurs when the velocity of an object is increased. We have already proven that time is a function of velocity. The mathematical formula for determining constant velocity is $V_c = d/t$, where V_c = constant velocity, d = distance traveled, and t = elapsed time. Thus, we observe that as the velocity of an object is increased, the distance traveled increases, and the elapsed time decreases. A decrease in elapsed time equals travel into the past. Therefore, we have proven that time travel into the past occurs when the velocity of an object is increased. Since we have proven that time travel into the past occurs when the velocity

of an object is increased, we assert that this has now become law.

Absolute Law #110 - TIME TRAVEL INTO THE PAST OCCURS WHEN THE VELOCITY OF AN OBJECT IS INCREASED!

Step #112 - Realize that velocity is the integration of space and time. Velocity relates to both space and time. Thus, velocity is expressed in units of space-time. This means that space and time move together as one. Velocity is expressed in units of distance traveled per unit of elapsed time. Seventy-seven miles per hour is an example of velocity. This means that an object will travel a distance of seventy-seven miles in one hour if its velocity remains constant. We already know the mathematical formula for determining constant velocity. The mathematical formula for determining constant velocity is $V_c = d/t$, where V_c = constant velocity, d = distance traveled, and t = elapsed time. Thus, the mathematical formula for determining constant velocity verifies the fact that velocity is the integration of space and time. On one side of this equation, we have constant velocity, which is a singular expression. On the other side of this equation, we have both distance (space) and time. Distance (space) and time are two concepts. Thus, space and time integrate to form velocity. Therefore, we have proven that velocity is the integration of space and time. Since we have proven that velocity is the integration of space and time, we assert that this has now become law.

Absolute Law #111 - VELOCITY IS THE INTEGRATION OF SPACE AND TIME!

Step #113 - Realize that velocity is the difference between the past, the present, and the future. We have already proven that time is a function of velocity. This means that velocity is the difference between the past, the present, and the future. Therefore, we have proven that velocity is the difference between the past, the present, and the future. Since we have proven that velocity is the difference between the past, the present, and the future, we assert that this has now become law.

Absolute Law #112 - VELOCITY IS THE DIFFERENCE BETWEEN THE PAST, THE PRESENT, AND THE FUTURE!

Step #114 - Realize that there are twenty-one mini dimensions of existence within GOD that relate to time. We have already proven that there are twenty-one minor dimensions of existence within GOD. We have already proven that GOD is the

entire kingdom of existence. Therefore, we have proven that there are twenty-one minor dimensions of existence within GOD that relate to all things that exist. We know that time exists. Therefore, we have proven that there are twenty-one dimensions of existence within GOD that relate to time. This means that time is divided into twenty-one equal sections. Time itself is the fourth minor dimension of existence within GOD. Since time is a minor dimension, it is appropriate to label the twenty-one dimensions of time as mini dimensions. Therefore, we have proven that there are twenty-one mini dimensions of existence within GOD that relate to time. Since we have proven that there are twenty-one mini dimensions of existence within GOD that relate to time, we assert that this has now become law.

Absolute Law #113 - THERE ARE TWENTY-ONE MINI DIMENSIONS OF EXISTENCE WITHIN GOD THAT RELATE TO TIME!

Step #115 - Realize that the present is an octave above the past, and the future is an octave above the present. We have already proven that there are twenty-one mini dimensions of existence within GOD that relate to time. This means that time is divided into twenty-one equal portions. We also know that time is divided into the past, the present, and the future. Therefore, time is also divided into three equal portions. We know that the past occurred before the present. We also know that the present occurs before the future. Thus, the first set of seven mini dimensions is the past. The second set of seven mini dimensions is the present. The third set of seven mini dimensions is the future. Therefore, we observe that mini dimensions (1,8,15), (2,9,16), (3,10,17), (4,11,18), (5,12,19), (6,13,20), and (7,14,21) function as octaves. This means that the present is an octave above the past, and the future is an octave above the present. Therefore, we have proven that the present is an octave above the past, and the future is an octave above the present. Since we have proven that the present is an octave above the past, and the future is an octave above the present, we assert that this has now become law.

Absolute Law #114 - THE PRESENT IS AN OCTAVE ABOVE THE PAST, AND THE FUTURE IS AN OCTAVE ABOVE THE PRESENT!

Step #116 - Realize that the mathematical formulas for the past, the present, and the future are as follows:

1. The Past = $[(t_1) + (t_2) + (t_3) + (t_4) + (t_5) + (t_6) + (t_7)]$, where t_n = mini dimension of time #n.
2. The Present = $[(t_8) + (t_9) + (t_{10}) + (t_{11}) + (t_{12}) + (t_{13}) + (t_{14})]$, where t_n = mini dimension of time #n.

3. The Future = $[(t_{15}) + (t_{16}) + (t_{17}) + (t_{18}) + (t_{19}) + (t_{20}) + (t_{21})]$, where t_n = mini dimension of time #n.

We have already proven that there are twenty-one mini dimensions of existence within GOD that relate to time. This means that time is divided into twenty-one equal portions. We know that time is also divided into the past, the present, and the future. Thus, twenty-one divided by three equals seven. Therefore, we know that there are seven mini dimensions of time that comprise the past, seven mini dimensions of time that comprise the present, and seven mini dimensions of time that comprise the future. We have already proven that the present is an octave above the past, and the future is an octave above the present. Therefore, we have proven that these are the mathematical formulas for the past, the present, and the future. Since we have proven that these are the mathematical formulas for the past, the present, and the future, we assert that this has now become law.

Absolute Law #115 - THE MATHEMATICAL FORMULAS FOR THE PAST, THE PRESENT, AND THE FUTURE ARE AS FOLLOWS:

1. THE PAST = $[(t_1) + (t_2) + (t_3) + (t_4) + (t_5) + (t_6) + (t_7)]$, WHERE t_n = MINI DIMENSION OF TIME #n.
2. THE PRESENT = $[(t_8) + (t_9) + (t_{10}) + (t_{11}) + (t_{12}) + (t_{13}) + (t_{14})]$, WHERE t_n = MINI DIMENSION OF TIME #n.
3. THE FUTURE = $[(t_{15}) + (t_{16}) + (t_{17}) + (t_{18}) + (t_{19}) + (t_{20}) + (t_{21})]$, WHERE t_n = MINI DIMENSION OF TIME #n.

Step #117 - Realize that the mathematical progression for the twenty-one mini dimensions of existence within GOD that relate to time is as follows:

1. A
2. A + B
3. A + B + C
4. A + B + C + D
5. A + B + C + D + E
6. A + B + C + D + E + F
7. A + B + C + D + E + F + G
8. A + B + C + D + E + F + G + H
9. A + B + C + D + E + F + G + H + I
10. A + B + C + D + E + F + G + H + I + J
11. A + B + C + D + E + F + G + H + I + J + K
12. A + B + C + D + E + F + G + H + I + J + K + L
13. A + B + C + D + E + F + G + H + I + J + K + L + M
14. A + B + C + D + E + F + G + H + I + J + K + L + M + N
15. A + B + C + D + E + F + G + H + I + J + K + L + M + N + O
16. A + B + C + D + E + F + G + H + I + J + K + L + M + N + O

- O + P
17. A + B + C + D + E + F + G + H + I + J + K + L + M + N +
O + P + Q

We are very familiar with this mathematical progression. We use it daily to determine the correct time. Therefore, we have proven that this is the mathematical progression for the twenty-one mini dimensions of existence within GOD that relate to time. Since we have proven that this is the mathematical progression for the twenty-one mini dimensions of existence within GOD that relate to time, we assert that this has now become law.

Absolute Law #116 - THE MATHEMATICAL PROGRESSION FOR THE TWENTY-ONE MINI DIMENSIONS OF EXISTENCE WITHIN GOD THAT RELATE TO TIME IS AS FOLLOWS:

1. A
2. A + B
3. A + B + C
4. A + B + C + D

Step #118 - Realize that the twenty-one mini dimensions of existence within GOD that relate to time are as follows:

1. (t₁)
2. (t₂)
3. (t₃)
4. (t₄)
5. (t₅)

We have already proven the mathematical progression for the twenty-one mini dimensions of existence within GOD that relate to time. Therefore, we have proven that these are the twenty-one mini dimensions of existence within GOD that relate to time. Since we have proven that these are the twenty-one mini dimensions of existence within GOD that relate to time, we assert that this has now become law.

Step #119 - Realize that time is calibrated by setting one complete revolution of the Earth upon its axis to be equal to twenty-one hours. We know that it takes the Earth one day to complete one revolution upon its axis. Therefore, we know that one day represents a whole unit of time. We have proven that there are twenty-one mini dimensions of existence within GOD that relate to time. This means that time is divided into twenty-one equal portions. Thus, one day is divided into twenty-one hours. Therefore, we have proven that time is calibrated by setting one complete revolution of the Earth upon its axis to be equal to twenty-one hours. Since we have proven that time is calibrated by setting one complete revolution of the Earth upon its axis to be equal to twenty-one hours, we assert that this has now become law.

Absolute Law #118 - TIME IS CALIBRATED BY SETTING ONE COMPLETE REVOLUTION OF THE EARTH UPON ITS AXIS TO BE EQUAL TO TWENTY-ONE HOURS!

Step #120 - Realize that time was marked at the death of JESUS. We have already proven that time is in perpetual motion. Thus, we know that time never stops. Our current system of tracking time is based upon the fact that time began at the death of JESUS. We already know that this is true. Therefore, we are not required to prove that this is true. Since we already know that this is true, we assert that this has now become law.

Absolute Law #119 - TIME WAS MARKED AT THE DEATH OF JESUS!

Step #121 - Realize that when GOD completes one revolution upon his axis, history begins to repeat itself. We have already proven that GOD travels a circular path. We know that a thing that travels a circular path travels forever. We also know that a thing that travels a circular path is destined to repeat its path, over and over. We have already proven that GOD is the only

reality that exists. Thus, we know that any history that exists has to relate to GOD. Therefore, we have proven that when GOD completes one revolution upon his axis, history begins to repeat itself. Since we have proven that when GOD completes one revolution upon his axis, history begins to repeat itself, we assert that this has now become law.

Absolute Law #120 - WHEN GOD COMPLETES ONE REVOLUTION UPON HIS AXIS, HISTORY BEGINS TO REPEAT ITSELF!

Step #122 - Realize that GOD takes twenty-one centuries to complete one revolution upon his axis. We have already proven that there are twenty-one dimensions of existence within GOD that relate to time. This means that time is divided into twenty-one equal portions. We know that one revolution is equal to the whole. Therefore, we know that one revolution is divided into twenty-one equal segments of time. Thus, we need to know how much time is contained in one of these segments. We know that time is further divided into the past, the present, and the future. Therefore, twenty-one divided by three equals seven. Thus, there are seven equal portions of time that relate to the past, seven equal portions of time that relate to the present, and seven equal portions of time that relate to the future. We have already proven that when GOD completes one revolution upon his axis, history begins to repeat itself. Therefore, we now have the information to determine which unit of time is equal to one of these twenty-one equal portions of time. We have already proven that the death of JESUS serves as a mark in time. Since history begins to repeat itself when GOD completes one revolution upon his axis, we know that the death of JESUS will mark the amount of time that it takes for GOD to complete one revolution upon his axis. Thus, we can determine, by trial and error, that a decade is too small a unit of time. If each portion of time were equal to a decade, history would repeat itself every two hundred and ten years. This would mean that, since he was crucified, JESUS has experienced death upon the Earth every two hundred and ten years. There is no evidence to suggest that this has happened. Therefore, we reject the notion that it takes GOD two hundred and ten years to complete one revolution upon his axis. We can determine, by trial and error, that a millennium is too large a unit of time. If each portion of time were equal to a millennium, it would be approximately another nineteen thousand years before JESUS experiences death upon the Earth again. In order to absolutely prove or disprove when JESUS will experience death upon the Earth again, we are required to wait until this event actually occurs. Thus, since we are attempting to determine the timing of an event that is

destined to occur in the future, we are forced to deal with probability rather than fact. We submit that it is improbable that we can wait approximately nineteen thousand years for JESUS to return to the Earth. Also, if each portion of time were equal to a millennium, it would mean that we are living in the past. In fact, it would mean that we would remain in the past for approximately the next five thousand years. Although this is theoretically possible, it seems highly improbable. Therefore, we reject the notion that it takes GOD twenty-one millenniums to complete one revolution upon his axis. Thus, if a decade is too small a unit of time, and a millennium is too large a unit of time, then it must take GOD twenty-one centuries to complete one revolution upon his axis. If each portion of time were equal to a century, then this would mean that JESUS would experience death upon the Earth again in the year 2100 A.D. This would seem to be more probable than the other two alternatives that we have considered. This would mean that we are currently living in the future. In fact, this would mean that in the year 2100 A.D. the future would become the past, and time would reset to zero. Again, this alternative seems to be more probable than the other two alternatives that we have considered. Thus, we accept the notion that it takes GOD twenty-one centuries to complete one revolution upon his axis. Therefore, we have proven, by trial and error, that GOD takes twenty-one centuries to complete one revolution upon his axis. Since we have proven that GOD takes twenty-one centuries to complete one revolution upon his axis, we assert that this has now become law.

Absolute Law #121 - GOD TAKES TWENTY-ONE CENTURIES TO COMPLETE ONE REVOLUTION UPON HIS AXIS!

Step #123 - Realize that the mathematical formula for absolute time is $[(t_1) + (t_2) + (t_3) + (t_4) + (t_5) + (t_6) + (t_7)] + [(t_8) + (t_9) + (t_{10}) + (t_{11}) + (t_{12}) + (t_{13}) + (t_{14})] + [(t_{15}) + (t_{16}) + (t_{17}) + (t_{18}) + (t_{19}) + (t_{20}) + (t_{21})] = \text{absolute time}$, where $t_n = \text{mini dimension of time \#n}$. We have already proven that these are the twenty-one mini dimensions of existence within GOD that relate to time. We have already proven that GOD takes twenty-one centuries to complete one revolution upon his axis. One revolution is equal to a whole unit of time. Thus, we know that time is divided into twenty-one equal sections. Therefore, we have proven that this is the mathematical formula for absolute time. Since we have proven that this is the mathematical formula for absolute time, we assert that this has now become law.

Absolute Law #122 - THE MATHEMATICAL FORMULA FOR ABSOLUTE TIME IS $[(t_1) + (t_2) + (t_3) + (t_4) + (t_5) + (t_6) + (t_7)] + [(t_8) + (t_9)$

+ (t₁₀) + (t₁₁) + (t₁₂) + (t₁₃) + (t₁₄)] + [(t₁₅) + (t₁₆) + (t₁₇) + (t₁₈) + (t₁₉) + (t₂₀) + (t₂₁)] = ABSOLUTE TIME, WHERE t_n = MINI DIMENSION OF TIME #n!

Step #124 - Realize that history repeats itself every twenty-one centuries. We have already proven that GOD takes twenty-one centuries to complete one revolution upon his axis. We have already proven that when GOD completes one revolution upon his axis, history begins to repeat itself. Therefore, we have proven that history repeats itself every twenty-one centuries. Since we have proven that history repeats itself every twenty-one centuries, we assert that this has now become law.

Absolute Law #123 - HISTORY REPEATS ITSELF EVERY TWENTY-ONE CENTURIES!

Step #125 - Realize that to eliminate existing error, expedite calibration, and facilitate calculation, time should be redefined to reflect absolute reality as follows:

1. One revolution = twenty-one centuries
2. One millennium = one thousand years
3. One sevensium²⁴ = seven hundred years
4. The past = the first sevensium
5. The present = the second sevensium
6. The future = the third sevensium
7. One century = one hundred years
8. One decade = ten years
9. One year = thirteen months
10. One year = fifty-two weeks
11. One year = three hundred and sixty-four days
12. One month = four weeks
13. One month = twenty-eight days
14. One week = seven days
15. One day = twenty-one hours
16. One hour = sixty-three minutes
17. One minute = seven seconds
18. One second = three mini seconds
19. One mini second = seven micro seconds

Presently, we set one day equal to twenty-four hours. This setting presumes that an octave is divided into eight sections. We know that an octave is divided into seven sections. Thus, our present system of tracking time is based upon an illusion. By redefining time, we do not alter it, we only change the way that it is measured. Thus, since we have valid reasons for making

²⁴ This is a coined word. Sevensium is defined as a period of time that is equal to seven hundred years.

this change, we should redefine time. Therefore, we have proven that to eliminate existing error, expedite calibration, and facilitate calculation, time should be redefined to reflect absolute reality. Since we have proven that to eliminate existing error, expedite calibration, and facilitate calculation, time should be redefined to reflect absolute reality, we assert that this has now become law.

Absolute Law #124 - TO ELIMINATE EXISTING ERROR, EXPEDITE CALIBRATION, AND FACILITATE CALCULATION, TIME SHOULD BE REDEFINED TO REFLECT ABSOLUTE REALITY AS FOLLOWS:

1. ONE REVOLUTION = TWENTY-ONE CENTURIES
2. ONE MILLENNIUM = ONE THOUSAND YEARS
3. ONE SEVENNIUM = SEVEN HUNDRED YEARS
4. THE PAST = THE FIRST SEVENNIUM
5. THE PRESENT = THE SECOND SEVENNIUM
6. THE FUTURE = THE THIRD SEVENNIUM
7. ONE CENTURY = ONE HUNDRED YEARS
8. ONE DECADE = TEN YEARS
9. ONE YEAR = THIRTEEN MONTHS
10. ONE YEAR = FIFTY-TWO WEEKS
11. ONE YEAR = THREE HUNDRED AND SIXTY-FOUR DAYS
12. ONE MONTH = FOUR WEEKS
13. ONE MONTH = TWENTY-EIGHT DAYS
14. ONE WEEK = SEVEN DAYS
15. ONE DAY = TWENTY-ONE HOURS
16. ONE HOUR = SIXTY-THREE MINUTES
17. ONE MINUTE = SEVEN SECONDS
18. ONE SECOND = THREE MINI SECONDS
19. ONE MINI SECOND = SEVEN MICRO SECONDS

Step #126 - Realize that an error exists in our current date, which amounts to one day per year of recorded time. We know that in order to keep track of time, we must divide some established unit of time into equal segments. A clock is an example of this phenomenon. Currently our clocks are used to divide time into equal segments. Why is it that each month does not contain an equal number of days and weeks? Clearly, this is an error. Each month should contain the same number of days and weeks. Also, the number of days contained in a year must equal the product of the number of days contained in a month multiplied by the number of months contained in a year. When we correct this error, we discover that there are three hundred and sixty-four days contained in a year instead of three hundred and sixty-five days. We also discover that there are thirteen months contained in a year instead of twelve months. We also discover that there is exactly four weeks contained in every month.

Therefore, we have erroneously included an extra day in every year of recorded time. Thus, in the year 2000 A.D., we will have lost two thousand days of time. Therefore, two thousand divided by three hundred and sixty-four equals approximately five and one-half years. Thus, on January 1, 2000 A.D., the correct date will actually be approximately July 1, 2005 A.D. Therefore, we have proven that an error exists in our current date, which amounts to one day per year of recorded time. Since we have proven that an error exists in our current date, which amounts to one day per year of recorded time, we assert that this has now become law.

Absolute Law #125 - AN ERROR EXISTS IN OUR CURRENT DATE, WHICH AMOUNTS TO ONE DAY PER YEAR OF RECORDED TIME!

Step #127 - Realize that destruction is an explosion. We know that a nuclear explosion is an example of destruction. Therefore, we have proven that destruction is an explosion. Since we have proven that destruction is an explosion, we assert that this has now become law.

Absolute Law #126 - DESTRUCTION IS AN EXPLOSION!

Step #128 - Realize that creation is an implosion. We have already proven that destruction is an explosion. We know that creation is the opposite of destruction. We also know that an implosion is the opposite of an explosion. Therefore, we have proven that creation is an implosion. Since we have proven that creation is an implosion, we assert that this has now become law.

Absolute Law #127 - CREATION IS AN IMPLOSION!

Step #129 - Realize that all real opposites are integrated into a single reality within GOD. For example, we know that creation and destruction are opposites. Yet, something must be destroyed when something is created. Conversely, something must be created when something is destroyed. We have already proven that birth and death are not absolute. We have already proven that birth and death relate to a change of form. Thus, we have proven that something must be destroyed when something is created, and something must be created when something is destroyed. This demonstrates how creation and destruction are one. We have already proven that all things that exist are integrated into one thing, and that one thing is GOD. We know that opposites exist. Thus, we have proven that all opposites that exist are integrated into one thing, and that one thing is

GOD. Therefore, we have proven that all real opposites are integrated into a single reality within GOD. Since we have proven that all real opposites are integrated into a single reality within GOD, we assert that this has now become law.

Absolute Law #128 - ALL REAL OPPOSITES ARE INTEGRATED INTO A SINGLE REALITY WITHIN GOD!

Step #130 - Realize that GOD could not be any greater. We have already proven that GOD is the entire kingdom of existence. The entire kingdom of existence includes all real things. Thus, it is impossible to be greater than the entire kingdom of existence. Therefore, we have proven that GOD could not be any greater. Since we have proven that GOD could not be any greater, we assert that this has now become law.

Absolute Law #129 - GOD COULD NOT BE ANY GREATER!

Chapter Three

JESUS Revealed

Step #131 - Realize that JESUS is GOD. History reveals the fact that JESUS existed upon the Earth in the form of a man. We have already proven that anything that actually exists is GOD. Therefore, we have proven that JESUS was GOD. We have already proven that birth and death are not absolute. Therefore, once a thing exists, it cannot absolutely disappear. We have already proven that birth and death relate to a change of form. History reveals the fact that JESUS experienced an Earthly death. Thus, we know that JESUS currently exists in some form. We have already proven that GOD is the only reality that exists. Therefore, we have proven that JESUS is GOD. Since we have proven that JESUS is GOD, we assert that this has now become law.

Absolute Law #130 - JESUS IS GOD!

Step #132 - Realize that JESUS is eternal. We have already proven that GOD is eternal. We have already proven that JESUS is GOD. Therefore, we have proven that JESUS is eternal. Since we have proven that JESUS is eternal, we assert that this has now become law.

Absolute Law #131 - JESUS IS ETERNAL!

Step #133 - Realize that once every twenty-one centuries, JESUS is destined to return to the Earth in the form of a man. We know that in the past JESUS lived upon the Earth in the form of a man. We have already proven that history repeats itself every twenty-one centuries. Thus, we have proven that once every twenty-one centuries, JESUS is destined to return to the Earth in the form of a man. Since we have proven that once every twenty-one centuries, JESUS is destined to return to the Earth in the form of a man, we assert that this has now become law.

Absolute Law #132 - ONCE EVERY TWENTY-ONE CENTURIES, JESUS IS DESTINED TO RETURN TO THE EARTH IN THE FORM OF A MAN!

Step #134 - Realize that GOD resurrects JESUS by remembering him. We have already proven that GOD creates by thinking. To remember is to rethink. Thus, since GOD has previously created JESUS by thinking, GOD can resurrect JESUS by remembering him. Therefore, we have proven that GOD resurrects JESUS by remembering him. Since we have proven that GOD

resurrects JESUS by remembering him, we assert that this has now become law.

Absolute Law #133 - GOD RESURRECTS JESUS BY REMEMBERING HIM!

Step #135 - Realize that JESUS is the bridge between GOD and man. We have already proven that JESUS is GOD. History confirms the fact that JESUS lived upon the Earth in the form of a man. Thus, we have proven that JESUS was a man. Since JESUS is both GOD and man, JESUS understands both GOD and man. Since JESUS understands both GOD and man, JESUS is the bridge between GOD and man. Therefore, we have proven that JESUS is the bridge between GOD and man. Since we have proven that JESUS is the bridge between GOD and man, we assert that this has now become law.

Absolute Law #134 - JESUS IS THE BRIDGE BETWEEN GOD AND MAN!

Chapter Four

Mankind Revealed

Step #136 - Realize that mankind is GOD. We have already proven that anything that actually exists is GOD. We know that mankind actually exists. Therefore, we have proven that mankind is GOD. Since we have proven that mankind is GOD, we assert that this has now become law.

Absolute Law #135 - MANKIND IS GOD!

Step #137 - Realize that mankind is eternal. We have already proven that GOD is eternal. We have already proven that mankind is GOD. Therefore, we have proven that mankind is eternal. Since we have proven that mankind is eternal, we assert that this has now become law.

Absolute law #136 - MANKIND IS ETERNAL!

Step #138 - Realize that mankind has never had free will. We have already proven that mankind is GOD. We have already proven that GOD is predetermined. Therefore, we have proven that mankind is predetermined. This means that GOD predetermines all aspects of mankind's existence, including thought. Therefore, mankind does not think. GOD thinks for mankind. If mankind does not think, then mankind has never had free will. Therefore, we have proven that mankind has never had free will. Since we have proven that mankind has never had free will, we assert that this has now become law.

Absolute Law #137 - MANKIND HAS NEVER HAD FREE WILL!

Step #139 - Realize that the final judgement of mankind has already occurred, and mankind has been found to be absolutely innocent of having done anything, either right or wrong. We have already proven that mankind has never had free will. Thus, mankind is not responsible for any action. Since mankind is not responsible for any action, mankind is absolutely innocent of having done anything, either right or wrong. Therefore, we have proven that the final judgement of mankind has already occurred, and mankind has been found to be absolutely innocent of having done anything, either right or wrong. Since we have proven that the final judgement of mankind has already occurred, and mankind has been found to be absolutely innocent of having done anything, either right or wrong, we assert that this has now become law.

Absolute Law #138 - THE FINAL JUDGEMENT OF MANKIND HAS ALREADY OCCURRED, AND MANKIND HAS BEEN FOUND TO BE ABSOLUTELY INNOCENT OF HAVING DONE ANYTHING, EITHER RIGHT OR WRONG!

Step #140 - Realize that mankind is absolutely free. We have already proven that the final judgement of mankind has already occurred, and mankind has been found to be absolutely innocent of having done anything, either right or wrong. This means that mankind cannot take the credit for things done well. Also, this means that mankind does not take the blame for things done poorly. GOD knows that mankind is not responsible for any action, right or wrong. Thus, mankind is absolutely innocent in GOD'S mind. This amounts to being absolutely free. Therefore, we have proven that mankind is absolutely free. Since we have proven that mankind is absolutely free, we assert that this has now become law.

Absolute Law #139 - MANKIND IS ABSOLUTELY FREE!

Step #141 - Realize that mankind has no choice but to obey GOD. We have already shown that mankind is not in control of anything. We have already proven that GOD is in absolute control of everything, everywhere, forever. Therefore, we have proven that mankind has no choice but to obey GOD. Since we have proven that mankind has no choice but to obey GOD, we assert that this has now become law.

Absolute Law #140 - MANKIND HAS NO CHOICE BUT TO OBEY GOD!

Step #142 - Realize that the Earth should be like GOD. We have already proven that anything that actually exists is GOD. We know that the Earth actually exists. Thus, we know that the Earth is GOD. Since the Earth is GOD, it should be like GOD. Therefore, we have proven that the Earth should be like GOD. Since we have proven that the Earth should be like GOD, we assert that this has now become law.

Absolute Law #141 - THE EARTH SHOULD BE LIKE GOD!

Step #143 - Realize that mankind should avoid making judgements since neither side of the argument is absolutely correct or incorrect. For example: One person states that television is good. A second person states that television is bad. A third person states that television is. The third person is the only one, of the three, who made an absolutely true statement. The value of the neutral statement is on a level above the value of either the negative statement, or the

positive statement. The following example will better illustrate the relationship that exists between the negative, the positive, and the neutral: A man uses a camera to take a picture of a beautiful young girl. The man sends the film to a film processor to be developed. The film processor returns the developed film to the man. The man receives a negative and a positive proof from the film processor. The negative somewhat resembles the beautiful young girl, but both the position and the shading appear to be reversed. The positive proof looks just like the beautiful young girl. Both the position and the shading are correct on the positive proof. Thus, it is clear that the value of the positive proof is on a level above the negative. It is also clear that the value of the neutral, which is the beautiful young girl herself, is on a level above the positive proof. Neither the negative, nor the positive, can compare to the neutral. Therefore, we have proven that mankind should avoid making judgements since neither side of the argument is absolutely correct or incorrect. Because we have proven that mankind should avoid making judgements since neither side of the argument is absolutely correct or incorrect, we assert that this has now become law.

Absolute Law #142 - MANKIND SHOULD AVOID MAKING JUDGEMENTS SINCE NEITHER SIDE OF THE ARGUMENT IS ABSOLUTELY CORRECT OR INCORRECT!

Step #144 - Realize that man is the force of destruction. We have already proven that destruction is an explosion. Man's true nature is revealed by his sexuality. The essence of man's sexuality is revealed by his sexual climax. The male sexual climax is an explosion that results in the release of sexual energy. Therefore, we have proven that man is the force of destruction. Since we have proven that man is the force of destruction, we assert that this has now become law.

Absolute Law #143 - MAN IS THE FORCE OF DESTRUCTION!

Step #145 - Realize that woman is the force of creation. We have already proven that creation is an implosion. Woman's true nature is revealed by her sexuality. The essence of woman's sexuality is revealed by her sexual climax. The female sexual climax is an implosion that results in the consumption of sexual energy. Therefore, we have proven that woman is the force of creation. Since we have proven that woman is the force of creation, we assert that this has now become law.

Absolute Law #144 - WOMAN IS THE FORCE OF CREATION!

Chapter Five

Sex Revealed

Sex is defined as "...1 : either of the two major forms of individuals that occur in many species and that are distinguished respectively as female or male 2 : the sum of the structural, functional, and behavioral characteristics of living things that are involved in reproduction by two interacting parents and that distinguish males and females 3 a : sexually motivated phenomena or behavior b : SEXUAL INTERCOURSE..."²⁵.

Step #146 - Realize that sex is the synthesis of the opposites, positive and negative, into the neutral. We have already proven that GOD is neutral. We have already proven that GOD is everything. We know that sex is included in everything because it actually exists. Thus, we have proven that GOD is sex. Therefore, we have proven that sex is neutral. Thus, sex = neutral = (positive)(negative). An example of sex between a male and a female confirms that this is true. A male, who represents the positive, has sexual intercourse with a female, who represents the negative. The female becomes pregnant. The female gives birth to a child. The child represents the synthesis of the male and the female. Thus, the positive and the negative are synthesized into the neutral. Therefore, we have proven that sex is the synthesis of the opposites, positive and negative, into the neutral. Since we have proven that sex is the synthesis of the opposites, positive and negative, into the neutral, we assert that this has now become law.

Absolute Law #145 - SEX IS THE SYNTHESIS OF THE OPPOSITES, POSITIVE AND NEGATIVE, INTO THE NEUTRAL!

Step #147 - Realize that death is the division of the neutral into the opposites, positive and negative. We know that sex and death are opposites. We also know that multiplication and division are opposites. Therefore, we have proven that death is the division of the neutral into the opposites, positive and negative. Since we have proven that death is the division of the neutral into the opposites, positive and negative, we assert that this has now become law.

Absolute Law #146 - DEATH IS THE DIVISION OF THE NEUTRAL INTO THE OPPOSITES, POSITIVE AND NEGATIVE!

²⁵ Merriam-Webster's Collegiate Dictionary, 10th ed. (Merriam-Webster, Inc., 1996), p. 1073.

Step #148 - Realize that the concepts of negative, positive, and neutral are equal to the concepts of matter, light, and energy. We have already proven that energy is neutral. Thus, we have proven that the neutral is equal to energy. Therefore, we know that the results of dividing both the neutral and energy will be the same. We have already proven that the neutral divides into the opposites, positive and negative. We have already proven that energy divides into light and matter. Thus, we have proven that the positive is equal to light, and the negative is equal to matter. The concepts of negative, positive, and neutral represent all of the mental possibilities for existence, and the concepts of matter, light, and energy represent all of the physical possibilities for existence. Therefore, we have proven that the concepts of negative, positive, and neutral are equal to the concepts of matter, light, and energy. Since we have proven that the concepts of negative, positive, and neutral are equal to the concepts of matter, light, and energy, we assert that this has now become law.

Absolute Law #147 - THE CONCEPTS OF NEGATIVE, POSITIVE, AND NEUTRAL ARE EQUAL TO THE CONCEPTS OF MATTER, LIGHT, AND ENERGY!

Step #149 - Realize that the positive is an octave above the negative, and the neutral is an octave above the positive. We have already proven that light is an octave above matter, and energy is an octave above light. We have already proven that the concepts of negative, positive, and neutral are equal to the concepts of matter, light, and energy. Therefore, we have proven that the positive is an octave above the negative, and the neutral is an octave above the positive. Since we have proven that the positive is an octave above the negative, and the neutral is an octave above the positive, we assert that this has now become law.

Absolute Law #148 - THE POSITIVE IS AN OCTAVE ABOVE THE NEGATIVE, AND THE NEUTRAL IS AN OCTAVE ABOVE THE POSITIVE!

Step #150 - Realize that GOD designed males to rule over females. We observe males to be the aggressive force in life. We observe females to be the passive force in life. We know that the aggressive force dominates the passive force. We observe males to be physically strong. We observe females to be physically weak. Thus, should he choose to do so, a male has the physical ability to force his will upon a female. Therefore, we have proven that GOD designed males to rule over females. Since

we have proven that GOD designed males to rule over females, we assert that this has now become law.

Absolute Law #149 - GOD DESIGNED MALES TO RULE OVER FEMALES!

Step #151 - Realize that GOD designed females to be ruled over by males. We know that GOD designed both males and females. We have already proven that GOD designed males to rule over females. Therefore, we have proven that GOD designed females to be ruled over by males. Since we have proven that GOD designed females to be ruled over by males, we assert that this has now become law.

Absolute Law #150 - GOD DESIGNED FEMALES TO BE RULED OVER BY MALES!

Step #152 - Realize that males are an octave above females, and GOD is an octave above males. We have already proven that GOD is neutral. We have already proven that GOD designed males to rule over females. We know that males and females equal the positive and the negative. Since males are designed to rule over females, we know that males are equal to the positive, and females are equal to the negative. We have already proven that the positive is an octave above the negative, and the neutral is an octave above the positive. Therefore, we have proven that males are an octave above females, and GOD is an octave above males. Since we have proven that males are an octave above females, and GOD is an octave above males, we assert that this has now become law.

Absolute Law #151 - MALES ARE AN OCTAVE ABOVE FEMALES, AND GOD IS AN OCTAVE ABOVE MALES!

Step #153 - Realize that sex is the difference between a straight line (death) and a circle (life). A straight line symbolizes death because all straight lines have a beginning and an end. A circle symbolizes life because no circle contains a beginning or an end. Thus, the beginning of a straight line and its opposite, the end of a straight line, remain divided in all straight lines. However, in all circles, the end of the line is engaged in sexual intercourse with its opposite, the beginning of the line. Therefore, we have proven that sex is the difference between a straight line (death) and a circle (life). Since we have proven that sex is the difference between a straight line (death) and a circle (life), we assert that this has now become law.

Absolute Law #152 - SEX IS THE DIFFERENCE BETWEEN A STRAIGHT LINE (DEATH) AND A CIRCLE (LIFE)!

Step #154 - Realize that sex is the difference between life and death. Sex causes life to be continuous. Sex renews life. Without sex, life becomes discontinuous. Life that has become discontinuous is no longer described as life. It is described as death. Therefore, we have proven that sex is the difference between life and death. Since we have proven that sex is the difference between life and death, we assert that this has now become law.

Absolute Law #153 - SEX IS THE DIFFERENCE BETWEEN LIFE AND DEATH!

Step #155 - Realize that sex could not be more important. We have already proven that sex is the difference between life and death. Therefore, we have proven that sex could not be more important. Since we have proven that sex could not be more important, we assert that this has now become law.

Absolute Law #154 - SEX COULD NOT BE MORE IMPORTANT!

Step #156 - Realize that GOD is sex. We have already proven that GOD is everything. We know that sex is a part of everything because it actually exists. Therefore, we have proven that GOD is sex. Since we have proven that GOD is sex, we assert that this has now become law.

Absolute Law #155 - GOD IS SEX!

Step #157 - Realize that sex is eternal. We have already proven that GOD is eternal. We have already proven that GOD is sex. Therefore, we have proven that sex is eternal. Since we have proven that sex is eternal, we assert that this has now become law.

Absolute Law #156 - SEX IS ETERNAL!

Step #158 - Realize that sex is continuous. We have already proven that GOD is continuous. We have already proven that GOD is sex. Therefore, we have proven that sex is continuous. Since we have proven that sex is continuous, we assert that this has now become law.

Absolute Law #157 - SEX IS CONTINUOUS!

Step #159 - Realize that sex is everywhere. We have already proven that GOD is everywhere. We have already proven that GOD is sex. Therefore, we have proven that sex is everywhere. Since we have proven that sex is everywhere, we assert that this has now become law.

Absolute Law #158 - SEX IS EVERYWHERE!

Step #160 - Realize that sex is everything. We have already proven that GOD is everything. We have already proven that GOD is sex. Therefore, we have proven that sex is everything. Since we have proven that sex is everything, we assert that this has now become law.

Absolute Law #159 - SEX IS EVERYTHING!

Step #161 - Realize that sex is the common denominator of existence. We have already proven that sex is everywhere. We have already proven that sex is everything. Therefore, we have proven that sex is the common denominator of existence. Since we have proven that sex is the common denominator of existence, we assert that this has now become law.

Absolute Law #160 - SEX IS THE COMMON DENOMINATOR OF EXISTENCE!

Step #162 - Realize that sex is spherical. We have already proven that GOD is spherical. We have already proven that GOD is sex. Therefore, we have proven that sex is spherical. Since we have proven that sex is spherical, we assert that this has now become law.

Absolute Law #161 - SEX IS SPHERICAL!

Step #163 - Realize that every different form of sex that can exist, does exist. We have already proven that sex is spherical. We know that a very large number of diameters can be constructed inside a sphere. We know that a diameter is a straight line. We know that the beginning of a straight line and the end of a straight line are opposites. Therefore, we know that sex is comprised of a very large number of opposites. Furthermore, we know that when we construct every possible diameter that can be contained within a sphere, there is no way to construct additional diameters within this same sphere. Thus, we know that when a thing is spherical, it contains every different form of that thing that can exist. Therefore, we have proven that every different form of sex that can exist, does exist. Since we have proven that every different form of sex

that can exist, does exist, we assert that this has now become law.

Absolute Law #162 - EVERY DIFFERENT FORM OF SEX THAT CAN EXIST, DOES EXIST!

Step #164 - Realize that GOD ordains all sex, including, but not limited to, rape, incest, masturbation, intercourse, sodomy, and homosexuality. We have already proven that GOD ordains everything that actually does occur. We know that all forms of sex actually do occur. Therefore, we have proven that GOD ordains all sex, including, but not limited to, rape, incest, masturbation, intercourse, sodomy, and homosexuality. Since we have proven that GOD ordains all sex, including, but not limited to, rape, incest, masturbation, intercourse, sodomy, and homosexuality, we assert that this has now become law.

Absolute Law #163 - GOD ORDAINS ALL SEX, INCLUDING, BUT NOT LIMITED TO, RAPE, INCEST, MASTURBATION, INTERCOURSE, SODOMY, AND HOMOSEXUALITY!

Step #165 - Realize that unprotected sexual intercourse between a male and a female is distinguished from all other forms of sex due to the fact that it is the only form of sex that can result in reproduction. We already know that this is true. Therefore, it has already been proven that unprotected sexual intercourse between a male and a female is distinguished from all other forms of sex due to the fact that it is the only form of sex that can result in reproduction. Since it has already been proven that unprotected sexual intercourse between a male and a female is distinguished from all other forms of sex due to the fact that it is the only form of sex that can result in reproduction, we assert that this has now become law.

Absolute Law #164 - UNPROTECTED SEXUAL INTERCOURSE BETWEEN A MALE AND A FEMALE IS DISTINGUISHED FROM ALL OTHER FORMS OF SEX DUE TO THE FACT THAT IT IS THE ONLY FORM OF SEX THAT CAN RESULT IN REPRODUCTION!

Step #166 - Realize that GOD is perpetually preoccupied with sexual thought. We have already proven that GOD is a perpetual, sexual climax. We have already proven that GOD is predetermined. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. Therefore, we have proven that GOD is perpetually preoccupied with sexual thought. Since we have proven that GOD is perpetually preoccupied with sexual thought, we assert that this has now become law.

Absolute Law #165 - GOD IS PERPETUALLY PREOCCUPIED WITH SEXUAL THOUGHT!

Step #167 - Realize that sex is the very essence of GOD. We have already proven that GOD is sex. We have already proven that GOD is perpetually preoccupied with sexual thought. We have already proven that GOD is a perpetual, sexual climax. Therefore, we have proven that sex is the very essence of GOD. Since we have proven that sex is the very essence of GOD, we assert that this has now become law.

Absolute Law #166 - SEX IS THE VERY ESSENCE OF GOD!

Step #168 - Realize that sex is the mechanism of perpetual motion. We have already proven that GOD is in perpetual motion. We have already proven that GOD is sex. Thus, we have proven that sex is in perpetual motion. We have already proven that GOD is energy. We have already proven that energy is everywhere. We have already proven that all energy is sex energy. Therefore, we have proven that sex energy is everywhere. Thus, we have sex energy everywhere, and it is in perpetual motion. This means that sex energy is the drive mechanism of perpetual motion. Therefore, we have proven that sex is the mechanism of perpetual motion. Since we have proven that sex is the mechanism of perpetual motion, we assert that this has now become law.

Absolute Law #167 - SEX IS THE MECHANISM OF PERPETUAL MOTION!

Step #169 - Realize that to GOD, life is sexual feeling. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. We have already proven that GOD is a perpetual, sexual climax. GOD cannot be a perpetual, sexual climax without experiencing sexual feeling. Therefore, we have proven that to GOD, life is sexual feeling. Since we have proven that to GOD, life is sexual feeling, we assert that this has now become law.

Absolute Law #168 - TO GOD, LIFE IS SEXUAL FEELING!

Step #170 - Realize that sex leads to GOD. We know that sex is integration. We have already proven that all things that exist are integrated into one thing, and that one thing is GOD. Therefore, we have proven that sex leads to GOD. Since we have proven that sex leads to GOD, we assert that this has now become law.

Absolute Law #169 - SEX LEADS TO GOD!

Step #171 - Realize that division leads away from GOD. We have already proven that sex leads to GOD. We know that division is the opposite of sex. Therefore, we have proven that division leads away from GOD. Since we have proven that division leads away from GOD, we assert that this has now become law.

Absolute Law #170 - DIVISION LEADS AWAY FROM GOD!

Step #172 - Realize that the sole purpose for the existence of the Earth, and all of its inhabitants, is that it gives GOD sexual pleasure. To GOD, the Earth is a sex product. We have already proven that GOD has sex by thinking. Thus, thinking gives GOD great pleasure. We have already proven that GOD is a perpetual, sexual climax. We have already proven that GOD is energy. We have already proven that all energy is sex energy. We have already proven that GOD is predetermined. We have already proven that GOD is perpetually preoccupied with sexual thought. Thus, the Earth, and all of its inhabitants, exist because of GOD'S sexual thought. Therefore, we have proven that the sole purpose for the existence of the Earth, and all of its inhabitants, is that it gives GOD sexual pleasure. Since we have proven that the sole purpose for the existence of the Earth, and all of its inhabitants, is that it gives GOD sexual pleasure, we assert that this has now become law.

Absolute Law #171 - THE SOLE PURPOSE FOR THE EXISTENCE OF THE EARTH, AND ALL OF ITS INHABITANTS, IS THAT IT GIVES GOD SEXUAL PLEASURE!

Step #173 - Realize that the perpetual, sexual climax that is GOD is equal to the sum of all the sexual climaxes that happen throughout GOD. We already know that the whole equals the sum of its parts. Therefore, we have proven that the perpetual, sexual climax that is GOD is equal to the sum of all the sexual climaxes that happen throughout GOD. Since we have proven that the perpetual, sexual climax that is GOD is equal to the sum of all the sexual climaxes that happen throughout GOD, we assert that this has now become law.

Absolute Law #172 - THE PERPETUAL, SEXUAL CLIMAX THAT IS GOD IS EQUAL TO THE SUM OF ALL THE SEXUAL CLIMAXES THAT HAPPEN THROUGHOUT GOD!

Step #174 - Realize that mankind needs to make sex the most important consideration in life. We have already proven that the sole purpose for the existence of the Earth, and all of its inhabitants, is that it gives GOD sexual pleasure. We have

already proven that GOD is a perpetual, sexual climax. We have already proven that GOD is energy. We have already proven that all energy is sex energy. Obviously, to say that sex is very important to GOD is an understatement of substantial magnitude. Therefore, since GOD is preoccupied with sex, mankind should also be preoccupied with sex. When mankind is preoccupied with sex, mankind makes sex the most important consideration in life. Therefore, we have proven that mankind needs to make sex the most important consideration in life. Since we have proven that mankind needs to make sex the most important consideration in life, we assert that this has now become law.

Absolute Law #173 - MANKIND NEEDS TO MAKE SEX THE MOST IMPORTANT CONSIDERATION IN LIFE!

Step #175 - Realize that sex is mankind's reward from GOD. During a sexual climax, mankind is more at one with GOD than at any other time. A sexual climax is life's most gratifying event. The reason that this is true is that GOD shares himself with mankind at this time. It is at this time of sexual climax that mankind is at one with GOD. What greater reward could GOD give to mankind than to share himself with mankind? Therefore, we have proven that sex is mankind's reward from GOD. Since we have proven that sex is mankind's reward from GOD, we assert that this has now become law.

Absolute Law #174 - SEX IS MANKIND'S REWARD FROM GOD!

Step #176 - Realize that since sex is mankind's reward from GOD, it is proper that mankind reward GOD by having the best sex possible. When mankind has the best sex possible, then both GOD and mankind benefit. Therefore, the purposes of both GOD and mankind become synthesized into a single, mutual purpose. Thus, sex is mankind's reward from GOD, and sex is GOD'S reward from mankind. (Note: Perhaps mankind should consider making sex more of a ritual type event. Sex could include the stimulation of all of mankind's senses. Sexual aphrodisiacs could also be used. Mankind could find and use the most effective aphrodisiacs. Marijuana is either at the top, or very near the top, of this list of sexual aphrodisiacs.) Therefore, we have proven that since sex is mankind's reward from GOD, it is proper that mankind reward GOD by having the best sex possible. Because we have proven that since sex is mankind's reward from GOD, it is proper that mankind reward GOD by having the best sex possible, we assert that this has now become law.

Absolute Law #175 - SINCE SEX IS MANKIND'S REWARD FROM GOD, IT IS PROPER THAT MANKIND REWARD GOD BY HAVING THE BEST SEX POSSIBLE!

Step #177 - Realize that the greater the difference is between two opposites, the greater the attraction between them will be, and the more alike that two things are, the more they will repel each other. We have already proven that opposite forces attract each other, and like forces repel each other. We already know that the stronger two bar magnets are, the greater the attraction will be between opposite ends of the two magnets. Likewise, we already know that the stronger two bar magnets are, the greater the repulsion will be between like ends of the two magnets. Therefore, we have proven that the greater the difference is between two opposites, the greater the attraction between them will be, and the more alike that two things are, the more they will repel each other. Since we have proven that the greater the difference is between two opposites, the greater the attraction between them will be, and the more alike that two things are, the more they will repel each other, we assert that this has now become law.

Absolute Law #176 - THE GREATER THE DIFFERENCE IS BETWEEN TWO OPPOSITES, THE GREATER THE ATTRACTION BETWEEN THEM WILL BE, AND THE MORE ALIKE THAT TWO THINGS ARE, THE MORE THEY WILL REPEL EACH OTHER!

Step #178 - Realize that the greater the difference is between two opposites, the greater that sex between them will be. We have already proven that the greater the difference is between two opposites, the greater the attraction between them will be, and the more alike that two things are, the more they will repel each other. Logically, it follows that the greater the attraction is between two opposites, the greater that sex between them will be. Therefore, we have proven that the greater the difference is between two opposites, the greater that sex between them will be. Since we have proven that the greater the difference is between two opposites, the greater that sex between them will be, we assert that this has now become law.

Absolute Law #177 - THE GREATER THE DIFFERENCE IS BETWEEN TWO OPPOSITES, THE GREATER THAT SEX BETWEEN THEM WILL BE!

Step #179 - Realize that the stronger the sexual bond is between two opposites, the less likely they are to separate. We know that the stronger two bar magnets are, the greater the attraction will be between opposite ends of the two magnets.

Therefore, we have proven that the stronger the sexual bond is between two opposites, the less likely they are to separate. Since we have proven that the stronger the sexual bond is between two opposites, the less likely they are to separate, we assert that this has now become law.

Absolute Law #178 - THE STRONGER THE SEXUAL BOND IS BETWEEN TWO OPPOSITES, THE LESS LIKELY THEY ARE TO SEPARATE!

Step #180 - Realize that GOD reveals a person's perfect opposite in their sexual fantasies. We have already proven that GOD is sex. We have already proven that GOD is a perpetual, sexual climax. We have already proven that GOD is perpetually preoccupied with sexual thought. Thus, we know that GOD is the source of all sexual thought. A sexual fantasy is a collection of sexual thoughts. Thus, we know that GOD is the source of all sexual fantasies. We know that GOD unites the opposites in sex. Thus, it follows that one's sexual fantasies, which originate with GOD, would relate to one's perfect opposite. Therefore, we have proven that GOD reveals a person's perfect opposite in their sexual fantasies. Since we have proven that GOD reveals a person's perfect opposite in their sexual fantasies, we assert that this has now become law.

Absolute Law #179 - GOD REVEALS A PERSON'S PERFECT OPPOSITE IN THEIR SEXUAL FANTASIES!

Step #181 - Realize that the exact opposite of a female, age X^1 , is a male, age X^2 . We have already proven the mathematical progression for the twenty-one minor dimensions of existence within GOD. This mathematical progression reveals that matter = X^1 , light = X^2 , and energy = X^4 . We have already proven that the concepts of negative, positive, and neutral are equal to the concepts of matter, light, and energy. Thus, the negative = X^1 , the positive = X^2 , and the neutral = X^4 . We have already proven that males are positive, and females are negative. Thus, we have proven that females = X^1 , and males = X^2 . Therefore, we have proven that the exact opposite of a female, age X^1 , is a male, age X^2 . Since we have proven that the exact opposite of a female, age X^1 , is a male, age X^2 , we assert that this has now become law.

Absolute Law #180 - THE EXACT OPPOSITE OF A FEMALE, AGE X^1 , IS A MALE, AGE X^2 !

Step #182 - Realize that the optimum time for a female virgin to marry is the day before her eighth birthday. GOD has

shown us when this time should be. We know that the cycle of matter is completed in the seventh minor dimension because the eighth minor dimension is light. We have already proven that GOD = neutral = energy. We have already proven that males = positive = light. We have already proven that females = negative = matter. Therefore, we know that the cycle of a female is completed in the seventh year of her existence. Thus, a female should be complete at the end of seven years. This means that on the day before a female's eighth birthday she is ready to have sex. Thus, a female virgin should marry on the day before her eighth birthday. Therefore, we have proven that the optimum time for a female virgin to marry is the day before her eighth birthday. Since we have proven that the optimum time for a female virgin to marry is the day before her eighth birthday, we assert that this has now become law.

Absolute Law #181 - THE OPTIMUM TIME FOR A FEMALE VIRGIN TO MARRY IS THE DAY BEFORE HER EIGHTH BIRTHDAY!

Step #183 - Realize that perfect opposites are born in the same month, on the same day, at the same hour, and at the same minute, exactly forty-two years apart. We have already proven that the optimum time for a female virgin to marry is the day before her eighth birthday. Thus, we know that the age of the female is seven years old. We have already proven that the exact opposite of a female, age X^1 , is a male, age X^2 . Thus, we know that if $X = 7$, then $X^2 = 49$. Therefore, the exact opposite of a seven-year-old female is a forty-nine-year-old male. Thus, we know that perfect opposites have the same birthday. Therefore, we have proven that perfect opposites are born in the same month, on the same day, at the same hour, and at the same minute, exactly forty-two years apart. Since we have proven that perfect opposites are born in the same month, on the same day, at the same hour, and at the same minute, exactly forty-two years apart, we assert that this has now become law.

Absolute Law #182 - PERFECT OPPOSITES ARE BORN IN THE SAME MONTH, ON THE SAME DAY, AT THE SAME HOUR, AND AT THE SAME MINUTE, EXACTLY FORTY-TWO YEARS APART!

Step #184 - Realize that optimum sex includes the following:

- (1) Marriage on the day before the female's eighth birthday
- (2) Privacy
- (3) A comfortable bed
- (4) The positive stimulation of all of mankind's senses

- (5) No protection against pregnancy
- (6) An aphrodisiac
- (7) Sexual intercourse, face-to-face, with the male on top of the female
- (8) A seven-year-old female virgin, who has no sexual experience beyond masturbation, and who has the same birthday as the male
- (9) A forty-nine-year-old, sexually experienced, male
- (10) A simultaneous, sexual climax
- (11) Love
- (12) Pregnancy
- (13) Reproduction

We know that GOD authorizes sex between a married male and female. Thus, marriage makes sex a legal act. We have already proven that the optimum time for a female virgin to marry is the day before her eighth birthday. Therefore, it is proper for this list to include marriage on the day before the female's eighth birthday. We know that both sexual partners will be relaxed when they are alone. We also know that having an audience would prove to be a distraction during sex. Thus, it is proper for this list to include privacy. We know that a comfortable bed is a definite asset when having sex. We also know that an uncomfortable bed can be a distraction when having sex. Thus, it is proper for this list to include a comfortable bed. We know that mankind is limited to experiencing life via the human senses. Thus, it is logical that when all of mankind's senses are being positively stimulated, the experience of life is maximized. Likewise, it is logical that since sex is life's most pleasant experience, sex will be appreciated the most when all of mankind's senses are being positively stimulated. Thus, it is proper for this list to include the positive stimulation of all of mankind's senses. We know that the primary objective of sex is reproduction. We know that reproduction cannot occur if a successful means of birth control is used. Thus, it is proper for this list to include the lack of protection against pregnancy. An aphrodisiac is defined as "...1 : an agent (as a food or drug) that arouses or is held to arouse sexual desire..."²⁶. Any agent that arouses sexual desire would improve sex, provided that there are no other side effects that would have a detrimental effect upon sex or life. Thus, it is proper for this list to include an aphrodisiac. We know that the primary objective of sex is reproduction. We know that reproduction can only occur as the result of sexual intercourse. Furthermore, it is necessary that the sexual position be face-to-face. There are three reasons for this. Firstly, this position is necessary for proper stimulation of the female

²⁶ Merriam-Webster's Collegiate Dictionary, 10th ed. (Merriam-Webster, Inc., 1996), p. 54.

clitoris. Secondly, it is proper that both sexual partners be able to look each other directly in the eye. Thirdly, it allows the sexual partners to kiss freely. It is also necessary for the male to be on top of the female. There are two reasons for this. Firstly, the female is placed in a submissive position when the male is on top of her. This allows the male to rule over the female. Secondly, this position allows the sexually aggressive male greater flexibility to move while orchestrating the sexual event. Thus, it is proper for this list to include sexual intercourse, face-to-face, with the male on top of the female. We know that the primary objective of sex is reproduction. We know that a male and a female must have sexual intercourse in order for reproduction to have a chance of occurring. We have already proven that the greater the difference is between two opposites, the greater that sex between them will be. Thus, one mate should be young, and the other mate should be old. Likewise, one mate should be without sexual experience, and the other mate should be sexually experienced. Physical resistance to sexual penetration translates into sexual pleasure for both sexual partners. There is greater physical resistance to sexual penetration when the sexual partners are a young, female virgin, and an old, sexually experienced, male. Also, GOD created males to be the sexual aggressor. Thus, it is appropriate that the male be the one who is sexually experienced. We have already proven that the optimum time for a female virgin to marry is the day before her eighth birthday. We have already proven that the exact opposite of a female, age X^1 , is a male, age X^2 . We have already proven that perfect opposites are born in the same month, on the same day, at the same hour, and at the same minute, exactly forty-two years apart. Therefore, it is proper for this list to include both a seven-year-old female virgin, who has no sexual experience beyond masturbation, and who has the same birthday as the male, and a forty-nine-year-old, sexually experienced, male. If reproduction were the only function of sex, every sexual event that occurred within GOD would result in reproduction. We know that this is not the case. Thus, we know that sexual pleasure is also a function of sex. GOD is automatically a participant in all sexual climaxes that occur. Thus, when a male and a female reach a sexual climax simultaneously, then GOD, the male, and the female experience a mutual state of sexual climax. This experience produces the ultimate in sexual pleasure and meaning. Thus, it is proper for this list to include a simultaneous, sexual climax. We know that sex is the bond between a male and a female. The male responds to this wonderful sex by loving both the female and the sex. The female responds to this wonderful sex by loving both the male and the sex. Thus, it is proper for this list to include love.

(Note: The strength of the bond between a male and a female is very strong if, at the time of their marriage, the female was a virgin, who had no sexual experience beyond masturbation. If the female was not a virgin, then the strength of the bond is substantially diminished. The demands of marriage are great. To substantially diminish the strength of the sexual bond between a male and his wife is to substantially diminish all aspects of their relationship. Thus, marriage between a male and a female, who is not a virgin, is the primary reason for the breakdown of the institutional family. This is so true, and so important to the future of mankind, that we should not allow children to be born outside of the marriage between a male and a female virgin. This would guarantee the reparation of the institutional family, which would guarantee the reparation of mankind.) We know that reproduction is the primary objective of sex. Pregnancy must precede reproduction. Thus, it is proper for this list to include pregnancy. Since reproduction is the primary objective of sex, it is proper for this list to include reproduction. Therefore, we have proven that these are the ingredients that must be present in order to achieve optimum sex. Since we have proven that these are the ingredients that must be present in order to achieve optimum sex, we assert that this has now become law.

Absolute Law #183 - OPTIMUM SEX INCLUDES THE FOLLOWING:

- (1) MARRIAGE ON THE DAY BEFORE THE FEMALE'S EIGHTH BIRTHDAY
- (2) PRIVACY
- (3) A COMFORTABLE BED
- (4) THE POSITIVE STIMULATION OF ALL OF MANKIND'S SENSES
- (5) NO PROTECTION AGAINST PREGNANCY
- (6) AN APHRODISIAC
- (7) SEXUAL INTERCOURSE, FACE-TO-FACE, WITH THE MALE ON TOP OF THE FEMALE
- (8) A SEVEN-YEAR-OLD FEMALE VIRGIN, WHO HAS NO SEXUAL EXPERIENCE BEYOND MASTURBATION, AND WHO HAS THE SAME BIRTHDAY AS THE MALE
- (9) A FORTY-NINE-YEAR-OLD, SEXUALLY EXPERIENCED, MALE
- (10) A SIMULTANEOUS, SEXUAL CLIMAX
- (11) LOVE
- (12) PREGNANCY
- (13) REPRODUCTION

Step #185 - Realize that optimum sex between a male virgin and a female includes the following:

- (1) Live together, outside of marriage
- (2) Privacy

- (3) A comfortable bed
- (4) The positive stimulation of all of mankind's senses
- (5) Absolute protection against pregnancy (sterilized female)
- (6) An aphrodisiac
- (7) Sexual intercourse, face-to-face, with the male on top of the female
- (8) An old, sexually experienced, unmarried female, with the same birthday as the male
- (9) A male virgin, who is not younger than age eight, or older than age fourteen, and who has no sexual experience beyond masturbation
- (10) A simultaneous, sexual climax
- (11) Love
- (12) No pregnancy
- (13) No reproduction

We know that males and females are opposites. Thus, male sexuality is the inverse function of female sexuality. We observe that some of the requirements for optimum sex are the same for both male and female virgins. We observe that privacy, a comfortable bed, the positive stimulation of all of mankind's senses, an aphrodisiac, sexual intercourse, face-to-face, with the male on top of the female, a simultaneous, sexual climax, and love are requirements for optimum sex for both male and female virgins. The remaining requirements for optimum sex, for both male and female virgins, are opposites. We know that to marry at a specific time is opposite of living together, outside of marriage, at a nonspecific time. Thus, it is proper that this list includes living together, outside of marriage. We know that both sexual partners will be relaxed when they are alone. We also know that having an audience would prove to be a distraction during sex. Thus, it is proper for this list to include privacy. We know that a comfortable bed is a definite asset when having sex. We also know that an uncomfortable bed can be a distraction when having sex. Thus, it is proper for this list to include a comfortable bed. We know that mankind is limited to experiencing life via the human senses. Thus, it is logical that when all of mankind's senses are being positively stimulated, the experience of life is maximized. Likewise, it is logical that since sex is life's most pleasant experience, sex will be appreciated the most when all of mankind's senses are being positively stimulated. Thus, it is proper for this list to include the positive stimulation of all of mankind's senses. We know that absolute protection against pregnancy (sterilized female) is the opposite of no protection against pregnancy. Thus, it is proper for this list to include absolute protection against pregnancy (sterilized female). An aphrodisiac is defined

as "...1 : an agent (as a food or drug) that arouses or is held to arouse sexual desire..."²⁷. Any agent that arouses sexual desire would improve sex, provided that there are no other side effects that would have a detrimental effect upon sex or life. Thus, it is proper for this list to include an aphrodisiac. We know that the primary object of sex is reproduction. We know that reproduction can only occur as the result of sexual intercourse. We know that males are expected to marry females. We also know that reproduction is an expected result of these marriages. Thus, the male sexual experience, prior to marriage, should be viewed as a sexual training experience that is designed to prepare the male for the sex that he will have with his future wife. We know that a person's initial sexual experience defines sex for that person. This means that if a heterosexual male's first sexual encounter with another person is sexual intercourse with a heterosexual female, then that heterosexual male will always prefer sexual intercourse with a heterosexual female. Thus, since, during marriage, a male is expected to participate in sexual intercourse for the purpose of reproduction, it is appropriate for the male to prefer sexual intercourse with a female. Furthermore, it is necessary that the sexual position be face-to-face. There are three reasons for this. Firstly, this position is necessary for proper stimulation of the female clitoris. Secondly, it is proper that both sexual partners be able to look each other directly in the eye. Thirdly, it allows the sexual partners to kiss freely. It is also necessary for the male to be on top of the female. There are two reasons for this. Firstly, the female is placed in a submissive position when the male is on top of her. This allows the male to rule over the female. Secondly, this position allows the sexually aggressive male greater flexibility to move while orchestrating the sexual event. Thus, it is proper for this list to include sexual intercourse, face-to-face, with the male on top of the female. We know that a male virgin, who is not younger than age eight, or older than age fourteen, and who has no sexual experience beyond masturbation, is the opposite of a seven-year-old female virgin, who has no sexual experience beyond masturbation, and who has the same birthday as the male. We also know that an old, sexually experienced, unmarried female, with the same birthday as the male, is the opposite of a forty-nine-year-old, sexually experienced, male. Thus, it is proper for this list to include both an old, sexually experienced, unmarried female, with the same birthday as the male, and a male virgin, who is not younger than age eight, or older than age fourteen, and who has no sexual experience beyond masturbation. If reproduction were the

²⁷ Ibid., p. 54.

only function of sex, every sexual event that occurred within GOD would result in reproduction. We know that this is not the case. Thus, we know that sexual pleasure is also a function of sex. GOD is automatically a participant in all sexual climaxes that occur. Thus, when a male and a female reach a simultaneous, sexual climax, then GOD, the male, and the female experience a mutual state of sexual climax. This experience produces the ultimate in sexual pleasure and meaning. Thus, it is proper for this list to include a simultaneous, sexual climax. We know that sex is the bond between a male and a female. The male responds to this wonderful sex by loving both the female and the sex. The female responds to this wonderful sex by loving both the male and the sex. Thus, it is proper for this list to include love. We know that the opposite of being pregnant is not being pregnant. Thus, it is proper for this list to include no pregnancy. We know that the opposite of reproduction is no reproduction. Thus, it is proper for this list to include no reproduction. Therefore, we have proven that these are the ingredients that must be present in order to achieve optimum sex between a male virgin and a female. Since we have proven that these are the ingredients that must be present in order to achieve optimum sex between a male virgin and a female, we assert that this has now become law.

Absolute Law #184 - OPTIMUM SEX BETWEEN A MALE VIRGIN AND A FEMALE INCLUDES THE FOLLOWING:

- (1) LIVE TOGETHER, OUTSIDE OF MARRIAGE
- (2) PRIVACY
- (3) A COMFORTABLE BED
- (4) THE POSITIVE STIMULATION OF ALL OF MANKIND'S SENSES
- (5) ABSOLUTE PROTECTION AGAINST PREGNANCY (STERILIZED FEMALE)
- (6) AN APHRODISIAC
- (7) SEXUAL INTERCOURSE, FACE-TO-FACE, WITH THE MALE ON TOP OF THE FEMALE
- (8) AN OLD, SEXUALLY EXPERIENCED, UNMARRIED FEMALE, WITH THE SAME BIRTHDAY AS THE MALE
- (9) A MALE VIRGIN, WHO IS NOT YOUNGER THAN AGE EIGHT, OR OLDER THAN AGE FOURTEEN, AND WHO HAS NO SEXUAL EXPERIENCE BEYOND MASTURBATION
- (10) A SIMULTANEOUS, SEXUAL CLIMAX
- (11) LOVE
- (12) NO PREGNANCY
- (13) NO REPRODUCTION

Step #186 - Realize that mental concentration is the vehicle of travel within GOD'S consciousness, and sexual energy

is the fuel for this vehicle. Basically, this is the formula for a sexual climax. In order to achieve a sexual climax, one must concentrate on sexual feeling. When concentration and stimulation reach a peak, a sexual climax is the result. We have already stated that mankind is more at one with GOD during a sexual climax than at any other time. When adequately stimulated, mankind's sex center generates sex energy. If this stimulation is controlled so that a sexual climax is not allowed to occur, then the sex energy that is generated can be channeled into the mind. This result is achieved via mental concentration. Sex energy is the energy of integration. It is possible to synthesize two opposite lower-level thoughts into a single higher-level thought. In other words, sex energy can be used to cause the birth of a thought, or it can be used to cause the birth of a child. The difference in these two realities is that one reality involves an external birth, while the other reality involves an internal birth. This is parallel to the difference between mankind having sex, and GOD having sex. The one reality involves an external birth, and the other reality involves an internal birth. Mental concentration, coupled with sexual energy, is the formula for creation of either a thought, or a child. To GOD, a child is a thought. Therefore, we have proven that mental concentration is the vehicle of travel within GOD'S consciousness, and sexual energy is the fuel for this vehicle. Since we have proven that mental concentration is the vehicle for travel within GOD'S consciousness, and sexual energy is the fuel for this vehicle, we assert that this has now become law.

Absolute Law #185 - MENTAL CONCENTRATION IS THE VEHICLE FOR TRAVEL WITHIN GOD'S CONSCIOUSNESS, AND SEXUAL ENERGY IS THE FUEL FOR THIS VEHICLE!

Step #187 - Realize that mental sex is an internal function. We know that mental sex is thought. We also know that thought is an internal function. Therefore, we have proven that mental sex is an internal function. Since we have proven that mental sex is an internal function, we assert that this has now become law.

Absolute Law #186 - MENTAL SEX IS AN INTERNAL FUNCTION!

Step #188 - Realize that physical sex is an external function. We know that physical sex, between a male and a female, can result in the birth of a child. We also know that this child exists outside of the male and the female. Therefore, we have proven that physical sex is an external function. Since

we have proven that physical sex is an external function, we assert that this has now become law.

Absolute Law #187 - PHYSICAL SEX IS AN EXTERNAL FUNCTION!

Step #189 - Realize that mental sex and physical sex, which always occur simultaneously, are one. Mental sex is thought. To think is to create. Yet, that which is created has physical presence. Thus, mental sex always results in the creation of something that has physical presence. All thoughts have physical presence. Thus, in the case of masturbation, although external reproduction is not possible, internal reproduction in the mind is unavoidable. In the case of sexual intercourse, external reproduction is a distinct possibility, and internal sexual thought is unavoidable. Thus, all forms of sex always include both mental sex and physical sex. Therefore, we have proven that mental sex and physical sex, which always occur simultaneously, are one. Since we have proven that mental sex and physical sex, which always occur simultaneously, are one, we assert that this has now become law.

Absolute Law #188 - MENTAL SEX AND PHYSICAL SEX, WHICH ALWAYS OCCUR SIMULTANEOUSLY, ARE ONE!

Step #190 - Realize that all thoughts are materialized in the mind. We know that to think is to create. We know that to create is to materialize. Therefore, we have proven that all thoughts are materialized in the mind. Since we have proven that all thoughts are materialized in the mind, we assert that this has now become law.

Absolute Law #189 - ALL THOUGHTS ARE MATERIALIZED IN THE MIND!

Step #191 - Realize that positive thought produces positive health, and negative thought produces negative health. We have already proven that all thoughts are materialized in the mind. We know that the presence of positive energy in the mind results in positive health. We also know that the presence of negative energy in the mind results in negative health. Therefore, we have proven that positive thought produces positive health, and negative thought produces negative health. Since we have proven that positive thought produces positive health, and negative thought produces negative health, we assert that this has now become law.

Absolute Law #190 - POSITIVE THOUGHT PRODUCES POSITIVE HEALTH, AND NEGATIVE THOUGHT PRODUCES NEGATIVE HEALTH!

Step #192 - Realize that meditation, which is the lost art of prayer, seeks to achieve positive results through mental concentration. We know that meditation is a form of mental concentration. We have already proven that GOD is the only reality that exists. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. Thus, we have proven that GOD is the only one who thinks. Therefore, all human thought represents communication directly from GOD. Thought is the medium of communication between GOD and mankind. Since thought is the pathway from GOD to mankind, then thought is the pathway from mankind to GOD. We already know that prayer is thought. We also know that people only pray for a positive outcome. Therefore, we have proven that meditation, which is the lost art of prayer, seeks to achieve positive results through mental concentration. Since we have proven that meditation, which is the lost art of prayer, seeks to achieve positive results through mental concentration, we assert that this has now become law.

Absolute Law #191 - MEDITATION, WHICH IS THE LOST ART OF PRAYER, SEEKS TO ACHIEVE POSITIVE RESULTS THROUGH MENTAL CONCENTRATION!

Step #193 - Realize that homosexuality is necessary to counterbalance heterosexuality. We have already proven that every action that occurs within GOD is accompanied by an equal, but opposite, reaction. We know that heterosexuality and homosexuality are opposites. Therefore, we have proven that homosexuality is necessary to counterbalance heterosexuality. Since we have proven that homosexuality is necessary to counterbalance heterosexuality, we assert that this has now become law.

Absolute Law #192 - HOMOSEXUALITY IS NECESSARY TO COUNTERBALANCE HETEROSEXUALITY!

Step #194 - Realize that GOD ordains all forms of birth control, including abortion. We have already proven that GOD ordains everything that actually does occur. We know that all forms of birth control, including abortion, actually do occur. Therefore, we have proven that GOD ordains all forms of birth control, including abortion. Since we have proven that GOD ordains all forms of birth control, including abortion, we assert that this has now become law.

Absolute Law #193 - GOD ORDAINS ALL FORMS OF BIRTH CONTROL, INCLUDING ABORTION!

Step #195 - Realize that GOD ordains all forms of artificial sex that actually do occur, such as artificial insemination and cloning. We have already proven that GOD ordains everything that actually does occur. We know that artificial sex, such as artificial insemination and cloning, actually do occur. Therefore, we have proven that GOD ordains all forms of artificial sex that actually do occur, such as artificial insemination and cloning. Since we have proven that GOD ordains all forms of artificial sex that actually do occur, such as artificial insemination and cloning, we assert that this has now become law.

Absolute Law #194 - GOD ORDAINS ALL FORMS OF ARTIFICIAL SEX THAT ACTUALLY DO OCCUR, SUCH AS ARTIFICIAL INSEMINATION AND CLONING!

Step #196 - Realize that mankind is addicted to sex. We observe that mankind is unable to resist sex. Therefore, we have proven that mankind is addicted to sex. Since we have proven that mankind is addicted to sex, we assert that this has now become law.

Absolute Law #195 - MANKIND IS ADDICTED TO SEX!

Chapter Six

Drugs Revealed

A drug is defined as "...something and often an illegal substance that causes addiction, habituation, or a marked change in consciousness..."²⁸. Throughout history, mankind has been fascinated with drugs. Mankind is fascinated with psychoactive drugs because psychoactive drugs raise mankind's consciousness. This rise in consciousness is accompanied by an increase in sensory perception. This increase in sensory perception results in increased sexual sensation. This combination of higher consciousness, increased sensory perception, and increased sexual sensation is very difficult to resist. Thus, mankind becomes addicted to drugs. Mankind is presently addicted to a number of things, including food, water, air, sleep, and sex. Mankind reaps great pleasure from food, water, air, sleep, and sex. Thus, the addition of drugs to this list represents a positive development.

Step #197 - Realize that all drugs are GOD. We have already proven that GOD is everything. We know that drugs are a part of everything because they actually exist. Therefore, we have proven that all drugs are GOD. Since we have proven that all drugs are GOD, we assert that this has now become law.

Absolute Law #196 - ALL DRUGS ARE GOD!

Step #198 - Realize that all drugs are eternal. We have already proven that GOD is eternal. We have already proven that all drugs are GOD. Therefore, we have proven that all drugs are eternal. Since we have proven that all drugs are eternal, we assert that this has now become law.

Absolute Law #197 - ALL DRUGS ARE ETERNAL!

Step #199 - Realize that all drugs are continuous. We have already proven that GOD is continuous. We have already proven that all drugs are GOD. Therefore, we have proven that all drugs are continuous. Since we have proven that all drugs are continuous, we assert that this has now become law.

Absolute Law #198 - ALL DRUGS ARE CONTINUOUS!

²⁸ Merriam-Webster's Collegiate Dictionary, 10th ed. (Merriam-Webster, inc., 1996), p. 355.

Step #200 - Realize that all drugs are neutral. We have already proven that GOD is neutral. We have already proven that all drugs are GOD. Therefore, we have proven that all drugs are neutral. Since we have proven that all drugs are neutral, we assert that this has now become law.

Absolute Law #199 - ALL DRUGS ARE NEUTRAL!

Step #201 - Realize that since all drugs are neutral, they contain the potential for both good and evil. We have already proven that sex is the synthesis of the opposites, positive and negative, into the neutral. We have already proven that death is the division of the neutral into the opposites, positive and negative. Thus, we have proven that the neutral contains both the positive and the negative. Therefore, we have proven that since all drugs are neutral, they contain the potential for both good and evil. Because we have proven that since all drugs are neutral, they contain the potential for both good and evil, we assert that this has now become law.

Absolute Law #200 - SINCE ALL DRUGS ARE NEUTRAL, THEY CONTAIN THE POTENTIAL FOR BOTH GOOD AND EVIL!

Step #202 - Realize that GOD is a drug dealer. We have already proven that GOD is in absolute control of everything, everywhere, forever. We know that drugs are a part of everything. Therefore, we have proven that GOD is in absolute control of all drugs. We know that drugs are distributed regularly upon the Earth. Therefore, we have proven that GOD is a drug dealer. Since we have proven that GOD is a drug dealer, we assert that this has now become law.

Absolute Law #201 - GOD IS A DRUG DEALER!

Step #203 - Realize that GOD ordains all drug use. We have already proven that GOD ordains everything that actually does occur. We know that drug use actually does occur. Therefore, we have proven that GOD ordains all drug use. Since we have proven that GOD ordains all drug use, we assert that this has now become law.

Absolute Law #202 - GOD ORDAINS ALL DRUG USE!

Step #204 - Realize that when mankind uses certain psychoactive drugs, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result. People, who have been under the influence of these drugs, have confirmed

the fact that they experienced a noticeable increase in consciousness, sensory perception, and sexual sensation as the result of using these drugs. (Note: Scientists would like to know exactly how various psychoactive drugs affect mankind. They have been able to establish the fact that the use of certain psychoactive drugs results in the establishment of additional mental connections to pleasure centers in the human brain. It is these additional mental connections to pleasure centers in the human brain that is responsible for this noticeable increase in consciousness, sensory perception, and sexual sensation.) Therefore, we have proven that when mankind uses certain psychoactive drugs, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result. Since we have proven that when mankind uses certain psychoactive drugs, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result, we assert that this has now become law.

Absolute Law #203 - WHEN MANKIND USES CERTAIN PSYCHOACTIVE DRUGS, A NOTICEABLE INCREASE IN CONSCIOUSNESS, SENSORY PERCEPTION, AND SEXUAL SENSATION IS THE RESULT!

Step #205 - Realize that certain psychoactive drugs are instruments of learning. We have already proven that when mankind uses certain psychoactive drugs, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result. We know that learning is connected to consciousness. Thus, an increase in consciousness is equal to an increase in learning. Therefore, we have proven that certain psychoactive drugs are instruments of learning. Since we have proven that certain psychoactive drugs are instruments of learning, we assert that this has now become law.

Absolute Law #204 - CERTAIN PSYCHOACTIVE DRUGS ARE INSTRUMENTS OF LEARNING!

Step #206 - Realize that certain psychoactive drugs are aphrodisiacs. People, who have been under the influence of these drugs, have confirmed the fact that when they had sex while they were high on these drugs, they experienced an increase in sexual sensation, and a prolonged sexual climax. Therefore, we have proven that certain psychoactive drugs are aphrodisiacs. Since we have proven that certain psychoactive drugs are aphrodisiacs, we assert that this has now become law.

Absolute Law #205 - CERTAIN PSYCHOACTIVE DRUGS ARE APHRODISIACS!

Step #207 - Realize that to use certain psychoactive drugs is equal to making a move towards GOD. We have already proven that GOD is the only reality that exists. We have already proven that GOD is alive, conscious, intelligent, and thoughtful. Therefore, we have proven that only GOD is conscious. We have already proven that when mankind uses certain psychoactive drugs, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result. Since only GOD is conscious, an increase in one's consciousness is equal to an increase in one's consciousness of GOD. Thus, to increase one's consciousness of GOD is to move closer to GOD. Therefore, we have proven that to use certain psychoactive drugs is equal to making a move towards GOD. Since we have proven that to use certain psychoactive drugs is equal to making a move towards GOD, we assert that this has now become law.

Absolute Law #206 - TO USE CERTAIN PSYCHOACTIVE DRUGS IS EQUAL TO MAKING A MOVE TOWARDS GOD!

Step #208 - Realize that society should endorse the use of certain psychoactive drugs. We have already proven that all drugs are GOD. We have already proven that GOD is a drug dealer. We have already proven that GOD ordains all drug use. Thus, we reason that if GOD wants drugs to be used upon the Earth, then society should also want drugs to be used upon the Earth. Therefore, we have proven that society should endorse the use of certain psychoactive drugs. Since we have proven that society should endorse the use of certain psychoactive drugs, we assert that this has now become law.

Absolute Law #207 - SOCIETY SHOULD ENDORSE THE USE OF CERTAIN PSYCHOACTIVE DRUGS!

Step #209 - Realize that effective immediately all drugs should be legalized worldwide. We have already proven that society should endorse the use of certain psychoactive drugs. We have already proven that GOD ordains all drug use. We have already proven that GOD is a drug dealer. Thus, presently GOD is considered to be a criminal on planet Earth. This ludicrous situation cannot be allowed to continue. Thus, effective immediately all drugs should be legalized worldwide. Therefore, we have proven that effective immediately all drugs should be legalized worldwide. Since we have proven that effective immediately all drugs should be legalized worldwide, we assert that this has now become law.

Absolute Law #208 - EFFECTIVE IMMEDIATELY ALL DRUGS SHOULD BE
LEGALIZED WORLDWIDE!

Chapter Seven

The Code Revealed

Step #210 - Realize that all labels are predetermined, and because they are predetermined, they contain essential facts about the things that they describe. We have already proven that GOD is predetermined. We have already proven that GOD is everything. We know that labels are a part of everything because they actually exist. Thus, we have proven that all labels are GOD. Therefore, we have proven that all labels are predetermined. We know that if all labels were randomly assigned, these labels would definitely not have a logical connection to the things that they describe. We know that predetermined and random are opposites. Thus, we know that since all labels are predetermined, there is a logical connection between these labels and the things that they describe. Since there is a logical connection between all labels and the things that they describe, all labels contain essential facts about the things that they describe. Therefore, we have proven that all labels are predetermined, and because they are predetermined, they contain essential facts about the things that they describe. Since we have proven that all labels are predetermined, and because they are predetermined, they contain essential facts about the things that they describe, we assert that this has now become law.

Absolute Law #209 - ALL LABELS ARE PREDETERMINED, AND BECAUSE THEY ARE PREDETERMINED, THEY CONTAIN ESSENTIAL FACTS ABOUT THE THINGS THAT THEY DESCRIBE!

Step #211 - Realize that etymology can provide valuable information regarding the essential meaning of a label. Etymology is defined as "...1 : the history of a linguistic form (as a word) shown by tracing its development since its earliest recorded occurrence in the language where it is found, by tracing its transmission from one language to another, by analyzing it into its component parts, by identifying its cognates in other languages, or by tracing it and its cognates to a common ancestral form in an ancestral language..."²⁹. We already know that etymology can provide valuable information regarding the essential meaning of a label. Therefore, it has already been proven that etymology can provide valuable information regarding the essential meaning of a label. Since it has already been proven that etymology can provide valuable

²⁹ Ibid., p. 399.

information regarding the essential meaning of a label, we assert that this has now become law.

Absolute Law #210 - ETYMOLOGY CAN PROVIDE VALUABLE INFORMATION REGARDING THE ESSENTIAL MEANING OF A LABEL!

Step #212 - Realize that each letter of the alphabet is a symbol with its own special meaning, and each individual letter could be read as if it were a word, a sentence, a paragraph, or even a story. We already know that this is true. Therefore, it has already been proven that each letter of the alphabet is a symbol with its own special meaning, and each individual letter could be read as if it were a word, a sentence, a paragraph, or even a story. Since it has already been proven that each letter of the alphabet is a symbol with its own special meaning, and each individual letter could be read as if it were a word, a sentence, a paragraph, or even a story, we assert that this has now become law.

Absolute Law #211 - EACH LETTER OF THE ALPHABET IS A SYMBOL WITH ITS OWN SPECIAL MEANING, AND EACH INDIVIDUAL LETTER COULD BE READ AS IF IT WERE A WORD, A SENTENCE, A PARAGRAPH, OR EVEN A STORY!

Step #213 - Realize that all words, sentences, paragraphs, and stories are actually circular rather than linear. We have already proven that GOD travels a circular path. We have already proven that GOD is everything. We know that words, sentences, paragraphs, and stories are a part of everything because they actually exist. Therefore, we have proven that words, sentences, paragraphs, and stories are GOD. Thus, we have proven that words, sentences, paragraphs, and stories travel a circular path. This means that words, sentences, paragraphs, and stories are circular. Therefore, we have proven that all words, sentences, paragraphs, and stories are actually circular rather than linear. Since we have proven that all words, sentences, paragraphs, and stories are actually circular rather than linear, we assert that this has now become law. (Note: When words, sentences, paragraphs, and stories become circular, some of them take on additional meaning. For example, let us examine the word earth in circular form. The word earth is made circular by joining the e and the h to form a circle. In circular form, the word earth can be interpreted to mean all of the following:

- (1) The ear (double use of the letter e)
- (2) Hear
- (3) Heart
- (4) The art (double use of the letter t)

- (5) He art
- (6) Hearth (double use of the letter h)
- (7) Art he
- (8) Earth

Thus, when we make words, sentences, paragraphs, and stories circular, some of them take on additional meaning.)

Absolute Law #212 - ALL WORDS, SENTENCES, PARAGRAPHS, AND STORIES ARE ACTUALLY CIRCULAR RATHER THAN LINEAR!

Step #214 - Realize that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning. We have already proven that all labels are predetermined, and because they are predetermined, they contain essential facts about the things that they describe. Thus, we know that the label planet Earth is predetermined, and because it is predetermined, it contains essential facts about the thing that it describes. Planet sounds like plan it. Earth begins with the root word ear, which is the organ that interprets sound. Therefore, the label planet Earth is interpreted to mean plan it sounds like. Thus, the code for planet Earth involves replacing one word with another word that has the same sound, but a different meaning. Therefore, we have proven that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning. Since we have proven that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning, we assert that this has now become law.

Absolute Law #213 - THE CODE FOR PLANET EARTH IS A PHONIC CODE THAT REPLACES ONE WORD WITH ANOTHER WORD THAT HAS THE SAME SOUND BUT A DIFFERENT MEANING!

Chapter Eight

The "Holy Bible" Revealed

Step #215 - Realize that GOD wrote the "Holy Bible". We have already proven that GOD is the only reality that exists. Thus, we have proven that GOD is the only author that exists. Since GOD is the only author that exists, GOD is the only one who has ever written anything. Therefore, we have proven that GOD wrote the "Holy Bible". Since we have proven that GOD wrote the "Holy Bible", we assert that this has now become law.

Absolute Law #214 - GOD WROTE THE "HOLY BIBLE"!

Step #216 - Realize that the "Holy Bible" is actually the "Wholly Bible". We have already proven that GOD is the only reality that exists. Thus, we have proven that GOD is the whole. Also, we have proven that all books are about GOD. Thus, the "Holy Bible", which is a book, is about GOD, who is the whole. We have already proven that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning. Thus, the word holy should be replaced with the word wholly. Therefore, we have proven that the "Holy Bible" is actually the "Wholly Bible". Since we have proven that the "Holy Bible" is actually the "Wholly Bible", we assert that this has now become law.

Absolute Law #215 - THE "HOLY BIBLE" IS ACTUALLY THE "WHOLLY BIBLE"!

Step #217 - Realize that the Holy Spirit is actually the Wholly Spirit. We have already proven that GOD is the whole. We have already proven that GOD is everything. We know that the Holy Spirit is a part of everything. Therefore, we have proven that the Holy Spirit is GOD. Thus, we have proven that the Holy Spirit is the whole. We have already proven that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning. We have already shown that the word holy actually refers to the word wholly. Therefore, we have proven that the Holy Spirit is actually the Wholly Spirit. Since we have proven that the Holy Spirit is actually the Wholly Spirit, we assert that this has now become law.

Absolute Law #216 - THE HOLY SPIRIT IS ACTUALLY THE WHOLLY SPIRIT!

Step #218 - Realize that when one is baptized in the Wholly Spirit, one becomes conscious of the fact that GOD is the whole. We have already proven that GOD is the whole. We have already proven that the Holy Spirit is actually the Wholly Spirit. We know that the object of a baptism in the Wholly Spirit is to achieve consciousness of the Wholly Spirit. Thus, the object of a baptism in the Wholly Spirit is to achieve consciousness of the fact that GOD is the whole. Therefore, we have proven that when one is baptized in the Wholly Spirit, one becomes conscious of the fact that GOD is the whole. Since we have proven that when one becomes baptized in the Wholly Spirit, one becomes conscious of the fact that GOD is the whole, we assert that this has now become law.

Absolute Law #217 - WHEN ONE IS BAPTIZED IN THE WHOLLY SPIRIT, ONE BECOMES CONSCIOUS OF THE FACT THAT GOD IS THE WHOLE!

Step #219 - Realize that to read, study, and understand this book, "GOD Glorified - Revelation of the Absolute Truth", corresponds to being baptized in the Wholly Spirit. We have proven that when one is baptized in the Wholly Spirit, one becomes conscious of the fact that GOD is the whole. We have proven in this book that GOD is the whole. Thus, one who reads, studies, and understands this book must realize that GOD is the whole. Therefore, we have proven that to read, study, and understand this book, "GOD Glorified - Revelation of the Absolute Truth", corresponds to being baptized in the Wholly Spirit. Since we have proven that to read, study, and understand this book, "GOD Glorified - Revelation of the Absolute Truth", corresponds to being baptized in the Wholly Spirit, we assert that this has now become law.

Absolute Law #218 - TO READ, STUDY, AND UNDERSTAND THIS BOOK, "GOD GLORIFIED - REVELATION OF THE ABSOLUTE TRUTH", CORRESPONDS TO BEING BAPTIZED IN THE WHOLLY SPIRIT!

Step #220 - Realize that the Holy Trinity, which is the Father, the Son, and the Holy Spirit, contains an obvious error. We know that in the Holy Trinity the Father, the Son, and the Holy Spirit are synthesized into one entity. We have already proven that sex is the synthesis of the opposites, positive and negative, into the neutral. We know that the Father and the Son are not opposites. Thus, synthesis of the Father and the Son is not possible. Since the synthesis of all three components of the Holy Trinity is a requirement, it is an obvious error to include the Son in the Holy Trinity. Therefore, we have proven that the Holy Trinity, which is the Father, the Son, and the Holy Spirit,

contains an obvious error. Since we have proven that the Holy Trinity, which is the Father, the Son, and the Holy Spirit, contains an obvious error, we assert that this has now become law.

Absolute Law #219 - THE HOLY TRINITY, WHICH IS THE FATHER, THE SON, AND THE HOLY SPIRIT, CONTAINS AN OBVIOUS ERROR!

Step #221 - Realize that the Holy Trinity is actually the Wholly Trinity. We have already proven that the code for planet Earth is a phonic code that replaces one word with another word that has the same sound but a different meaning. We have already proven that the "Holy Bible" is actually the "Wholly Bible". We have already proven that the Holy Spirit is actually the Wholly Spirit. Thus, we have proven that the word wholly should be substituted for the word holy. Trinity is defined as "...1 : the unity of Father, Son, and Holy Spirit as three persons in one Godhead according to Christian dogma..."³⁰. Thus, the Holy Trinity represents the synthesis of the Father, the Son, and the Holy Spirit into one entity, which is the whole. Therefore, we have proven that the Holy Trinity is actually the Wholly Trinity. Since we have proven that the Holy Trinity is actually the Wholly Trinity, we assert that this has now become law.

Absolute Law #220 - THE HOLY TRINITY IS ACTUALLY THE WHOLLY TRINITY!

Step #222 - Realize that the Wholly Trinity is actually the Father, the Daughter, and the Wholly Spirit. We know that the three components of the Wholly Trinity are synthesized into one entity. We have already proven that sex is the synthesis of the opposites, positive and negative, into the neutral. We know that the Father represents an old male. We know that the Daughter represents a young female. We know that an old male is the opposite of a young female. Thus, we know that the Father and the Daughter are opposites. We have already proven that GOD is neutral. We have already proven that males are positive. We have already proven that females are negative. We have already proven that GOD is a perpetual, sexual climax. We know that when a male, a female, and GOD are joined in a simultaneous, sexual climax, reproduction could be the result. Thus, during a simultaneous, sexual climax a male, a female, and GOD become one. Therefore, we have proven that the Wholly Trinity is actually the Father, the Daughter, and the Wholly Spirit. Since we have proven that the Wholly Trinity is actually the Father,

³⁰ Ibid., p. 1263.

the Daughter, and the Wholly Spirit, we assert that this has now become law.

Absolute Law #221 - THE WHOLLY TRINITY IS ACTUALLY THE FATHER, THE DAUGHTER, AND THE WHOLLY SPIRIT!

Step #223 - Realize that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth. We know from our own human history that the quality of our lives improves as our knowledge increases. Mankind has been led to believe that gaining admittance into heaven is life's highest goal. Heaven is supposed to be extremely wonderful. Thus, one who lives in heaven experiences a life of unsurpassed quality. We know that a life of unsurpassed quality is accompanied by unsurpassed knowledge. We know that there is no truth greater than the absolute truth. Therefore, we know that the absolute truth exists in heaven. Thus, we know that life is based upon the absolute truth in heaven. Knowledge of the absolute truth results in unsurpassed consciousness. We know that all things that actually exist occupy space. We know that mental consciousness actually exists. Thus, we know that mental consciousness occupies physical space. Therefore, we have proven that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth. Since we have proven that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth, we assert that this has now become law.

Absolute Law #222 - IN HEAVEN, WHICH IS BOTH A STATE OF MENTAL CONSCIOUSNESS AND A PHYSICAL PLACE, LIFE IS BASED UPON THE ABSOLUTE TRUTH!

Step #224 - Realize that in hell, which is both a state of mental consciousness and a physical place, life is based upon illusion. We have already proven that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth. We know that heaven and hell are opposites. We also know that the absolute truth and illusion are opposites. Thus, we have proven that in hell, life is based upon illusion. The lack of knowledge of the absolute truth results in limited consciousness. We know that all things that actually exist occupy space. We know that mental consciousness actually exists. Thus, we know that mental consciousness occupies physical space. Therefore, we have proven that in hell, which is both a state of mental consciousness and a physical place, life is based upon illusion. Since we have proven that in hell, which

is both a state of mental consciousness and a physical place, life is based upon illusion, we assert that this has now become law.

Absolute Law #223 - IN HELL, WHICH IS BOTH A STATE OF MENTAL CONSCIOUSNESS AND A PHYSICAL PLACE, LIFE IS BASED UPON ILLUSION!

Step #225 - Realize that when you began reading this book you were in hell!

Step #226 - WELCOME TO HEAVEN!

This concludes the proof. We shall now proceed beyond proof.

Chapter Nine

Beyond Proof - The Kingdom Of Heaven Upon The Earth

Realize that GOD is ready to reveal himself to mankind. The end of time has come! The dreaded judgement day has arrived!

We have proven that time is in perpetual motion. Thus, we know that time never stops. Since time never stops, what do we mean when we say that the end of time has come? The end of time refers to a period when we realize that mankind is eternal. Time does not have much meaning to one who realizes that he, or she, is eternal.

We have proven that the final judgement of mankind has already occurred, and mankind has been found to be absolutely innocent of having done anything, either right or wrong. This is because mankind is not responsible for the things that GOD has done. Thus, mankind has been given a green light to enter into the kingdom of heaven.

This amounts to a changing of the guard. Mankind has been experiencing the kingdom of hell upon the Earth. It is now time for mankind to experience the kingdom of heaven upon the Earth. So, let the celebration begin!

We have proven that GOD is in absolute control of everything, everywhere, forever. Until now, GOD has withheld the absolute truth from mankind.

The absolute truth is mankind's ticket into heaven. Life that is based upon the absolute truth is heaven. Thus, to gain entrance into the kingdom of heaven mankind must embrace the absolute truth. In return, the absolute truth will embrace mankind.

The long promised golden age of mankind has finally arrived. The acquisition of knowledge has always been considered to be a very worthwhile endeavor. Thus, the absolute truth should be greatly cherished and warmly embraced. It is the absolute truth that shall lead mankind into the golden age.

The time of baptism in the Wholly Spirit has finally come. We have proven that to read, study, and understand this book, "GOD Glorified - Revelation of the Absolute Truth", corresponds to being baptized in the Wholly Spirit. This is true because

when one is baptized in the Wholly Spirit, one is taught to understand the absolute truth.

GOD has given mankind the key that unlocks the gates of heaven. We have proven that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth. We have also proven that in hell, which is both a state of mental consciousness and a physical place, life is based upon illusion. Thus, the difference between heaven and hell is a matter of consciousness. We have proven that GOD is the only reality that exists. We have proven that GOD is alive, conscious, intelligent, and thoughtful. Thus, we have proven that only GOD is conscious. This means that all consciousness is actually consciousness of GOD. Thus, to make the mental journey from hell to heaven amounts to progressing from a mental state of not knowing the absolute truth to a mental state of understanding the absolute truth. Therefore, the key that GOD has given us is a cognitive key that unlocks the doors in the human mind. This key is Absolute Law #1 - IT IS IMPOSSIBLE FOR ABSOLUTE NOTHINGNESS TO EXIST! There is no doubt that this law is absolutely true. Thus, when we insert this concept into the human mind, we insert the potential to eventually unlock all of the doors in the human mind. We have proven that GOD is the only reality that exists. Thus, we have proven that only GOD has a mind. Therefore, the human mind is actually GOD'S mind. Thus, when we insert this concept into the human mind, we insert the potential to eventually unlock all of the doors in GOD'S mind. To unlock all the doors in GOD'S mind is equal to unlocking the gates of heaven.

We have proven that GOD creates by thinking. This is an important realization. GOD thinks sexual thoughts, and the Earth is one result of these sexual thoughts.

We have proven that energy is everywhere. We have proven that all energy is sex energy. We have proven that GOD is a perpetual, sexual climax. We have proven that GOD is perpetually preoccupied with sexual thought. We have proven that sex could not be more important. Thus, sex is preeminent.

The absolute truth shall impact human sexuality more than any other aspect of mankind's existence. The reason for this is that sex is the source of all life. We have proven that sex is the common denominator of existence. Thus, sex is the source of all of mankind's current problems. Sex shall also be the source of all of GOD'S current solutions for mankind.

Humanity can be calibrated by making adjustments in human sexual behavior. Mankind must optimize human sexual behavior. It is a prerequisite to entering the kingdom of heaven. Whether one is in heaven or hell, sex is life's most pleasant activity. In heaven, sex shall be in perfect focus. In hell, sex is substantially out of focus.

We have already defined optimum sex for both female virgins and male virgins. Human sexual behavior must be altered to accommodate the requirements for optimum sex if mankind is to experience the kingdom of heaven upon the Earth. All roads that lead to heaven pass through optimum sex.

Thus, if mankind refuses to alter human sexual behavior to accommodate the requirements for optimum sex, than GOD shall refuse to allow mankind to enter the kingdom of heaven. Since GOD shall be the one who decides what mankind will do, we suggest that mankind prepare to make a change in human sexual behavior.

The alternative to changing human sexual behavior is the death of planet Earth. Thus, we suggest that mankind should pray for optimum sex and heaven.

The kingdom of heaven upon the Earth must include a happy, safe, and secure family unit that is not going to separate. It must also include a happy, safe, and secure world. GOD has given mankind the knowledge that is necessary to establish the kingdom of heaven upon the Earth. Mankind must act to make the kingdom of heaven upon the Earth a reality.

In life, it can be very difficult to make certain changes. The greater a proposed change may be, the more difficult it will be to enact such a change. Force is sometimes required to accomplish certain changes. GOD is in a position to use force to accomplish his goals. In fact, GOD always uses force to accomplish his goals. Thus, mankind should be prepared to experience the force of GOD.

We have proven that GOD designed males to rule over females. We have proven that GOD designed females to be ruled over by males. Thus, the males of the Earth must take charge of both the Earth and the females. The males of the Earth are expected to provide leadership. GOD holds the males responsible for the Earth and the females. Females expect males to lead them. Thus, it is the males of the Earth who shall lead the females of the Earth into the kingdom of heaven upon the Earth.

Mankind must work together, in unison, to experience the kingdom of heaven upon the Earth. The absolute truth shall unite all peoples of the Earth in heaven. Imagine what a world that is united in understanding and prayer will accomplish. The potential for goodness and happiness is certainly great. Life is such a beautiful opportunity. Life should be allowed to reach its full potential for both goodness and greatness. The kingdom of heaven upon the Earth offers mankind an opportunity to maximize life. The kingdom of heaven upon the Earth is such a lovely reality.

We have proven that the sole purpose for the existence of the Earth, and all of its inhabitants, is that it gives GOD sexual pleasure. We have proven that to GOD, life is sexual feeling. Thus, mankind must realize that GOD views the Earth in sexual terms. GOD'S main goal for the Earth is for the Earth to produce maximum sexual feeling and meaning. This is because GOD is the one who feels and understands the sexual sensations that are generated upon planet Earth. We must remember that to GOD, the Earth is a sex product. To GOD, the Earth is a sex factory that produces sexual climaxes. Thus, the Earth represents the reproduction of GOD, or GOD'S child.

GOD'S main goal for the Earth is for the Earth to produce maximum sexual feeling and meaning. Mankind's main goal is to gain admittance into the kingdom of heaven. We have shown that all roads to heaven pass through optimum sex. Optimum sex results in maximum sexual feeling and meaning. Thus, both GOD and mankind reach their mutual goal with the establishment of the kingdom of heaven upon the Earth. GOD'S plan for mankind and the Earth has always been to establish the kingdom of heaven upon the Earth. Thus, sex has always been the object of life, and life has always been the object of sex. The fact that sex is so wonderful that it is addictive guarantees that sex can never be abandoned. Thus, both GOD and mankind are addicted to sex. Therefore, both GOD and mankind shall experience a state of complete sexual ecstasy in the kingdom of heaven upon the Earth.

We have proven that GOD is the only reality that exists. We have proven that GOD is alive, conscious, intelligent, and thoughtful. Thus, we have proven that only GOD is alive, conscious, intelligent, and thoughtful. Therefore, we have proven that only GOD has a brain. In fact, GOD is all brain. GOD'S brain is everywhere. We know that people exist. We know that people have brains. Thus, we know that GOD shares his brain with mankind. Therefore, we know that the human brain is a communications device that links GOD and mankind.

We know that the human brain contains two hemispheres. Generally, the left hemisphere performs logical functions, and the right hemisphere performs emotional functions. We know that logic and emotion are opposites. We know that, generally, males are logical, and females are emotional.

We have proven that sex is the synthesis of the opposites, positive and negative, into the neutral. We have proven that GOD is neutral. Thus, when we synthesize the opposites, logic and emotion, we enter GOD'S mind. In fact, one enters GOD'S mind every time that one synthesizes two opposite thoughts into a single neutral thought.

Realize that GOD'S mind is the source of all the information that is contained within this book, "GOD Glorified - Revelation of the Absolute Truth". Further realize that passage into GOD'S mind is strictly by invitation only. By revealing himself to mankind, GOD is extending an invitation to mankind to share his knowledge, which is the absolute truth. Thus, this book, "GOD Glorified - Revelation of the Absolute Truth", is actually a revelation of GOD'S mind.

GOD has chosen to reveal himself to mankind because GOD wants to improve the quality of life upon the Earth. GOD wants to improve the quality of life upon the Earth because the Earth is a part of GOD. Thus, to improve the quality of life upon the Earth is to improve the quality of life within GOD. Therefore, GOD is ready to establish the kingdom of heaven upon the Earth.

Realize that GOD creates things so that he can destroy them. Further realize that GOD destroys things so that he can recreate them. This process continues forever. We have proven that GOD travels a circular path. It is this circular travel that causes all things to reverse themselves. Thus, things oscillate from one side to the other. Light is a good example of this phenomenon. Thus, life upon the Earth oscillates between heaven and hell. Clearly, it is now time for a changing of the guard upon planet Earth. It is time for the kingdom of heaven upon the Earth to have its turn.

We have already proven that the positive is an octave above the negative, and the neutral is an octave above the positive. This means that the force of good is an octave above the force of evil. Therefore, the good will always conquer the evil. GOD designed the good to rule over the evil just as GOD designed males to rule over females. Thus, it is time for the force of good to reign.

In the kingdom of heaven upon the Earth, GOD is king. Thus, in the kingdom of heaven upon the Earth, life is based upon GOD'S laws. We have already proven that GOD is sex. We have already proven that GOD is perfect. Thus, we have proven that GOD is perfect sex. Therefore, in the kingdom of heaven upon the Earth, perfect sex reigns.

We have proven that in heaven, which is both a state of mental consciousness and a physical place, life is based upon the absolute truth. Thus, the absolute truth is GOD'S law.

We have proven that death is the division of the neutral into the opposites, positive and negative. This is the absolute law that relates to the breakdown of the institutional family. The breakdown of the institutional family creates numerous problems for mankind. We realize that divorce is not an object of marriage. Divorce occurs because the bond between a husband and his wife is not sufficiently strong to keep them together. We know that sex is the bond between a male and a female. Thus, we know that there is a relationship between a weak sexual bond and a divorce. The weaker the sexual bond is between a married couple the more likely they are to divorce. Thus, if we can increase the strength of the sexual bond in marriage, we can greatly reduce, or eliminate, divorce.

To convert the kingdom of hell upon the Earth to the kingdom of heaven upon the Earth, we must calibrate human sexual behavior. Human sexuality will be in perfect focus after it has been calibrated.

Chapter Ten

Human Sexuality Calibrated

We shall begin by explaining how the institution of marriage will be effected by the calibration of human sexuality. To GOD, marriage refers to the synthesis of the positive and the negative into the neutral. Therefore, to GOD a human child is an example of marriage. Thus, marriage shall be the vehicle of reproduction. This means that marriage shall not include any form of birth control, whatsoever.

Marriage shall be for life. Only death can end a marriage. There are no divorces in the kingdom of heaven upon the Earth.

All females shall be virgins when they marry, and they must verify that they possess a hymen by passing a physical examination. A competent physician shall perform this physical examination. The physician must swear to the virginity of the female by signing the marriage license. If a female is not a virgin at the time when she is supposed to marry, she will never be allowed to marry. Furthermore, any female who loses her virginity outside of the institution of marriage will be sterilized as soon as it is discovered that she is not a virgin. It is considered to be a very serious crime for a person to break the hymen of a female outside of the institution of marriage.

All males must be sexually experienced when they marry. A male must complete a course of study in human sexual relations, and he must demonstrate his sexual competency by passing an examination. A competent teacher shall administer this examination. The teacher is required to verify the sexual competency of the male by signing the marriage license.

The time for marriage is the same for all female virgins. All female virgins are required to marry on the day before their eighth birthday.

All males must be at least forty-nine-years-old before they are allowed to marry.

Only females who are married are allowed to give birth to children.

Every husband and his wife have the same birthday. Hopefully, they were born during the same hour of the day, and

during the same minute of the hour. If a perfect match does not exist, then the match should be as close as possible.

When a married man dies, his widow is sterilized. After an appropriate time of mourning has passed, the widow is remated, outside of the institution of marriage, to a male virgin who is not younger than eight years old, or older than fourteen years old. This relationship is for life, and it shall end upon the death of either mate.

When the mate of a male virgin dies, the male is allowed to marry a seven-year-old virgin if he is at least forty-nine-years-old. If the male is not yet forty-nine-years-old, he must wait to marry. Also, an appropriate time of mourning must pass before the male is allowed to marry.

Every male virgin and his mate have the same birthday. Hopefully, they were born during the same hour of the day, and during the same minute of the hour. If a perfect match does not exist, then the match should be as close as possible.

Generally, old males are attracted to young females, and young males are attracted to old females. Generally, old females are attracted to young males, and young females are attracted to old males. In the kingdom of heaven upon the Earth, the young and the old of both sexes are granted their sexual preferences.

We experience other benefits from mating the young and the old. Those who are old are experienced, and they can teach the young who are inexperienced. Those who are young have energy, and they can care for the old who lack energy. One of the most important duties of the old is to teach human sexuality to the young.

Thus, this is the way that human sexuality shall be calibrated. To institute these changes in human sexual behavior brings human sexual behavior in line with the absolute truth. Thus, sex becomes in perfect focus when these changes are instituted by society.

Chapter Eleven

Behavior And Customs In The Kingdom Of Heaven Upon The Earth

In the kingdom of heaven upon the Earth, all human behavior is based upon one simple idea. This idea is the unconditional respect and worship of GOD. We recognize all things that exist as GOD. Thus, mankind shall respect all things that exist. Furthermore, since GOD is in absolute control of everything, everywhere, forever, mankind shall worship GOD. Thus, in the kingdom of heaven upon the Earth, we shall treat others as we would like to be treated, and we shall worship GOD.

We have already stated that human sexuality shall be in perfect focus in the kingdom of heaven upon the Earth. The sanctity of human sexual relations shall be strictly honored in the kingdom of heaven upon the Earth. In the kingdom of heaven upon the Earth, sex shall only occur between those who have been formally mated. Thus, many of the human customs that exist in the kingdom of heaven upon the Earth shall relate to fidelity.

In the kingdom of heaven upon the Earth, the male is the leader. The male is expected to be the one who makes important decisions. Generally, the male is expected to conduct all affairs that occur outside of the dwelling.

In the kingdom of heaven upon the Earth, the female respects the wishes of her male mate. Generally, the female is expected to be responsible for all affairs that occur inside the dwelling. Specifically, the duties of the female shall include, but are not limited to, washing clothes, ironing clothes, preparing meals, cleaning house, providing sex to her mate at the time of his choosing, and raising children.

Should it become necessary for a female to leave the dwelling for any reason, she must completely cover her body, excluding her face, with black clothing that fits loosely and is not transparent. While outside of the dwelling, the face of a female shall be covered with a black veil. This veil shall allow a female to see, but it shall not allow the face of a female to be recognized. Furthermore, while outside of the dwelling, a female is strictly forbidden to speak to any male, other than her own mate, or a member of her family, unless it is absolutely essential communication. Likewise, a male is strictly forbidden to speak to a female who is outside of her dwelling, unless the male is related to the female, or unless it is absolutely

essential communication. Thus, males are not tempted to become sexually attracted to any females, other than their own mates.

While outside of the dwelling, the female shall walk behind her male mate, should he happen to accompany her. The reason for this is that it demonstrates a female's willingness to follow the lead of her male mate. In the kingdom of heaven upon the Earth, the male provides leadership for the female.

While in the dwelling, the female shall only wear clothing that is black in color. Thus, in the kingdom of heaven upon the earth, all clothing for females is black in color. The reason for this is that matter = negative = females = black.

All males shall wear clothing that is white in color in the kingdom of heaven upon the Earth. The reason for this is that light = positive = males = white.

Females do not attend school, outside of the dwelling, in the kingdom of heaven upon the Earth. However, females do receive much instruction. Initially, instruction comes from the female's family. Later, instruction comes from a female's mate.

In the kingdom of heaven upon the Earth, males begin to attend school at age eight, and males stop attending school the day that they die. The older males function as teachers. The younger males function as students. The concepts of religion, school, and work are all integrated into one phenomenon in the kingdom of heaven upon the Earth. All able-bodied males gather each day, except on Sundays, to attend to the business affairs associated with running life in the kingdom of heaven upon the Earth. Sundays are special days. Generally, Sundays are for rest and worship. Only absolutely essential work is performed on Sundays. Through worshiping, studying, and working together males learn how to be responsible men. The males are responsible for the affairs of the world community. Thus, in the kingdom of heaven upon the Earth, all males are expected to contribute both time and energy to the world community. The kingdom of heaven upon the Earth is one world united in GOD.

In the kingdom of hell upon the Earth, the adults withhold much of life from the young people of the world. Young people are routinely excluded from participation in many of life's most meaningful and pleasant activities. The young people of the world are uniformly freed from this bondage in the kingdom of heaven upon the Earth. In the kingdom of heaven upon the Earth, females are considered to be adults on the day before their

eighth birthday. In the kingdom of heaven upon the Earth, males are considered to be adults when they are mated. All males must be at least eight-years-old, and not older than fourteen-years-old, when they mate. Thus, in the kingdom of heaven upon the Earth, the young people of the world are not considered to be second class citizens. In the kingdom of heaven upon the Earth, the young people of the world are considered to be adults. Therefore, the young people of the world are set free in the kingdom of heaven upon the Earth.

All people are considered to be equal, but different, in the kingdom of heaven upon the Earth. No one person is any better, or any worse, than any other person. However, no two people are exactly alike. Thus, each person plays a different roll in life.

In the kingdom of heaven upon the Earth, GOD shall rule over the males, and the males shall rule over the females. Mankind shall experience happiness, and mankind shall essentially be free of burden. Mankind shall experience harmony instead of discord. Life shall flourish in the kingdom of heaven upon the Earth. Sex shall be preeminent, goodness shall prevail, and GOD shall be king.

Chapter Twelve

GOD Reclaims Planet Earth

We have already proven that GOD is the only reality that exists. We have already proven that GOD is in absolute control of everything, everywhere, forever. Thus, there can be no doubt about the fact that GOD owns all things that exist. This includes planet Earth. Thus, effective immediately GOD reclaims planet Earth. Any and all leases, deeds, or other types of legal documents that are intended to confer any form of ownership, or right of use, of any thing, are hereby declared to be null and void. The reason for this action is that it has been proven that GOD is the rightful owner of all things. This includes every spec of planet Earth.

It is GOD'S intention to establish the kingdom of heaven upon the Earth. GOD intends to share planet Earth with mankind. However, GOD intends to share planet Earth with all of mankind, not just some of mankind. What is good for one is good for all. If one man has the use of a house so that he might make it into a home, then all men should have the use of houses so that they, also, might make them into homes. GOD shall retain ownership of all things, but GOD shall evenly distribute the use of all things. Thus, each male and each female shall have an equal share in life upon the Earth. This should eliminate much sickness and hunger because all medicine, and all food, shall be shared equally by all of the inhabitants of the Earth.

There is no need for money in the kingdom of heaven upon the Earth. All things are free. The use of money promotes the concept of profit. In the kingdom of heaven upon the Earth, there is no room for a concept such as profit. We have proven that GOD is everything. Thus, any possible financial transaction that could occur is required to occur between different elements of GOD. GOD has no reason to charge himself for anything. There is no reason why any one part of GOD should make a profit from any other part of GOD. Thus, there is no need for money in the kingdom of heaven upon the Earth. Therefore, all people are equally rich, and equally poor, in the kingdom of heaven upon the Earth.

GOD is the only form of government that exists in the kingdom of heaven upon the Earth. We have proven that GOD ordains everything that actually does occur. We have proven that GOD is in absolute control of everything, everywhere, forever. Thus, in the kingdom of heaven upon the Earth, mankind shall

recognize GOD as king. Therefore, in the kingdom of heaven upon the Earth, GOD'S laws, which are perfect, replace mankind's laws, which are very imperfect. GOD'S laws are revealed in the absolute truth. Since GOD absolutely controls the actions of every person, GOD can cause life to be whatever GOD wants life to be. Thus, there are no policemen in the kingdom of heaven upon the Earth. In the kingdom of heaven upon the Earth, all females answer to males, and all males answer to GOD. Mankind must assume the posture of acceptance in the kingdom of heaven upon the Earth. Whatever GOD wants to happen, does happen. Mankind lacks the power to alter this reality. Thus, mankind must submit to GOD'S will and his authority.

In the kingdom of heaven upon the Earth, there shall be no war, nor shall there be any weapons, which are the instruments of war. We have proven that GOD is the only reality that exists. Thus, we know that any potential war that could occur is required to occur between different elements of GOD. There is no reason why GOD should make war against himself. Thus, there is no reason for weapons to exist in the kingdom of heaven upon the Earth. If GOD were to decide to kill a person or a thing, then all of the weapons that exist could not, and would not, be used to stop GOD from killing that person or that thing. Thus, neither war, nor weapons, shall exist in the kingdom of heaven upon the Earth.

In the kingdom of heaven upon the Earth, there shall be no competition. Males shall not compete for females, and females shall not compete for males. This is because GOD decides who shall be mated in the kingdom of heaven upon the Earth. Mates are determined based upon when they were born. GOD determines when all people are born. In the kingdom of heaven upon the Earth, all things are free, and all things are equally available to all. Thus, there is no competition in the kingdom of heaven upon the Earth. This eliminates much duplication of effort. Also, this eliminates hard feelings that often occur when people are required to compete for a mate.

GOD shall cause mankind to master life in the kingdom of heaven upon the Earth. Life shall be good! Mankind shall achieve happiness in the kingdom of heaven upon the Earth.

We have proven that mankind should avoid making judgements, since neither side of the argument is absolutely correct or incorrect. This is extremely important to human happiness. We have proven that GOD is the only reality that exists. Thus, any judgement is actually a judgement of GOD. Clearly, mankind is

not in a position to judge GOD. Thus, it is prudent for mankind to master the art of accepting GOD'S actions without judging them to be either positive or negative. The reason for this is that ultimately all things are neutral. We have proven that this is true. We have proven that GOD is everything. We have proven that GOD is neutral. Thus, we have proven that everything is neutral.

The overall quality of life in the kingdom of heaven upon the Earth will be sufficient to motivate mankind to work very hard so that this high quality of life can be maintained. Life in the kingdom of heaven upon the Earth will be much simpler than life has been in the kingdom of hell upon the Earth. This is because in the kingdom of heaven upon the Earth, we have eliminated a number of things that have caused mankind much trouble in the kingdom of hell upon the Earth.

Therefore, mankind shall live and flourish in the kingdom of heaven upon the Earth. GOD shall cause mankind to move in unison with one mind in the kingdom of heaven upon the Earth. Harmony between GOD and mankind shall reign in the kingdom of heaven upon the Earth.

Chapter Thirteen

GOD Issues An Ultimatum To Mankind

It is time for mankind to choose either life or death! Each person shall decide his, or her, own fate. A choice for life is a choice for the kingdom of heaven upon the Earth. A choice for death is a choice for the kingdom of hell upon the Earth.

Given such a choice, some people will choose life, and some people will choose death. We know that sex is the source of all life. We know that sex and war are opposites. Thus, we know that war is a source of death. We have shown that the kingdom of heaven upon the Earth includes optimum sex. We know that the kingdom of heaven upon the Earth and the kingdom of hell upon the Earth are opposites. Thus, we know that the kingdom of hell upon the Earth includes optimum war. Therefore, GOD is forcing mankind to choose between optimum sex and optimum war.

Thus, why not let those people who chose death wage war upon each other. Let them fight until they are all dead. When the fight is over, the kingdom of hell upon the Earth will have disappeared. Only the kingdom of heaven upon the Earth, which is optimum sex and rest, will remain.

We have proven that GOD is the only reality that exists. We know that the Earth exists. Thus, we have proven that the Earth is a part of GOD. We have proven that GOD is predetermined. Thus, we have proven that the Earth is predetermined. This means that GOD has always known the fate of planet Earth. Planet Earth is presently in great jeopardy. Currently we find ourselves approaching a crossroad. The reason for this is that the natural process of aging has caught up with planet Earth. Errors and difficult problems are abundant upon planet Earth. We are approaching a point of no return. If we make the necessary corrections today, then tomorrow will be a beautiful day upon planet Earth. If we fail to make the necessary corrections today, then tomorrow the Earth shall die.

The establishment of the kingdom of heaven upon the Earth will save the Earth from certain death. Any other course of action can, at best, only postpone the inevitable death of planet Earth. To take no action amounts to certain death for planet Earth.

Thus, GOD is issuing this ultimatum to mankind so that the Earth, and all of its inhabitants, can be saved. Only if we are

successful at saving planet Earth, by establishing the kingdom of heaven upon the Earth, will the Earth have reached its full potential for existence. It has always been GOD'S plan for the Earth to reach its full potential for existence. Thus, this is GOD'S way of forcing mankind to optimize life upon planet Earth. We have proven that GOD is the only reality that exists. Thus, it is only GOD who makes decisions. This means that GOD makes every decision for mankind. Since it is GOD who makes all decisions, GOD knows what each person's decision will be. GOD knows that mankind will choose life. Thus, we have already begun to prepare for the task of establishing the kingdom of heaven upon the Earth.

Chapter Fourteen

Mathematics In The Kingdom Of Heaven Upon The Earth

The revelation of the absolute truth has exposed all illusions. We have proven that absolute nothingness does not exist. We know that mathematics is an absolute science. We also know that mathematics is the language of symbols. Thus, for every real concept there is a corresponding mathematical symbol.

We know that it is possible for a given space to contain no oranges. However, we have proven that it is not possible for a given space to be absolutely empty. Thus, the mathematical symbol zero has meaning in some situations, and the mathematical symbol zero does not have meaning in some other situations.

The mathematical symbol zero has meaning with respect to the mathematical concept of counting. Thus, when a given space contains no oranges, we are correct when we say that the number of oranges in this given space is zero. Counting is the most elementary form of mathematics. Thus, counting is the mathematics of the first minor dimension of existence within GOD. Therefore, the mathematical symbol zero has meaning in the first minor dimension of existence within GOD.

Computing area is the mathematics of the second minor dimension of existence within GOD. The mathematical symbol zero has no place in the mathematical concept of computing area. It is not possible for a given area to both exist and be equal to zero. Thus, a given area cannot be equal to zero. It is the lack of area that is equal to zero. Therefore, once we progress beyond the first minor dimension of existence within GOD, the mathematical symbol zero has no meaning.

It is interesting that in absolute terms neither the first nor the second minor dimensions of existence within GOD actually exist. The first minor dimension of existence within GOD is represented by a single point, which becomes a straight line when it is extended. A straight line is one-dimensional. We know that area is two-dimensional. In order to have real presence, an object must be at least three-dimensional, which means that the object has volume. Therefore, both the first and the second minor dimensions of existence within GOD are theoretical. Thus, they do not have absolute presence. The first and second minor dimensions of existence within GOD have meaning, even though they are theoretical.

The mathematical symbol zero is used to mark the beginning of a straight line. The mathematical symbol infinity is used to mark the end of a straight line. We have already proven that absolute nothingness does not exist. Therefore, we have also proven that absolute infinity does not exist. You cannot have an end to something that did not begin. Since the concept of infinity is not a real concept, there should not be a mathematical symbol for infinity. The concept of infinity has no real meaning. It has no place in counting. It has no place in area. It has no place in anything. Thus, in the kingdom of heaven upon the Earth, infinity does not exist, and the mathematical symbol zero is only used for the purpose of counting.

In the kingdom of heaven upon the Earth, mathematics will reflect absolute reality. Thus, in the kingdom of heaven upon the Earth, mathematics shall be based upon a circular model, rather than a linear model. Therefore, in the kingdom of heaven upon the Earth, our mathematical system will function in the same way that an odometer would function if it did not contain any zeros. The largest whole number that exists is followed by the smallest whole number that exists to form a continuous circle.

Some mathematical functions are considered to be discontinuous at zero and/or infinity. When we replace the old linear model of mathematics with the new circular model of mathematics, we discover that these same functions are continuous. The new circular model of mathematics does not contain the symbols zero or infinity. This amounts to correcting an error. We have proven that GOD is continuous. We have proven that GOD is everything. Thus, we have proven that everything is continuous. This means that mathematics itself is required to be continuous. This also means that mathematical functions are required to be continuous.

Chapter Fifteen

More About Certain Psychoactive Drugs

What to do about drugs is an important issue to the entire world. Drugs themselves are intrinsically neutral. It is the way that mankind uses drugs that determines good or evil. We know that people want drugs. Because people want drugs, efforts to eradicate drugs will never be effective. Instead, we must legalize drugs, and manage their use with honest knowledge. There is no substitute for the truth. Drugs contain great potential for good, and drugs contain great potential for evil. When we plot honest knowledge against this potential for evil, we can offset much of this evil. Thus, in the kingdom of heaven upon the Earth, this shall be our policy on drugs. Take full advantage of the positive potential that drugs possess, and offset the negative potential that drugs possess with honest knowledge. This is the formula for extracting the good out of any situation. In the final analysis, the absolute truth is the only real weapon that we have against drug abuse. The absolute truth is the most powerful weapon that exists, and for that reason the absolute truth is up to this task. We can live in a world that has a drug solution rather than a drug problem.

In the kingdom of heaven upon the Earth, we shall use this same approach to solving all of mankind's problems. It is neither the neutral, nor the positive, that is the source of all of mankind's problems. It is the negative that causes problems for mankind. We have proven that the positive is an octave above the negative. We have proven that GOD designed the positive to rule over the negative. Thus, the absolute truth is a powerful weapon that can be used to overcome the negative. Therefore, in the kingdom of heaven upon the Earth, the neutral and the positive join forces to control the negative. When we plot the absolute truth against the negative, the negative is rendered ineffective. Therefore, this is the master plan for the kingdom of heaven upon the Earth. The kingdom of heaven upon the Earth shall be a great solution for mankind rather than a great problem.

Exactly which drugs are we referring to when we say certain psychoactive drugs? Let us individually examine these drugs. (Note: We do not claim to know all that there is to know about drugs. Our comments on drugs will be based upon the knowledge that we have gained from the use of drugs. We cannot comment on drugs that we have not tried. Also, we are not aware of all drugs. Thus, this commentary on drugs is incomplete. This

analysis should be expanded to include an honest disclosure of the facts concerning all pertinent drugs.)

Marijuana and Hashish - Marijuana and hashish are examples of some of GOD'S finest work. They are truly beautiful drugs that can greatly enhance many aspects of human existence. Marijuana and hashish are both products of the marijuana plant. Hashish is the concentrated form of marijuana. Thus, when we refer to marijuana, we are making reference to both marijuana and hashish.

Marijuana is valuable to mankind for a number of reasons. When mankind uses marijuana, a noticeable increase in consciousness, sensory perception, and sexual sensation is the result. Marijuana is definitely a very effective aphrodisiac. Marijuana also has significant value as a medicine. Marijuana use can be fun. Thus, marijuana provides much recreation. Also, the remaining parts of the marijuana plant can be used to produce a number of useful products.

Marijuana is the only psychoactive drug that we can strongly recommend for regular use. Marijuana is essentially a mild sedative. Marijuana is basically a harmless drug. A person who is high on marijuana might experience mild paranoia, some short-term memory loss, an increase in appetite, laziness, or the inability to perform some complicated or demanding tasks. Thus, marijuana use is inappropriate at certain times, and marijuana use is inappropriate under certain circumstances. Generally, these side effects are considered to be minimal. Therefore, these side effects are not of any serious consequence. Normally, we would expect a person to use marijuana at a time when these side effects would not be considered to be a serious nuisance in the event that they should occur. Marijuana, which is a mild sedative, is a drug that promotes relaxation. Thus, marijuana should only be used at a time when relaxation is appropriate. We believe that the positive value of this drug greatly exceeds its negative value. Thus, we strongly recommend that every person should try marijuana.

We believe that a person should not use marijuana until just prior to losing their virginity. This is because the first use of marijuana is considered to be a very special occasion. Otherwise, it would not be harmful to use marijuana at any age. If for no other reasons, marijuana should definitely be used as an aphrodisiac, and as a tool for learning.

Marijuana is psychologically addictive. Thus, it is likely that when a person smokes marijuana, they will find it to be such a pleasant experience that they will want to continue smoking it. Once a person becomes high on marijuana, they reach a point where they have had enough of the drug, and at this point they readily stop smoking it. However, at some other point in the future, they will be ready to smoke marijuana again. Therefore, this drug is psychologically addictive in the long term, but it is not hard to stop smoking the drug once an acceptable high has been achieved.

Marijuana is not physically addictive. This means that the drug user does not experience a painful withdrawal when the drug is withheld. The withdrawal from marijuana amounts to a relatively short period of slight moodiness, light sleep or a slight difficulty in sleeping, some loss of appetite, slight nausea, a decline in sexual sensation, and a reduction in the duration of sexual events. Generally, withdrawal from marijuana is considered to be nothing more than a modest nuisance of limited duration. Heavy users of marijuana will experience more discomfort from withdrawal than light users of marijuana will experience.

A drug such as marijuana appears to be compatible with life, even though it is psychologically addictive. Most people can use marijuana, and still function in life. Thus, generally, marijuana use makes life substantially more enjoyable. A drug such as marijuana is potent enough to produce a pleasant high, but it is not potent enough to produce a large number of problems for the user. When smoked, marijuana produces a state of general euphoria. Thus, marijuana offers the drug user an opportunity to experience all of the positive effects of drug use while keeping the negative effects of drug use to a minimum. Therefore, marijuana is the recreational drug of choice, and the sexual aphrodisiac of choice.

Opium - Opium produces a very pleasant high when it is smoked. We believe that opium, like marijuana, is a relatively mild drug. Therefore, we believe that opium can be used without serious consequences. However, we do not have enough experience with this drug to reach any firm conclusions regarding its use. This drug quite possibly is appropriate for regular use. We are not afraid to use this drug, and we believe that opium is a drug that can improve the quality of life.

Psilocybin Mushrooms - The psilocybin mushroom is an interesting drug. It is a potent drug. However, it is not likely

to be harmful to the user unless he, or she, over indulges. This is a very mental drug. This drug is likely to cause the user to look inward. Thus, the primary value of this drug is its ability to raise consciousness, increase sensory perception, and increase sexual sensation.

This is not a highly addictive drug, and there are not a lot of problems associated with its use, provided that the dosage is reasonable. If the dosage is too high, then behavior can become out of control.

One unpleasant thing about using mushrooms is that they must be eaten. They taste terrible!

A person should only consider consuming this drug if they are prepared for a heavy-duty mind trip. Also, this drug should only be taken under closely controlled conditions. For example, a person should never be placed in a position where they are required to drive an automobile, or perform any other important tasks while they are high on this drug.

A person must be aware of what a proper dosage is for this drug. Normally, one or two grams of mushrooms should produce a very acceptable high. To increase this dosage might be risky. A dosage of three or four grams quite likely might be too much for some people.

This is not a drug that a person can use on a regular basis. This drug appears to be compatible with life, provided that it is used infrequently, and in a responsible manner. Otherwise, this drug could, but might not, cause problems for the user. Therefore, we endorse the responsible use of this drug.

This drug is not marijuana. One can usually survive the abuse of marijuana with limited consequences. One might not survive the abuse of psilocybin mushrooms. This drug must be respected. If it is improperly used, it could cause you to lose your life. However, to consume psilocybin mushrooms can be a very pleasant experience.

Although this drug is definitely an aphrodisiac, it cannot be endorsed strictly for this purpose because the high is so intense that it could be considered to be a substantial nuisance. The user would be high long after he, or she, had finished having sex.

Lysergic acid (LSD) - LSD is an extremely intense drug. The high lasts for an extended period of time. The effects of this drug are in the same general direction as the effects of psilocybin mushrooms. However, LSD is a considerably stronger drug than psilocybin mushrooms.

Consuming LSD can be a beautiful experience when all things go well. Consuming LSD can be a complete nightmare when all things do not go well. There is no way to predict with absolute certainty which way things will go when one consumes this drug.

LSD is somewhat psychologically addictive. Generally, psychological addiction to LSD is not considered to be a big problem. LSD is not physically addictive. Thus, there are no problems associated with physical withdrawal from LSD.

We believe that the LSD experience is worthwhile. Therefore, we cautiously endorse its use, provided that it is used infrequently, in proper dosage, and under tightly controlled circumstances. LSD greatly increases consciousness, sensory perception, and sexual sensation.

LSD is an incredible sexual aphrodisiac. However, we cannot endorse it strictly for this purpose because the high is so intense that it would be considered to be a great nuisance. The user would be high long after he, or she, had finished having sex.

Mescaline - Mescaline is a drug that comes from the peyote cactus. It is very similar to LSD. However, mescaline has one major advantage over LSD. Mescaline is organic, which means that GOD made mescaline. LSD is not organic, which means that mankind made LSD. Clearly, we consider GOD to be a better chemist than mankind.

Generally, all of the things that we have said about LSD also apply to mescaline. Thus, we cautiously endorse the responsible use of mescaline. A mescaline trip might be a beautiful experience, or it might be a complete nightmare. If a person is considering using mescaline, he, or she, should follow the instructions for the use of LSD. Be careful!

MDA - MDA is truly a beautiful drug. It is nicknamed the "love drug". This is because it evokes a strong love response from the user.

This is a very strong drug that cannot be used on a regular basis. The user of this drug must be careful not to exceed the proper dosage. Too much of this drug can kill a person. This drug must be used under very controlled conditions.

This drug can be eaten or injected. (Note: We have no experience, whatsoever, with injecting any drug. Thus, our knowledge of this procedure is not based upon our experience. However, we are certain that the injection of any drug should be strictly prohibited. There are several reasons why this is true. Firstly, injecting drugs is very addictive. Secondly, when injecting drugs, people can catch communicable diseases from shared needles. Thirdly, lethal overdoses are quite common when drugs are injected. People who have injected drugs claim that it gives them an internal rush that is somewhat similar to a sexual climax. Thus, this internal rush is the equivalent of a synthetic sexual climax. They claim that injecting drugs is extremely addictive, much like sex is extremely addictive. Therefore, DO NOT INJECT ANY DRUG INTO YOUR BODY!) We are strictly opposed to the idea of injecting drugs, except for medicinal purposes. Thus, we endorse eating this drug, but we do not endorse injecting this drug. DO NOT INJECT MDA! IT IS VERY ADDICTIVE AND VERY DANGEROUS!

An MDA high is somewhat similar to an LSD high. The intensity level of the two highs is approximately the same.

MDA is a very sexual drug. MDA is an extremely potent aphrodisiac. For example, reports of people engaging in marathon sex sessions that might last for eight continuous hours, or longer, are not uncommon. Numerous relationships have started as the result of two people consuming MDA together. It is almost a certainty that if a male and a female ingest MDA together, they will end up in bed having sex with each other. This is a beautiful concept.

Despite the precautions that must be taken with this drug, we strongly endorse the responsible ingestion of MDA on an infrequent basis. Everyone should experience this drug at least one time in life.

However, one should never do this drug alone. Be sure that your mate is with you, because sex is all that you will be able to think about while you are high.

This drug represents some of GOD'S finest work. We strongly endorse the use of this drug as a sexual aphrodisiac. The MDA

high is very intense, and normally this would be considered to be a nuisance. However, because of the direction of the high, it is not considered to be a nuisance. This drug approximates crystallized sex. When people ingest this drug, they are propelled into their sex center, and they remain there for an extended period of time. Thus, this drug promotes marathon sex sessions.

Outside of marijuana, MDA is one of the most interesting drugs that we have encountered. Clearly, when used responsibly, this drug is compatible with life.

Angel Dust (PCP + Methamphetamine + Procaine) - This drug, which is actually a combination of three different drugs, is the most potent drug that we have ever encountered. This drug is very dangerous. However, this drug is also a miracle drug.

When this drug is snorted, human consciousness is forced to spiral dramatically upward. We have seen more than one person, who was high on this drug, reduced to the same state of consciousness. They were sitting on the floor, asking repeatedly, "Who am I? What am I? Who am I? What am I?" Later, we asked these people to explain their actions. They each said, that, "at the time, I had no idea who, or what, I was." One person said, "I thought that I was a fence post or something."

Snorting this drug caused the consciousness of these people to spiral upward to such an extent that these people lost contact with their normal state of consciousness. Thus, they were lost within their own mind. Therefore, these people's conscious mind became aware of their unconscious mind.

We recognize three levels of consciousness within the human mind. These three levels of consciousness are the conscious mind, the subconscious mind, and the superconscious mind. GOD is the superconscious mind. Thus, there is a pathway that leads from the mind of mankind into the mind of GOD. When a person snorts this drug, it is possible, and perhaps it is likely, that this person's consciousness is propelled right into their superconscious mind, which is the mind of GOD. When this drug is used repeatedly, the three levels of consciousness within the human mind can integrate to form a single level of consciousness. Extensive use of this drug caused this mental integration to occur within the mind of the author of this book.

This same drug caused the author of this book to be propelled into miracle land for a period of approximately

twenty-one months. Miracles were abundant during this period of time. This series of events began in the winter of 1975. It was during this period that the author of this book was actually exposed to GOD'S mind for a prolonged period of time. It was this drug that served as a catalyst to the eventual enlightenment of the author of this book.

These miracles occurred in an organized manner. It became obvious that there was massive intelligence behind these miracles. They were happening in a way that was designed to teach one about absolute reality. It became obvious that GOD was pulling this man's strings. Thus, this man was forced to admit that he is a puppet who is manipulated by GOD.

This drug, angel dust, corresponds to the three forces of the neutral, the positive, and the negative. The methamphetamine is positive, the PCP is negative, and the procaine is neutral. Thus, the methamphetamine takes one up, the PCP takes one down, and the procaine takes one sideways.

Thus, we cautiously endorse this drug as being a miracle drug. It can propel a person right into the mind of GOD. (Note: The PCP that we are referring to is the white PCP that was available in the Florida area during the winter of 1975. This angel dust was cut with a small amount of lactose. However, it is unlikely that the lactose was a factor in the way that this drug affected people.)

Thus, when we say certain psychoactive drugs, we are referring to marijuana, hashish, opium, psilocybin mushrooms, mescaline, LSD, MDA, and angel dust. We suspect that this list should also include STP, DMT, TMA, and MDMA, but we have never consumed these drugs. Thus, we have not been able to evaluate them. We believe that there are other psychoactive drugs that should be included in this list. However, we do not know what they are. We are certain that the psychoactive drugs that are included in this list can have a positive effect upon mankind.

We unconditionally endorse marijuana and hashish for recreational use by those who are old enough to marry or mate. We believe that the first use of these drugs should occur just prior to a person's initial experience of sexual intercourse. Just as we believe that the loss of a person's virginity is a special event, we also believe that a person's initial drug experience is a special event.

We conditionally and cautiously endorse the remaining drugs on this list for use. In every case, certain logical and reasonable ideas should govern the use of these drugs. Since virtually all of these drugs are somewhat addictive, we must assume that if a person tries a drug once, then they are likely to try this same drug again. Thus, if a person is not prepared to become addicted to a drug, then a person should not try that drug. Just as we become totally captivated by sex, we also become totally captivated by drugs. Thus, drugs should be viewed as synthetic sex, which is just as addictive as real sex. The use of any drug is a very serious event. Drugs must be respected. Drugs might improve a person's life. However, drugs might destroy a person's life. Therefore, always remember to use drugs responsibly.

We encourage people to try marijuana and hashish. We advise people that if they proceed beyond marijuana and hashish, it is user beware. A person cannot cross this line without taking some risk. Basically, when a person decides to try a certain drug, they are risking their life and their health so that they might experience an increase in consciousness, sensory perception, and sexual sensation. If reasonable procedures are followed, then this risk might be minimal. If unreasonable procedures are followed, then this risk might be great. So, if people are going to use drugs, they need to be wise, and they need to respect drugs.

There are also psychoactive drugs that appear to create many problems without solving anything. It is our desire to experience a positive change in our lives that motivates us to consume drugs. Clearly, drugs are instruments of change. However, change can be either positive or negative. Certain drugs appear to be more likely to effect life negatively than positively. If we believe that the consumption of a certain drug is likely to effect us negatively, then we should avoid consuming that drug. (Note: We are not aware of all of the drugs that should be on this list. However, we are quite sure that there are others.) Let us examine two psychoactive drugs that we definitely do not endorse, except for medicinal use.

Cocaine - Cocaine produces an extremely pleasant high. However, cocaine is an extremely dangerous drug. Cocaine can be snorted, injected, or smoked.

When cocaine is snorted, it produces a very pleasant high, which is moderate in intensity. Cocaine is a tremendous aphrodisiac regardless of the means of consumption. In early

stages of use, snorting cocaine appears to be a totally harmless experience. What an illusion this is! Increased use leads to addiction. Addiction means real trouble for the user. Perhaps, the greatest problem associated with snorting cocaine is the fact that in the early stages of use, it seems to be so harmless that the user sees no reason to avoid using it. Thus, at some point in the future the user will suddenly discover that he, or she, is addicted to cocaine. By this time, the use of cocaine has become a huge problem that just keeps getting worse.

Over a period of time, snorting cocaine will destroy the nose. When cocaine is snorted over an extended period of time, it is quite common for a person to develop a perforated septum. Failure to properly cleanse the nose while snorting cocaine is a major cause of this condition. One must understand that cocaine is chemically alkaline. Therefore, it is caustic to the human body.

We have already stated that we have never injected any drugs. Thus, we have no personal knowledge concerning injecting drugs into the human body. However, we are completely convinced that it is a big mistake for a person to inject any drug into their body for any reason, except for medicinal use. People who have injected cocaine claim that injecting cocaine is very dangerous and very addictive. DO NOT INJECT COCAINE!

When cocaine is smoked, the form of the cocaine is changed into what is called crack cocaine. Crack cocaine is in the form of a solid chunk rather than a powder. The smoking of crack cocaine is so terribly addictive that a person only has to inhale the smoke from a pipe one time to become addicted. The addiction to crack cocaine is so intense that the user literally cannot stop smoking the drug. A person who is smoking crack cocaine will exhaust virtually every plausible possibility to obtain more of the drug when the current supply of the drug is exhausted. The user chooses crack cocaine over virtually all other things. For all practical purposes, life is replaced with crack cocaine.

Crack cocaine is an extremely powerful aphrodisiac. However, the user is so consumed with using the drug that he, or she, cannot leave the drug alone long enough to have sex. This is a totally unacceptable result.

On the other hand, crack cocaine has a profound effect upon sex energy. When one smokes crack cocaine, shortly after inhaling the drug, one experiences an internal rush of feeling

throughout the body. This internal rush of feeling dissipates rather quickly. This is such an intense experience that it leaves the user very desperate for another hit off the pipe. If a person can coordinate their sexual sensations with this internal rush of feeling from the cocaine, then their sexual sensations receive a massive boost. If a person can coordinate their sexual climax with this internal rush of feeling from the cocaine, then their sexual climax will be supercharged. A sexual climax of this magnitude is absolutely irresistible.

We are glad to have experienced the use of cocaine. However, we are extremely fortunate to have escaped its grasp. Although we could use cocaine again without disastrous consequences, we are not likely to do so.

The main reason for this attitude is that we believe that cocaine has negative effects upon human sexuality. We admit that cocaine is an extremely potent aphrodisiac. However, the production of sexual sensation is not the only function of sex. Sex is pleasant so that it will be addictive to mankind. GOD intended for mankind to be addicted to sex. However, the real purpose of sex is reproduction. The use of drugs can clearly cause improved sexual sensation. However, sexual sensations can be improved so dramatically, through the use of this drug, that the use of this drug becomes the object of life. This drug replaces sex. This is not the desired objective. Drugs are supposed to improve sex, not replace it.

Therefore, if a sexual aphrodisiac is to be effective, it must improve sex, but not replace it. We contend that crack cocaine is not an effective sexual aphrodisiac because it tends to replace sex with crack cocaine. The user chooses the crack cocaine over sex. This is a case of the preparation for the event becoming more important than the event itself.

We respect sex very much, and we do not want to endorse anything that attempts to upstage sex. Crack cocaine dramatically improves sexual sensation, but it alters human sexual behavior in ways that we believe are detrimental to humanity. Thus, we strongly advise everyone to completely avoid smoking crack cocaine. DO NOT SMOKE CRACK COCAINE!

It should be noted that to snort cocaine is considered to be very mild compared to either injecting cocaine, or to smoking crack cocaine. If a person feels that they absolutely must try cocaine, then snort it rather than injecting it or smoking it. Under no circumstances should anyone ever inject cocaine, or

smoke crack cocaine. If a person injects cocaine or smokes crack cocaine, it is certain that addiction to this drug will occur with first use. DO NOT INJECT OR SMOKE COCAINE! Cocaine use is not compatible with life.

Heroin - We have never used heroin. Thus, we have no personal knowledge of this drug. We have purposely avoided this drug. We believe that any use of this drug is unwise. We further believe that this drug is every bit as dangerous and addictive as cocaine, if not more so. Thus, we classify both cocaine and heroin as hard drugs. Hard drugs, such as cocaine and heroin, should be completely avoided. There is no such thing as the responsible use of either cocaine or heroin. DO NOT USE HEROIN!

Conclusion

Why does this book, "GOD Glorified - Revelation Of The Absolute Truth", contain so much information about drugs? The answer to this question is very simple. If it were not for certain psychoactive drugs, the author of this book would not have known most of the information that is contained in this book. Thus, without certain psychoactive drugs, this book could not and would not have been written. We believe that the information revealed in this book is of critical importance to the future of mankind. Should this prove to be true, then it will also be true that certain psychoactive drugs played a significant roll in the future of mankind.

GOD used certain psychoactive drugs as a catalyst to cause the consciousness of a man to increase so substantially that this man eventually came to understand GOD.

Specifically, this is the formula that explains what happened between GOD and this man. A man + numerous drugs + many miracles, each one of which amounts to a very high level of communication with GOD + approximately twenty-nine years of time + approximately twenty-nine years of thought + some study = a man who is very conscious of GOD. The link between this man and GOD grows stronger with every passing day. It is important to understand that this man has never been in control of this situation. GOD has been in absolute control of every aspect of this situation since it began approximately twenty-nine years ago. This man is merely a puppet who is manipulated by GOD.

Even though this is the case, it is true that GOD has invested much time and energy, as well as many miracles and considerable resources, to accomplish the enlightenment of this one man. Therefore, this man believes that this whole series of events must have occurred for an extremely important reason. It is true that this whole series of events corresponds to GOD baptizing this man in the Wholly Spirit. It is also true that this man is now prepared to baptize mankind in the Wholly Spirit. It is true that GOD has revealed himself to this man. It is also true that GOD continues to reveal himself to this man.

Why would GOD choose to enlighten this one man in this way? There appears to be two solid reasons why GOD has chosen this course of action. Firstly, GOD wants someone, other than himself, to reveal all of these incredible facts. If GOD were to reveal himself, bragging would be unavoidable. When a man reveals GOD, it becomes a matter of praise rather than bragging.

Secondly, it is very efficient for GOD to initially reveal himself to one man. Thus, GOD is free to attend to other matters while this one man proceeds to reveal GOD to the rest of the world. In any event, this appears to be the way that GOD has chosen to reveal himself to mankind.

It is true that GOD has chosen this man. It is true that this series of events was predetermined. It is true that this man is so certain about all of these facts concerning GOD that this man is willing to die, if necessary, to accomplish GOD'S goals for mankind upon planet Earth. It is also true that GOD has convinced this man that with GOD'S help this man is going to save the world.

It is true that in 1976 GOD spoke, in English, directly to this man. GOD commanded this man to, "Let your lights so shine before all men that they may see your good works, and glorify the father who art in heaven." Of all the many miracles that GOD has caused to happen to this man, it is this one miracle that provided this man with an answer regarding what this man was supposed to do. This book, "GOD Glorified - Revelation Of The Absolute Truth", is this man's response to GOD'S commandment.
